Spanky the Mouse Aunty Mona,2015-07-23 The biggest failure in life for any parent, or anyone raising a child is, if the Child grows up to be 'Financially Successful but MORALLY BANKRUPT!!' As a Spinster and an Aunt who has raised nephews and nieces, as well as help babysit my friends children, I know how important it is to mould the child's mind to be noble and beautiful. Food and beverages can only nourish the body, while wisdom and knowledge nourishes the mind. The best way for a child to learn is through Stories, Jokes and Games, and they have to be carefully selected and chosen for the child. After buying countless books, I could not find anything truly worthwhile. Most books were made with only profit in mind, and I'm sure most were not written by the Author, but outsourced. Are you looking for a kid's or children's book that has no GIMMICKS? A book that is about QUALITY, not Quantity? A book that is highly entertaining, help you bond with your child, great for early readers, and is jam-packed with bedtime and all-day stories? Top it off with clean jokes, games to increase IQ? This children's storybook has it All! After a lot of soul searching, I have come up with my first book. It was written with the intention to help a child grow up to be a good person, a wonderful human being. Spanky the Mouse, is the hero of this book, and teaches Peter's son, Tom, the foundations of morality. The handful of stories are designed with 'Moral Science' in mind, that will help mould the child and establish the principles of being a good person. To top it off, there are Jokes and Games in the form of Riddles and a Quiz, to help stimulate the child intellectually while kindling the passion for learning. The amount of stories and games is adequate to hold the child's interest. Too much bores them, and too little deprives them of joy. I have tested it on my nephews, nieces, and my friends children, and saw them develop in an entire new and charming way. They have developed the qualities of kindness, compassion, sharing and understanding, while becoming smart and intelligent! Read it to them when they can't read yet. When they can, they will want to read it by themselves. Every reading further enhances their perception of morality. I hope and wish your child succeeds in life, financially and morally! Good Luck and best wishes from Aunty Mona Your child will be entertained for hours, and be morally equipped for a Lifetime! Scroll up and click 'Buy' , spend some quality time, and create a precious Bond with your Child!
