The Zero-Waste Chef Anne-Marie Bonneau,2021-04-13 *SHORTLISTED for the 2021 Gourmand World Cookbook Award* *SHORTLISTED for the 2022 Taste Canada Award for Single-Subject Cookbooks* A sustainable lifestyle starts in the kitchen with these use-what-you-have, spend-less-money recipes and tips, from the friendly voice behind @ZeroWasteChef. In her decade of living with as little plastic, food waste, and stuff as possible, Anne-Marie Bonneau, who blogs under the moniker Zero-Waste Chef, has preached that zero-waste is above all an intention, not a hard-and-fast rule. Because, sure, one person eliminating all their waste is great, but thousands of people doing 20 percent better will have a much bigger impact. And you likely already have all the tools you need to begin. In her debut book, Bonneau gives readers the facts to motivate them to do better, the simple (and usually free) fixes to ease them into wasting less, and finally, the recipes and strategies to turn them into self-reliant, money-saving cooks and makers. Rescue a hunk of bread from being sent to the landfill by making Mexican Hot Chocolate Bread Pudding, or revive some sad greens to make a pesto. Save 10 dollars (and the plastic tub) at the supermarket with Yes Whey, You Can Make Ricotta Cheese, then use the cheese in a galette and the leftover whey to make sourdough tortillas. With 75 vegan and vegetarian recipes for cooking with scraps, creating fermented staples, and using up all your groceries before they go bad--including end-of-recipe notes on what to do with your ingredients next--Bonneau lays out an attainable vision for a zero-waste kitchen.

Hot Target Suzanne Brockmann,2005-11-29 Bestselling author Suzanne Brockmann knows exactly what makes hearts race and pulses pound: peril and passion. No one succeeds more brilliantly at blending these exhilarating elements in breathtaking novels of men and women forced to grapple with the deepest emotions and the highest risks. And there’s no better proof than Hot Target. Like most men of action, Navy SEAL Chief Cosmo Richter never learned how to take a vacation. So when he finds himself facing a month’s leave, he offers his services to Troubleshooters Incorporated. Founded by a former SEAL, the private-sector security firm is a major player in the ongoing war against terrorism, known for carrying out covert missions too volatile for official U.S. military action. But the first case Richter takes on is anything but under the radar. High-profile maverick movie producer Jane Mercedes Chadwick hasn’t quite completed her newest film, but she’s already courting controversy. The World War II epic frankly portrays the homosexuality of a real-life hero—and the storm of advance media buzz surrounding it has drawn the fury of extremist groups. But despite a relentless campaign of angry E-mails, phone calls, and smear tactics, Chadwick won’t be pressured into abandoning the project. Then the harassment turns to death threats. While the FBI appears on the scene, nervous Hollywood associates call in Troubleshooters, and now Chadwick has an army of round-the-clock bodyguards, whether she likes it or not. And she definitely doesn’t. But her stubbornness doesn’t make FBI agent Jules Cassidy’s job any easier. The fiercely independent filmmaker presents yet another emotional obstacle that Cassidy doesn’t need—he’s already in the midst of a personal tug-of-war with his ex-lover, while fighting a growing attraction to Chadwick’s brother. Determined to succeed—and survive—on her own terms, Chadwick will face off with enemies and allies alike. But she doesn’t count on the bond she forms with the quiet, capable Cosmo Richter. Yet even as their feelings bring them closer, the noose of deadly terror all around them draws tighter. And when all hell erupts, desire and desperate choices will collide on a killing ground that may trap them both in the crossfire.
