Animal Magic Gordon Smith,2022-06-21 World-famous medium Gordon Smith is well known for giving powerful messages from people's loved ones on the other side. Very often it's not just human friends and family who come through - the animals who have been close to us in life also continue to visit us after death. In this extraordinary book, Gordon recounts some of the remarkable experiences that people have had with animals in the spirit world and in our world. They include moving accounts of dogs who know intuitively when their owners are coming home, pets who saved their owners' lives and animals who have found ways of proving they are still with their families after death. Throughout the book, Gordon shares his own experiences with his springer spaniel 'Cheeky' Charlie, who came into his life unexpectedly, completely overturning it and showing Gordon the beauty of trust, patience and unconditional love. Through these amazing stories, Gordon shows just how deeply animals care for their human families and the profound understanding they have of the world around them. This is a repackaged of *The Amazing Power of Animals* (978-1-4019-2325-9)

10 Days in December Eleanor Deckert,2015-10-14 I want to get married,go out west, build a log cabin,raise a bunch of kids,volunteer in my community, and then write a book about it. In 1978, during a golden age of middle-class prosperity, newly wed Kevin and Eleanor, like other young people at the time, felt the irresistible pull of the Back-to-the-Land movement and left behind everything they knew and loved to live far from the city and off the grid. As they searched western Canada for a place to settle, abandoned homesteads warned that their dream would be hard won. 10 Days in December journals Kevin and Eleanor's adventures living for the first ten days in their wilderness cabin facing the demands of winter, where harsh reality and self-denial test their love and commitment. Along the way practical Kevin and idealistic Eleanor will learn if they have what it takes to live in the mountains and with each other. Eleanor shares her true 'coming-of-age' story exploring what resources from her sheltered childhood could help her endure the isolation, cold and darkness of this northern river valley.
