Central Minnesota Beer Jacob Laxen, 2020-07-20 German immigrants settling in Central Minnesota in the early 1800s built a thriving brewing culture. While Prohibition destroyed these early beer empires--like the St. Cloud Brewing Company and New Munich's Pitzl Brewing--the Cold Spring Brewing Company survived various reincarnations and financial crises to brew continually at the same spot since 1874. In recent years, the craft beer boom added medals and new chapters to a saga that includes Prohibition brawls, a New Deal project, the famous Billy Beer, Elvira's personal brand and a multistate brewpub chain. The rise of taproom culture throughout the region has given new identities to St. Cloud, St. Joseph, Annandale, Big Lake and more. Beer writer Jacob Laxen presents this definitive take on the region's rich brewing history.

Pilsner Tom Acitelli, 2020-08-04 Best Book at the North American Guild Beers Writers

Effervescent and informative . . . This chronicle will intoxicate both beer nerds and history buffs. —Publishers Weekly A book for both the beer geek and the foodie seeking a better understanding of modern food and drink On the night of April 17, 1945, Allied planes dropped more than a hundred bombs on the Burghers' Brewery in Pilsen, Czechoslovakia, destroying much of the birthplace of pilsner, the world's most popular beer style and the bestselling alcoholic beverage of all time. Still, workers at the brewery would rally so they could have beer to toast their American, Canadian, and British liberators the following month. It was another twist in pilsner's remarkable story, one that started in a supernova of technological, political, and demographic shifts in the mid-1800s and that continues to unfold today anywhere alcohol is sold. Tom Acitelli's *Pilsner: How the Beer of Kings Changed the World* tells that story, shattering myths about pilsner's very birth and about its immediate parentage. A character-driven narrative that shows how pilsner influenced everything from modern-day advertising and marketing to immigration to today's craft beer movement.
