Lynn Plourde

Dinosaur Pet ,2012-05-01 This is a unique offering of a book and CD recorded by Neil Sedaka, telling a charming story with print and music. From a little egg, out comes the most appealing child-size dino with a wonderful friendly smile. But month by month, he gets bigger and wider and longer and taller. Soon, he's eating the family out of house and home, the bed is sagging under his weight, and the ceiling is too low. But no matter how giant the dinosaur grows, nothing gets between a boy and his pet. With its witty rhyming lyrics, amusing and gloriously colorful illustrations, and a catchy, irresistible tune on the included CD, kids will be reading, singing, and dancing—and wishing for their own dinosaur pet.

Dinosaur Pet Marc Sedaka,Neil Sedaka,2012-05-01 Provides new lyrics to the tune of Sedaka's song, Calendar Girl, in which a dinosaur hatches in January, then grows bigger every month of the year.
