Tarot Card Meanings Kevin Hunter,2016-11-16 Tarot Card Meanings is an encyclopedia reference guide that takes the Tarot apprentice reader through each of the 78 Tarot Cards offering the potential general meanings and interpretations that could be applied when conducting a reading, whether it be spiritual, love, general, or work related questions. Many novices struggle with reading the Tarot as they want to know what a card can mean in their readings. They grow stuck staring at several cards sitting side by side having no idea what it could be telling them. The Tarot Card Meanings book can assist by pointing you in the general direction of where to look. It will not give you the ultimate answers and should not be taken verbatim, as that is up to you as the reader to come to that conclusion. The more you practice, read, and study the Tarot, then the better you become. Tarot Card Meanings avoids diving into the Tarot history, or card spreads and symbolism, but instead focuses solely on the potential meanings of a card in a reading. This is by giving you a structure to jump off of, but it is up to you to take that energy and add the additional layers to your reading, while trusting your higher self, intuition, instincts and Spirit team's guidance and messages. Author, Kevin Hunter, is a lifelong clairaudient and claircognizant who has written more than a dozen spiritually based empowerment books that have assisted readers around the world in improving their well-being, while also helping them become stronger conduits with Spirit, Heaven, and the Other Side. Anything included in the Tarot Card Meanings book is an overview and not intended to be gospel. It is merely one suggested version of the potential meanings of each of the 78 Tarot cards in a reading. This is an easy to understand manual for the Tarot novice that is having trouble interpreting cards for themselves, or a Tarot reader who loves the craft and is looking for a refresher or another point of view. NOTE: The Tarot Card Meanings book does not include a Tarot deck.
