**Tap Dancing America** Constance Valis Hill, 2014-11-12 The first comprehensive, fully documented history of a uniquely American art form, exploring all aspects of the intricate musical and social exchange that evolved from Afro-Irish percussive step dances like the jig, gioube, buck-and-wing, and juba to the work of such contemporary tap luminaries as Gregory Hines, Brenda Bufalino, Dianne Walker, and Savion Glover.

**Tap Roots** Mark Knowles, 2002-06-03 Tracing the development of tap dancing from ancient India to the Broadway stage in 1903, when the word Tap was first used in publicity to describe this new American style of dance, this text separates the cultural, societal and historical events that influenced the development of Tap dancing. Section One covers primary influences such as Irish step dancing, English clog dancing and African dancing. Section Two covers theatrical influences (early theatrical developments, Daddy Rice, the Virginia Minstrels) and Section Three covers various other influences (Native American, German and Shaker). Also included are accounts of the people present at tap's inception and how various styles of dance were mixed to create a new art form.

**Tap Dancing to Work** Carol J. Loomis, 2012-11-21 Warren Buffett built Berkshire Hathaway into something remarkable— and Fortune journalist Carol Loomis had a front-row seat for it all. When Carol Loomis first mentioned a little-known Omaha hedge fund manager in a 1966 Fortune article, she didn't dream that Warren Buffett would one day be considered the world's greatest investor—nor that she and Buffett would quickly become close personal friends. As Buffett's fortune and reputation grew over time, Loomis used her unique insight into Buffett's thinking to chronicle his work for Fortune, writing and proposing scores of stories that tracked his many accomplishments—and also his occasional mistakes. Now Loomis has collected and updated the best Buffett articles Fortune published between 1966 and 2012, including thirteen cover stories and a dozen pieces authored by Buffett himself. Loomis has provided commentary about each major article that supplies context and her own informed point of view. Readers will gain

fresh insights into Buffett's investment strategies and his thinking on management, philanthropy, public policy, and even parenting. Some of the highlights include: The 1966 A. W. Jones story in which Fortune first mentioned Buffett. The first piece Buffett wrote for the magazine, 1977's "How Inflation Swindles the Equity Investor." Andrew Tobias's 1983 article "Letters from Chairman Buffett," the first review of his Berkshire Hathaway shareholder letters. Buffett's stunningly prescient 2003 piece about derivatives, "Avoiding a Mega-Catastrophe." His unconventional thoughts on inheritance and philanthropy, including his intention to leave his kids "enough money so they would feel they could do anything, but not so much that they could do nothing." Bill Gates's 1996 article describing his early impressions of Buffett as they struck up their close friendship. Scores of Buffett books have been written, but none can claim this work's combination of trust between two friends, the writer's deep understanding of Buffett's world, and a very long-term perspective.

*What the Eye Hears* Brian Seibert, 2015-11-17 Magisterial, revelatory, and-most suitably-entertaining, *What the Eye Hears* offers an authoritative account of the great American art of tap dancing. Brian Seibert, a dance critic for The New York Times, begins by exploring tap's origins as a hybrid of the jig and clog dancing from the British Isles and dances brought from Africa by slaves. He tracks tap's transfer to the stage through blackface minstrelsy and charts its growth as a cousin to jazz in the vaudeville circuits and nightclubs of the early twentieth century. Seibert chronicles tap's spread to ubiquity on Broadway and in Hollywood, analyzes its decline after World War II, and celebrates its rediscovery and reinvention by new generations of American and international performers. In the process, we discover how the history of tap dancing is central to any meaningful account of American popular culture. This is a story with a huge cast of characters, from Master Juba (it was probably a performance of his in a Five Points cellar that Charles Dickens described in *American Notes for General Circulation*) through Bill Robinson and Shirley Temple, Fred Astaire and Ginger Rogers, and Gene Kelly and Paul Draper to Gregory Hines and Savion Glover. Seibert traces the stylistic development of tap through individual practitioners, vividly depicting dancers both well remembered and now obscure. And he illuminates the cultural exchange between blacks and whites over centuries, the interplay of imitation and theft, as well as the moving story of African-Americans in show business, wielding enormous influence as they grapple with the pain and pride of a complicated legacy. *What the Eye Hears* teaches us to see and hear the entire history of tap in its every step.

Tap-dance Fever Pat Brisson, 2005 Annabelle Applegate will not stop tap-dancing no matter what the frustrated citizens of Fiddlers Creek do to make her quit.

**The Essential Guide to Tap Dance** Derek Hartley, 2018-03-26 From the propulsive rhythm of the African dancer, to the swinging ragtime of the American jazz age, tap dancing has evolved into a unique blend of cultural expression, improvisation and creativity, open to all ages and abilities. With clear step-by-step instructions, *The Essential Guide to Tap Dance* covers basic steps such as the shuffle, pick up and paddle, before building these into traditional combinations such as the time step and shim sham. Additional material includes the history and development of tap dancing; rhythm and musicality; learning the language of tap dancing; the role of improvisation and choreography and finally, the basic steps to advanced techniques. This is the perfect companion to instruct the beginner tap dancer and expand the more experienced dancer's technique, offering full-colour pictures, helpful instruction and essential notes on this vibrant and accessible dance form. Illustrated throughout with 138 colour photographs and line artworks.

*Rap a Tap Tap* Leo Dillon, Diane Dillon, 2002 In illustrations and rhyme describes the dancing of Bill Bojangles Robinson, one of the most famous tap dancers of all time. A brief Afterword outlines his career.

Tap Dance for Fun Hermine Elizabeth Sauthoff, 1941

*Tappin' at the Apollo* Cheryl M. Willis, 2016-02-23 In the 1920s and 1930s, Edwina Salt Evelyn and Jewel Pepper Welch learned to tap dance on street corners in New York and Philadelphia. By the 1940s, they were Black show business headliners, playing Harlem's Apollo Theater with the likes of

Count Basie, Fats Waller and Earl Fatha Hines. Their exuberant tap style, usually performed by men, earned them the respect of their male peers and the acclaim of audiences. Based on extensive interviews with Salt and Pepper, this book chronicles for the first time the lives and careers of two overlooked female performers who succeeded despite the racism, sexism and homophobia of the Big Band era.

*Brotherhood in Rhythm* Constance Valis Hill, 2002 Tap dancing legends Fayard (b. 1914) and Harold (1918-2000) Nicholas amazed crowds with their performances in musicals and films from the 30s to the 80s. They performed with Gene Kelly in *The Pirate*, with Cab Calloway in *Stormy Weather*, with Dorothy Dandridge (Harold's wife) in *Sun Valley Serenade*, and with a number of other stars on the stage and on the screen. Author Hill not only guides readers through the brothers' showstopping successes and the repressive times in which their dancing won them universal acclaim, she also offers extensive insight into the history and choreography of tap dancing, bringing readers up to speed on the art form in which the Nicholas Brothers excelled.

**Tap!** Rusty E. Frank, 1990 Presents the voices and memories of thirty American tap dance stars, and includes a comprehensive listing of tap acts, recordings, and films

*Tap Dance* Trina Marx, 1983 Photos and instructions illustrate basic tap movements and advanced steps. Includes interviews with tap artists.

**Newsies** Harvey Fierstein Alan, 2015-07-26

Tap! Rusty Frank, 1995-03-22 If you like tap dancing and tap dancers--this is your book.--Gene Kelly From the vaudeville era, through the Astaire-Rogers movies, to the intricate artistry of bebop, tap has dominated American dance with its rhythm, originality, and humor. This book collects the voices and memories of thirty of America's best-loved tap-dance stars and two hundred rare theater, film, and publicity photographs. Here Shirley Temple recalls her magical duo with Bill Bojangles Robinson; Fayard Nicholas describes his days at Harlem's Cotton Club performing with Cab Calloway; Fred Kelly visits his and his brother Gene's Pittsburgh dance studio; Hermes Pan reminisces about his work with George Gershwin, Ginger Rogers, and Fred Astaire; and, in a chapter new to this edition, Toy and Wing tell about their days as the world's leading Asian tap duo. Appended with the most comprehensive listing of tap acts, recordings, and films ever compiled--newly updated for this paperback edition--*Tap!* brings to life the legends of one of America's most cherished and enduring art forms. Foreword by Gregory Hines

*Gotta Dance!* Jenai Cutcher, 2003-12-15 Explores the history of jazz and tap dancing, what is involved in becoming a dancer, and what to look for when watching a jazz or tap dancing performance.

**Tap Dance Fundamentals** Colleen N. West, 2007

Tap Dancing Robert Audy, 1976 Published in 1976 by Vintage Books, Robert Audy's *How to Teach Yourself to Tap* has plenty of pictures of Robert Audy and a female partner. At 28cm x 21.5cm, this soft cover book with 116 pages is kind of big for an instructional book. Mr. Audy and his publisher went all out. Typical basic steps sometimes get two full pages of photos that attempt to illustrate how to do that particular step. The Robert Audy Method This book is designed very nicely for beginners with lots of pictures and a simple straight forward layout. Still, it's pretty difficult to learn to dance from a book, so in at least three instances I found that a routine presented in this book was carried over to one of Robert Audy's tap dance records. Cross promotion. Good marketing skills. The book presents the steps used by Gene Kelly during *Singin' In The Rain*, by Fred Astaire for *Stepping Out With My Baby* and by Ann Miller for *That's Entertainment*. These three tunes are featured in Robert Audy's record *Tap Dancing For Beginners*, also released in 1976.--Description taken from Shinichi Matsumoto's *Tap Wonderland*.
