Language Learning Masterclass for Beginners: 2-1 Bundle Paul Jackson,Michael Noble,Paul Thomas,Patrick Noble,2022-12-05 Do you have a love or passion for learning Spanish and German? Or have you thought of visiting Europe and experiencing the local lifestyle? Or do you have overseas clients in European countries? Learning a new language sounds difficult, and you are just frozen in your feet at the start. If you are a working professional, then it might just sound impossible to you, but right now, learning a new language is as simple as it gets. It is easier than you think! It won't be long before you have mastered the languages and impress your friends, colleagues, and clients. It won't take long dreadful hours to get there, you'll be there in a flash. Learning a foreign language may sound difficult because there are too many new sounds, and too many words to remember at once without actually hearing them. Actually, there are only 1,000 words in German and 2,000 words in Spanish that you need to learn, and you get a Native Voice Actor narrating these words to you in the audiobook. Take a peek at what I have in store for you: A list of 1,000 of the most common words in German and their translations A list of 2,000 of the most common words in Spanish and their translations Native German and Spanish-speaking voice actors to make sure you develop an authentic European accent And most importantly, a fun and engaging teaching method that will have you looking forward to practicing with this program - and the more you practice, the more you learn Don't wait long for something that you actually want. The most important investment that you will ever make is you, and the sooner and stronger the investment, the better the results. Don't stall this for another second, download and start right now!

German Phases 1-2 Pimsleur,2011-07-20 Surprise your friends! Astonish your family! With Pimsleur, you'll be speaking and understanding like a native in no time. 30 minutes a day is all it takes. This German course includes all of Phases 1 and 2 -- 30 hours of spoken language practice and two hours of Reading Lessons providing background on the German language and culture. With this product you start from zero, learning first survival phrases and vocabulary, and eventually progressing to a mid-intermediate level of speaking, understanding and reading German. Every lesson contains an introductory conversation, and isolated vocabulary and structures, as well as full practice for all vocabulary introduced. Emphasis is on pronunciation and comprehension. At the completion of this course, you'll speak confidently using your wide-ranging vocabulary, and experience the language and culture with a deepening insight into a new world. Reading Lessons are included to provide you with an introduction to reading German. These lessons, which total about one hour for each Level, are designed to teach you to sound out words with correct pronunciation and accent. A Reading Booklet to be used with the audio lessons is also included in PDF format. About the German Language German is the official language of Germany and Austria and is one of the official languages of Switzerland, Belgium, Lichtenstein, and Luxembourg. Nearly 100 million people speak German as their first language: about 77 million in Germany, 8 million in Austria, and 4.5 million in Switzerland.

Conversational German Dialogues Touri Language Learning,2019-06-05 When face-to-face with a real German speaker, do you freeze? Do you know how to ask for directions in German or communicate if there's an emergency? If your answer to any of the previous questions was 'Yes', then this book is for you! If there's anything more challenging than learning the grammar rules of a new language, it's knowing what to say and having the courage to speak with confidence. We know how you feel - You always try to avoid making embarrassing mistakes or not getting your message through correctly, but it will happen anyway. 'How do I get out of this situation?', You may ask yourself, but have yet to find a straight-forward answer. Until now. We have compiled 50 German Stories along with their translations, providing new German speakers with the necessary tools to begin effectively studying how to set a meeting, how to check into a hotel and even what to say during an emergency! Our German dialogues get straight to the point saving you precious time. There's no benefit learning words and phrases you will never actually use! If you want to learn German quickly and have a ton of fun along the way, obviously, this book is for you! How Conversational German Dialogues works: • Each new chapter will have a fresh, new story between two or more people who wish to solve a common, day-to-day problem that you will most likely experience in real life. • A German version of the conversation will take place first, followed by an English translation. This ensures that you fully understood just what it was that they were saying! • Before and after the main section of the book, we shall provide you with an introduction and conclusion that will offer you important strategies, tips and tricks to allow you to get the absolute most out of this learning material. • That's about it! Simple, useful and incredibly helpful; you will NOT need another conversational German book once you have started reading and studying this one! Focus on getting from zero to conversationally fluent, so you can: -Travel or live in Germany or any German speaking country without relying on Google Translate -Join German conversations with your German speaking coworkers, friends, or family members -Date German-speakers without embarrassing yourself -Stop getting passed over for jobs or promotions for less-qualified people who are bilingual We want you to feel confident while learning German; after all, there should never be a language barrier stopping you from traveling around the world and expanding your social circles! So look no further! Grab your copy of Conversational German Dialogues and start learning German right now!

Language Hacking German Benny Lewis,2017-11-14 It's true that some people spend years studying German before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of German, #LanguageHacking shows you how to learn and speak German through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only other people can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in German from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more.

Exile, Statelessness, and Migration Seyla Benhabib,2018-09-11 An examination of the intertwined lives and writings of a group of prominent twentieth-century Jewish thinkers who experienced exile and migration Exile, Statelessness, and Migration explores the intertwined lives, careers, and writings of a group of prominent Jewish intellectuals during the mid-twentieth century—in particular, Theodor Adorno, Hannah Arendt, Walter Benjamin, Isaiah Berlin, Albert Hirschman, and Judith Shklar, as well as Hans Kelsen, Emmanuel Levinas, Gershom Scholem, and Leo Strauss. Informed by their Jewish identity and experiences of being outsiders, these thinkers produced one of the most brilliant and effervescent intellectual movements of modernity. Political philosopher Seyla Benhabib's starting point is that these thinkers faced migration, statelessness, and exile because of their Jewish origins, even if they did not take positions on specifically Jewish

issues personally. The sense of belonging and not belonging, of being “eternally half-other,” led them to confront essential questions: What does it mean for the individual to be an equal citizen and to wish to retain one’s ethnic, cultural, and religious differences, or perhaps even to rid oneself of these differences altogether in modernity? Benhabib isolates four themes in their works: dilemmas of belonging and difference; exile, political voice, and loyalty; legality and legitimacy; and pluralism and the problem of judgment. Surveying the work of influential intellectuals, Exile, Statelessness, and Migration recovers the valuable plurality of their Jewish voices and develops their universal insights in the face of the crises of this new century.
