**The Tarot of Creativity Little White Book** Aliyah Marr, 2015-03-23 The Companion Guide to The Tarot of Creativity, \* a Modern Tarot Deck by Aliyah Marr With a brief, easy to understand style, this guide correlates each card with its deeper numerological meanings, and the relationships of the cards with each other. Use with The Tarot of Creativity or use in conjunction with any other Tarot deck to give insight on the cards and on your readings. INTRODUCTION The Tarot of Creativity is the second Tarot deck that I have created; it was designed to be very easy to use. The card titles took a full two years to determine, as I wanted a deck that respected the ancient knowledge of numerology and Tarot symbology, while enabling more positive, practical, and modern interpretations. HOW TO USE THIS EBOOK Traditionally, the booklet included with most Tarot decks was a tiny book the size of the deck or the size of the box it shipped in. As a little stapled booklet, it was usually limited to a few pages with cryptic keywords for most of the cards that didn't really serve to illuminate the imagery or titles. One of the most arcane and difficult Little White Books I have ever tried to read was written by A. E. Waite for the Rider Waite Smith deck. The card descriptions seemed to have little to do with the import of the deck, and distracted from the meanings rather than adding to them. This book was created to be the companion guide for The Tarot of Creativity. I wanted to avoid the issues I found in most Little White Books. This book serves the following three purposes: 1. It is intended to be a small guide in the form of an actual printed book (or eBook) that you can take with you as a quick guide for The Tarot of Creativity. The eBook version of this guide is included with every deck sold from the author. This version can easily be put on any device such as a tablet, computer or even on your phone. 2. The brief meanings for the cards enable the reader to engage their personal intuition. 3. It teaches how to read Tarot using numerology and how to use the energy of the suits for creative thinking. Tarot by the Numbers The Tarot of Creativity was designed to align with the ancient art of numerology. To use this book properly, it is important to look first at the number of the card. I have organized the information in this book by sections, each section contains all the cards for that number, starting with the Major Arcana card, and then proceeding through the equivalent card in each suit. If You Want To Learn Tarot I have written another book, The Tarot Key, Unlock the Secrets to Your Soul, which is intended to be a guide for learning the Tarot, as well as being a reference tool for the more experienced or professional reader. The Tarot Key is intended to be the only tarot guide you will ever need and includes extensive descriptions of all the cards in both the Rider Waite Smith Tarot and The Tarot of Creativity. The Tarot Key introduces a blended technique for learning and reading the cards that I call the SEER System (TM). \* The Tarot of Creativity is available direct from the artist / author's website: [www.parallelmindzz.com](http://www.parallelmindzz.com) -:-:- The Tarot of Creativity, Aliyah Marr, Aliyah Marr's Tarot Decks, Learn to Read Tarot, Tarot guide, guide to the Tarot, Earth-Based Religions, Celtic New Age and Spirituality, Channeling, Goddesses, Meditation, Mental and Spiritual Healing, Mysticism, New Thought, Self-Help, Theosophy, Inner Child, Earth-Based Religions Celtic Divination, Fortune Telling, New Age Divination, Magick Studies, Jung Psychology, Numerology Fortune Telling, Occult Alchemy Theosophy, Meanings of Dreams, Dream Interpretation, Divination Tarot, Reading Tarot Cards, Learn How to Read Tarot
