Tarot in Love Elliot Adam, 2023-01-08 Get Rid of Fear and Uncertainty in Romance Readings How does he really feel about me? When is she coming back? Why won't these cards let me see into their mind? Sound familiar? You're not alone. Love is the most common topic in tarot, and though it may seem daunting to interpret the cards, fear not. Elliot Adam is here to help you identify issues and uncover solutions, guiding you in both finding a partner and healing current relationships. In addition to interpreting tarot symbolism for matters of the heart, *Tarot in Love* provides a safe, compassionate space to explore some of your deepest vulnerabilities and learn more about yourself. Elliot presents all seventy-eight cards as love-based archetypes, explains what each one may be teaching you, and offers a variety of relationship-themed spreads. Filled with deep wisdom on reversals, significators, and more, this book gives you power and confidence in both your readings and love.

Tall Dark Stranger Corrine Kenner, 2005 For centuries, the love-struck, lovesick, and lovelorn have consulted the tarot—a tradition still thriving today. *Tall Dark Stranger* makes it easy for anyone to explore matters of the heart through tarot. Corrine Kenner's tour of the tarot begins with its colorful, romantic history. She goes on to describe the deck itself—explaining its structure, suits, symbolism, archetypes, and astrological associations—while relating its special significance in love and relationships. The second part of the book is devoted to the nitty-gritty of tarot readings: choosing a deck,

preparing for a reading, asking appropriate questions, timing events, and interpreting cards and spreads. By the end of the book, readers will have a powerful edge in conquering the ever-mysterious ways of love.

Intuitive Love Tarot - Get Guidance & Answers on Dating, Marriage, Soulmates, Breakups, & More. Kelly Wallace, 2023-09-17 Are you trying to find your soulmate? At a crossroads in your current relationship? Wondering what lessons you and your partner need to learn? Wondering why a relationship ended? In need of some guidance and direction with your love life? The tarot will show you, without bias, where you're doing well, where you need to work on things, what's holding you back, and so much more. In fact, the cards can help you unlock just about any answer you're looking for. But what if you've never read the tarot before? Or what if you've only worked with your cards for a short while or are uncertain about the meanings? In this book, I'll cover how to use your intuition so you can do Love Readings for yourself or even others. (I offer traditional meanings at the end of the book too, just to offer a bit more guidance.) Something I love about the tarot is that no two people will see the cards in the same way. That's why tapping into your intuition is so important. Yes, you're going to interpret the cards based on your current hopes

and fears, your past and present, but as you go even deeper you'll reach your very soul where all of the guidance you need now or ever will need is unlocked.

Tarot Spreads for Love, Career and More Ian Eshey, 2014-03-07 Conversational, friendly, and fun, makes this book accessible to all levels of readers. Despite what you may have heard about tarot reading, you don't have to be psychic to do one. There are a few simple things you need to know to start doing readings for yourself and your friends in no time. (Table of Contents below) This book includes spreads that answer a variety of useful questions: - Simple spreads for beginners, including the one- and two- card spreads. - Popular spreads like Horseshoe and Celtic cross. - More specific spreads like Does he love me? and How to get my ex back. Spreads are easy to accomplish and include helpful pictures to give people more of an idea of what to focus on. But

this book is not only about spreads, it provides great advice with EXPLANATIONS AND EXAMPLES that show how something should be done and clarify what many people might have been doing wrong; e.g. framing questions correctly. Stories in the book are very relatable and show real people; how they are often not even aware of small items that actually create their problems. And the real life sample readings tie together everything that has been said. What other Tarot readers say about this book I really liked the book. You explain the layouts and how to tweak them very well and make it sound fun and simple. A really well written book that lays out a wonderful starting method with clear explanations. An excellent book for anyone curious about tarot cards to pick up. I love that you make this simple enough that someone who is just starting can easily create a spread. Daniels,2003-06-01 Our focus is on presenting material that soothes, stimulates, and awakens emotional and sexual understanding through learning and interpreting the Tarot, write the card reading husband and wife team in which they share more than a quarter century experience with the tarot and as life partners. Begin with the simple, yet never-before-written-about premise- every card and its reverse have romantic and sexual indications. And whether you're a newcomer to tarot, a longtime student, or somewhere in-between, Tarot d'Amour will unveil a whole new way to interpret the cards.

Tarot Made Easy Nancy Garen,2001-07-18 If you've ever been intrigued by the tarot but were confused by the complexities and vague interpretations given in most books—here is a simple and accurate guide to interpreting the tarot! With Tarot Made Easy you can easily interpret the meaning of any card and apply it to the particular circumstances of your life. With the simple process outlined here, you need only choose one tarot card and then consult one (or several) of the 32 categories listed under each card—including Romance, Travel,

Career, Finances, Friends, and Special Guidance—to discover the card's specific message for you. For example, if you want to know about your romantic future and the Queen of Cups turns up, you may find that the standard description given is an honest, devoted woman; loving intelligence and happiness. How should you interpret this? But with Tarot Made Easy, the Queen of Cups Romance category tells you that someone will enter your life in whom you will be very interested...and you will meet this person very close to your home, if not outside your front door. This easy but accurate system banishes the vague interpretations found in most books and gives you the immediate, specific insights you need.

Queering the Tarot Cassandra Snow, 2019-05-01
Tarot is best used as a tool for self-discovery, healing, growth, empowerment, and liberation. Tarot archetypes provide the reader with a window into present circumstances and future potential. But what if that window only opened up on a world that was white, European, and heterosexual? The interpretations of the tarot that have been passed down through tradition presuppose a commonality and normalcy among humanity. At the root of card meanings are archetypes that we accept without questioning. But at what point do archetypes become stereotypes? Humanity is diverse--culturally, spiritually, sexually. Tarot has the power to serve a greater population, with the right keys to unlock the tarot's deeper meanings. In Queering the Tarot, Cassandra Snow deconstructs the meanings of the 78 cards explaining the ways in which each card might be interpreted against

the norm. Queering the Tarot explores themes of sexuality, coming out, gender and gender-queering, sources of oppression and empowerment, and many other topics especially familiar to not-straight folks. Cassandra's identity-based approach speaks directly to those whose identity is either up in the air or consuming the forefront of their consciousness. It also speaks to those struggling with mental illness or the effects of trauma, all seekers looking for personal affirmation that who they are is okay.

Tarot Love Keera Ashton, 2017-06-19 On planet Earth, Granddad Badger, whose real name is Albert, discovers his astrology charts purpose when he discovers the ancient astrology and anthology occult book as an astronomer and scientist after he retires from the chief of police position. His best friend, Archangel Ariel, is on Earth to carry out Gods duties and responsibilities by stopping the bad spirits coming to Earth and taking over the newfound planeta flying planet when their other friend, Mr. Coldwater, and his hoard of cats begin to act suspicious. Granddad Albert and Flight Boss Archangel Ariel decide Mr. Coldwater can't be trusted. The bad spirits fail to use Mr. Coldwater and his devoted cats as a body vessel on Earth for long as they fight off the bad spirits with their unconditional love frequencies. Eventually, as the love and vibration frequencies take over the dark spirits and as darkness cannot attack light, the bad spirits had to find another way to possess the planet Earth. They knew the highly intelligent humans, even the cats and animals, proved too hard to possess by the bad spirits. They eventually

found their way into planet Earth's realm of reality in the form of an object—the robots' frequencies and vibrations that the humans thought they were creating. But it was a way for the robots possessed by bad spirits to take over Earth and create their own power and race. This is where Mr. Coldwater really comes through for his friends, Flight Boss and Granddad Albert. Mr. Coldwater knows what's going on, and he's the only one that knows how to stop his artificial solar system created by himself as a scientist to sustain Earth once the sun died. It was the only way to stop the robots from getting access in and attack the Butterfly Heaven planet where Flight Boss lives, and the possessed robots wanted to expand and take over many other planets and the human beings. Another book by the author is *Life in Retrograde*.

The Tarot Book of Love Amira Sloane, 2023-02-14
The most common questions people ask of their Tarot cards are ones about love and relationships. Why? The greatest thing in life is to love and be loved, but things don't always go according to plan. Sometimes a little guidance from your Tarot cards can help you and your partner get back on track or know when it's time to call it quits. Translating the traditional meanings of your cards into love-focused ones isn't always so simple, though. *The Tarot Book of Love* is here to help you make the connection and find the answers you're looking for.

Taking the Tarot to Heart Mark McElroy, 2005
Waiting for Prince Charming may not be an effective strategy for finding love, just as

ignoring relationship problems isn't always the best solution. Instead of letting chance rule romance, Mark McElroy suggests using the Tarot to improve your love life. No knowledge of the Tarot or belief in the supernatural is necessary. Anyone can use Taking the Tarot to Heart to take charge of their romantic destiny. For both singles and couples, this book provides Tarot spreads and exercises to answer questions like How can I find my soulmate? and How can I spice up my love life? Emphasizing the practical, not the mystical, McElroy demonstrates how easy it is to find creative solutions to relationship issues without bleeding the mystery and meaning out of romance.
