John Brindley

Raptor the Avenger Robin Bennett,2015-05-22 The three very different Vampires, Picus, Möusch and Raptor must unite the Hidden Kingdom to survive. Think you know the truth about Vampires? Well, think again. A mysterious volume in an unknown tongue, a thief who could change the course of the world and a closely-guarded secret, older than Humankind... Robin Bennett's Picus the Thief is that seemingly impossible take on the genre - funny, intelligent, imaginative story-telling that mixes Arthurian legend with faeries and vampires and comes up with a unique mix of all three. - SSF Chronicles Aimed at the young adult market, the world building is incredible and it's almost impossible not to become immersed in this fantastically realised world of charm and grandeur. The characters are just as lively too, Picus is brilliant as a small but almost indestructible, irrepressible vampire thief who throws himself head first at life's little adventures. - SF Books Reviews (best fantasy fiction for book lovers) Picus the Thief is highly original, beautifully imaginative and utterly engaging. It is no mean feat that the author has managed to create a series of interconnected worlds, a loveable central character, as well as a host of other characters that all have genuine depth. If you are looking for gifts for books lovers or top fantasy books, read Picus the Thief.

Raptor's Ridge William Florence,2018-06-26 A professor and private detective is called in by an Oregon lawman for help with a high-profile murder . . . A mild-mannered college professor is an unlikely candidate to hunt down the killer of the town’s richest man and his movie star paramour. But because of a chance encounter years before, Max Blake, a former newspaper reporter-turned-professor and part-time private detective, is called in, and forced to form unusual and sometimes dodgy alliances, as he investigates the vicious killings with the city’s police chief. To make things worse, there’s a complicated history between Max and the chief—and the leading suspects are members of the city’s police force. The trail winds through the incredible mansion called Raptor’s Ridge and the streets and alleyways of Oregon’s state capital, and eventually spills into the beautiful but deadly High Desert near the town of John Day. When the killer is eventually cornered and violence explodes in unexpected ways, Max must use all of his wits and daring, plus a little bit of luck, to remain alive during a deadly night of terror . . . and eventual reckoning. Fans of the author’s Max Blake Westerns series will be delighted to discover this new and thoroughly modern Max—the great-great grandson and namesake of the legendary federal marshal who forms the basis of five previous novels.

The Other Side of Glory Carl J. Pierson,Lindsay Whalen,2021-11-02 People often forget the road to greatness is rarely a smooth ride. The Other Side of Glory reminds us of the enormous power of persistence and what can be achieved when a group of young athletes takes the journey and finds that a 'team-first attitude' can navigate the rocky road that leads to the ultimate prize. —Tim Miles, head men's basketball coach, San Jose State University. A compelling story of teamwork and commitment in the competitive world of girls' high school basketball When the Waconia Wildcats embarked on the 2019 season, their motto was simple: FINISH. It was a mandate to follow through on every play at the basket and a promise to address unfinished business from the previous season, when a one-point loss was all that kept them from reaching the state tournament for the first time in school history. The Other Side of Glory is a sensitive and riveting portrait of youth basketball in small-town Minnesota, a world familiar to many but brimming with its own characters, quirks, and challenges. Readers will get to know the players—girls with nicknames like Sauce, Salsa, Raptor, and Snake—as they navigate high school life, struggle to accept their roles on the team, wrestle with self-doubt, and ultimately band together with the goal of vanquishing a 45-year legacy of coming up short. Inspirational and relatable, this is a must-read for athletes, coaches, and parents everywhere.

In the shadows, a bloodthirsty enemy awaits the perfect moment to strike. A puppet master controls all – immortality, his only goal. Amongst the turmoil, a farm boy falls in love with an arrogant girl from the city. However, her ignorance is short-lived, as she realises their love is a complicated affair, for her farm boy is not a farm boy at all, but one of the shadows deciding humanity’s fate.

Darius Linda Arena,2013 Creating The Thirteenth Order is essential to insure that creation continues in the rapidly expanding universe. With Earth's axis shift corrected and humanity saved, Midas and the Guardians have only two items left to do before their final ascension. Find Prometheus and make peace between them and bring in The Thirteenth Order. However, the enraged Prometheus has other plans for Midas, Gideon, Hermes and Rhea. He lures them to the sacred mountain on Darius where he, along with his army of Mat'uk, trapped them inside the mountain using a gravity net. The instant the Mat'uk breach the entrance of the mountain, Midas' alarm sounds. He and the other Guardians attempt to enter the fifth dimension and cannot. Realizing they were trapped and visible, Midas dispatches the Mother ship and the seedling, Rosie to Earth to bring back Rachael and her friends to save them, much to the dismay of Rhea. She pleads with Midas not to bring the human's to Darius as the planet will tap into their ancient DNA code and change them back to their original form. Rachael and her friends upon hearing Rosie's pleas to help save the Guardians ultimately agree to go to Darius even though Darius is halfway across the universe and they have no idea what fate awaits them. www.lindaarenaauthor.com...

Throughout the journey the signs of the Apocalypse are woven into the fabric of life on earth as ancient atrocities are fed by modern and futuristic weapons of war. A Woman of Force Mark Morri,2020-09-22 They call her 'the gangbuster'. The police force can be a tough place for a woman, but Detective Superintendent Deborah Wallace rose to the top with grace, humour and an iconic sense of style. In her incredible 36-year career with NSW Police, Wallace took on murderers and drug suppliers, and dismantled the state's most nefarious gangs. Tenacious, perceptive and sharp, Wallace commanded a range of police crime squads, bringing order to the wild west of 1990s Cabramatta and busting criminal bikie gangs with Strike Force Raptor, until her retirement in late 2019. Her inner strength and empathy meant that she was a constant go-to for some of the state's toughest cases, and her poise and compassion earned her a special place in the lives and hearts of her colleagues - and the grudging respect of her criminal foes. In Wallace's official biography, veteran crime writer Mark Morri brings to life the jaw-dropping true story of a police trailblazer and woman of force.
