

Talking Mike Mouse

Irene Zutell

Mickey Mouse History and Other Essays on American Memory Mike Wallace, 1996 This is a book about why history matters. It shows how popularized historical images and narratives deeply influence Americans' understanding of their collective past. A leading public historian, Mike Wallace observes that we are a people who think of ourselves as having shed the past but also avid tourists who are on a heritage binge, flocking by the thousands to Ellis Island, Colonial Williamsburg, or the Vietnam Memorial. Wallace probes into the trivialization of history that pervades American culture as well as the struggles over public memory that provoke stormy controversy. The recent imbroglio surrounding the National Air and Space Museum's proposed Enola Gay exhibit was reported as centering on why the U.S. government decided to use the A-Bomb against Japan. Wallace scrutinizes the actual plans for the exhibit and investigates the ways in which the controversy drew in historians, veterans, the media, and the general public. Whether his subject is multimillion dollar theme parks owned by powerful corporations, urban museums, or television docudramas, Mike Wallace shows how their depictions of history are shaped by assumptions about which pasts are worth saving, whose stories are worth telling, what gets left out, and who is authorized to make the decisions. Author note: Mike Wallace is Professor of History at John Jay College, City University of New York. He is the co-author, with Edwin G. Burrows, of *Gotham: A History of New York City to 1898*, winner

of the 1999 Pulitzer Prize for History.

Talking New Orleans Music Burt

Feintuch, 2015-10-23 In New Orleans, music screams. It honks. It blats. It wails. It purrs. It messes with time. It messes with pitch. It messes with your feet. It messes with your head. One musician leads to another; traditions overlap, intertwine, nourish each other; and everyone seems to know everyone else. From traditional jazz through rhythm and blues and rock 'n' roll to sissy bounce, in second-line parades, from the streets to clubs and festivals, the music seems unending. In Talking New Orleans Music, author Burt Feintuch

has pursued a decades-long fascination with the music of this singular city. Thinking about the devastation--not only material but also cultural--caused by the levees breaking in 2005, he began a series of conversations with master New Orleans musicians, talking about their lives, the cultural contexts of their music, their experiences during and after Katrina, and their city. Photographer Gary Samson joined him, adding a compelling visual dimension to the book. Here you will find intimate and revealing interviews with eleven of the city's most celebrated musicians and culture-bearers--Soul Queen Irma Thomas, Walter Wolfman Washington, Charmaine Neville, John Boutté, Dr. Michael White, Deacon John Moore, Cajun bandleader Bruce Daigrepoint, Zion Harmonizer Brazella Briscoe, producer Scott Billington, as well as Christie Jourdain and Janine Waters of the Original Pinettes, New Orleans's only all-woman brass band. Feintuch's interviews and Samson's sixty-five color photographs create a powerful portrait of an American place like no other and its worlds of music.

They're Not Your Friends Irene Zutell, 2005-06-28 Look Out for Falling Stars Charlotte "Lottie" Love has a thing for celebrity. Actually, it's more of an obsession. All her life she's lurked in the shadows of Hollywood, desperate to step into the light. When she lands a job at Personality magazine, her dreams of red-carpet strolls, popping flashbulbs, and the attention of white-hot heartthrobs finally start to come true. Even Hollywood's latest "It" boy falls for her, and everyone wants his story. Can Lottie score the scoop? Ask Lem Brac, a British boozehound in the

twilight of a mediocre career who knows an exclusive with the It boy would save his job. Lem looks for help from his new (and only) friend—Mike Posner, a young hotshot reporter just hired away from a New York tabloid. But Mike has some damaging secrets himself that are about to surface. He needs the interview too, and it's anyone's guess how far he'll go to get it. Welcome to the world of entertainment journalism and star worship, where you're only as good as the gossip you dig up. Written by a former People magazine correspondent who knows the underbelly of Hollywood hearsay all too well, *They're Not Your Friends* slips past the velvet rope and grants access to a wickedly funny—and sometimes scary—celebrity magazine scene.

A Private Cathedral James Lee Burke, 2021-06-22
On his way to visit an inmate at a Texas prison who has promised him information, Detective Dave Robicheaux stops off at an amusement park to watch a teenaged Elvis-like rock-and-roller from his hometown of New Iberia named Johnny Shondell playing to a crowd of swooning young girls. One of them is another New Iberia teenager named Isolde Balangie. The Shondell and Balangie families are longtime rivals in the New Iberia criminal underworld. Yet Johnny and Isolde are in love. And like Romeo and Juliet, Johnny and Isolde are being kept apart by their families. In fact, Isolde tells Robicheaux, her parents have given her to the Shondell patriarch to be used as a sex slave. Seeking to uncover why, Robicheaux gets too close to both Isolde's mother and her father's mistress. As retribution, the elder Balangie orders a

mysterious assassin to go after Robicheaux and his longtime partner, Clete Purcell. Yet this is unlike any hitman Robicheaux has ever faced: he has the ability induce hallucinations and might be a time-traveling reptilian. *A Private Cathedral* is both vintage James Lee Burke and one of his most inventive works to date--mixing romance, violence, mythology and science-fiction to produce a thrilling story about the all-consuming, all-conquering power of love.--

Ernest Lehman Jon Krampner, 2022-09-27 A Hollywood screenwriting and movie-making icon, Ernest Lehman penned some of the most memorable scenes to ever grace the silver screen. Hailed by *Vanity Fair* as perhaps the greatest screenwriter in history, Lehman's work on films such as *North by Northwest*, *The King and I*, *Sabrina*, *West Side Story*, and *The Sound of Music* helped define a generation of movie making. But while his talent took center stage, the public knew little of Lehman himself, a native of Manhattan's Upper West Side and the Five Towns of Long Island devoted to his wife of 50 years. His relentless perfectionism, hypochondria and all-night writing sessions fueled by tequila and grilled cheese sandwiches were some of the quirks that made Lehman a legend in the Hollywood community. In *Ernest Lehman: The Sweet Smell of Success*, author Jon Krampner lays bare the life of this lauded yet elusive character. Moving seamlessly from post-production meetings to sound stages and onto the locations of Lehman's greatest films, Krampner's extensive biography brings to life the genius and singularity of the revered screenwriter's

personality and the contributions he made to the world of cinema. Find out more at ernestlehmanbio.com

Munson Marty Appel, 2010-06-01 Our captain and leader has not left us, today, tomorrow, this year, next ... Our endeavors will reflect our love and admiration for him." –Honorary plaque to Munson in Yankee Stadium Thurman Munson is remembered by fans as the fiercely competitive, tough, and—most of all—inspiring Yankee captain and champion from the wild Bronx Zoo years. He is also remembered for his tragic death, at age thirty-two, when the private plane he was piloting crashed in Canton, Ohio, on August 2, 1979. Munson is the intimate biography of a complex and larger-than-life legend. Written by former Yankees public relations director Marty Appel, who worked closely with Thurman throughout his career, Munson captures the little-known details of the young man from Canton and his meteoric rise to stardom in baseball's most storied franchise. Appel examines the tumultuous childhood that led Thurman to work feverishly to escape Canton—and also the marriage and cultural roots that continually drew him back. Appel also opens a fascinating door on the famed Yankees of the 1970s, recounting moments and stories that have never been told before. From the clubhouse and the dugout to the front office and the owner's box, this thoughtful baseball biography delves into the affectionately gruff captain's relationships with friends, fans, and teammates such as Lou Piniella, Bobby Murcer, Graig Nettles, and Reggie Jackson, as well as his colorful dealings with manager Billy Martin and

his surprisingly close bond with owner George Steinbrenner. Munson paints a revealing portrait of a private Yankee superstar, as well as a nostalgic and revelatory look at the culture—and amazing highs and lows—of the 1970s New York Yankees teams. More than a biography, Munson is the definitive account of a champion who has not been forgotten and of the era he helped define—written with the intimate detail available only to a true insider. www.doubleday.com

When It Was Just a Game Harvey

Frommer, 2015-09-30 Written by acclaimed sports author and oral historian Harvey Frommer and with an introduction by pro football Hall of Famer Frank Gifford, *When It Was Just a Game* tells the fascinating story of the ground-breaking AFL–NFL World Championship Football game played on January 15, 1967: Packers vs. Chiefs. Filled with new insights, containing commentary from the recently discovered unpublished memoir of Kansas City Chiefs coach Hank Stram, and featuring oral history from many who were at the game—media, players, coaches, fans—the book presents back story and front story in the words of those who lived it and saw it go on to become the Super Bowl, the greatest sports attraction the world has ever known. Up Close and All In John Mack, 2022-10-11 From John Mack, former CEO of Morgan Stanley, an intimate personal memoir and riveting business story, recounting how he helped grow the company from 300 to 50,000 employees over four decades, transformed a notoriously competitive culture into

a successful and collaborative one, and lead the company through the 2008 financial crisis. During his thirty-four-year tenure at Morgan Stanley, John Mack's goal was to build the strongest and most productive team on Wall Street. His ability to motivate his employees to do their best work, especially in times of crisis, was fostered by his willingness to slash through bureaucracy and stand up to powerful interests. A forceful personality, one journalist said Mack was "described as 'charismatic' so regularly that it could be part of his name." In *Up Close and All In*, Mack traces his personal journey from a one-stoplight North Carolina mill town to a fortieth-floor corner office on Wall Street—and shares the life lessons he learned along the way. He developed a titanium-strength stomach for risk, stress, and competition while landing accounts early in his career, as investment banks fought like wolfpacks to take advantage of new deregulation, fielding business raids, booms, and busts. As he rose through the ranks, he never forgot where he came from, relying on his instincts, doing what was right, and listening to his people on the front lines. This culture of trust and collaboration helped Morgan Stanley anticipate future trends before other firms, adapt quickly, and achieve record profits. This gripping memoir includes both humbling lows—like when Mack made the difficult decision to leave Morgan Stanley in 2001—and exhilarating highs—such as when he made an eleventh-hour agreement with the Japanese bank Mitsubishi to save the company during the 2008 financial crisis, having refused to give in when top regulators

pressured him to sell the firm for \$2 per share. With humor and honesty, Mack shares advice on both business and life: how to create a culture of team players, how to keep perspective during crises, how to make difficult decisions when all eyes are on you, and more. From a singular man who's as unafraid to cry publicly as he is to anger some of the most powerful people in the world, this is an indispensable guide to living and leading well.

Up the Down Escalator Lisa Doggett, 2023-08-15 A

memoir of triumph in the face of a terrifying diagnosis, *Up the Down Escalator* recounts Dr. Lisa Doggett's startling shift from doctor to patient, as she learns to live with multiple sclerosis while running a clinic for uninsured patients in central Austin. Recounting before and after the discovery of her MS, she chronicles vexing symptoms while trying to be an attentive mother, wife, and a caring family doctor. Facing the prospect of a career-ending disability as she adjusts to life with multiple sclerosis, Dr. Lisa Doggett is forced to deal with a new level of uncertainty and vulnerability, and the everyday fear that something new will go wrong. Taking off her white coat—becoming a patient herself—she confronts unimaginable fears, copes with her limitations, and sidesteps her skepticism of alternative medicine to seek help from unlikely sources. Drawing on riveting patient stories, Doggett reveals the dark realities of the dysfunctional U.S. healthcare system, made all the more stark when she becomes the one seeking care. MS pushes Doggett—a perfectionist at heart—to soften her inner drill sergeant and embrace self-compassion. As a patient, she learns to advocate for herself to ensure on-time medication deliveries and satisfactory treatment plans; to navigate chronic dizziness, relapses, and parenting frustrations; and to push her physical limits as a runner to go farther than ever before. As the director of a health clinic for the uninsured, Doggett's MS inspires an even deeper empathy as she confronts challenging cases, prompting her to work harder on behalf of those in

her care, many of whom struggle with illnesses more serious than her own. This hopeful and uplifting book will encourage those living with chronic disease, and those supporting them, to power forward with courage and grace. It will spark conversations to redefine perfect parenting and trigger uncomfortable discussions and outrage about the vicious inequalities of health care in the U.S. Most of all, it will inspire readers to embrace the gifts of an imperfect life and look for silver linings, despite life's detours that sabotage plans and take them off their expected paths.
