Bagels With the Bards #13 Steve Glines,2019-09-25 The Bagel Bards (or Bagels with the Bards) (are) a group of poets varied in age, race, gender meet, share poems, discuss poetry, drink lots of coffee, chew a bagel if so desired, sometimes sell their books. The atmosphere is generous and open to all, and you don't have to be a poet to attend. What I find most exciting about the Bards, people here are not conscious of reputation and achievement, but love the poem and good friendly unpretentious talk. That doesn't mean that pretensions don't exist if that's what you desire, but the coffee is strong, the people sincere and are publishers of small press magazines, pamphlets and books. If you want to be in an atmosphere that is intelligent without self-involved, convoluted literary talk of people who need to prove themselves and announce themselves as artists, here is a place to and the pleasure that good literary company may offer. © Sam Cornish
