**Tax Act Tax Software 2018: Learning the Essentials** Dale Michelson, 2018-02-07 The collection of taxes by each state enables the actualization of significant development for the area as well as its citizens. This fundamental function resulted in the creation of a vast number of tax preparation software across the Continental United States. Among the largest growing of its kind is the Tax Act. This new software was created by TaxAct Inc and dates to the late 1990s, where it was founded by friends Lance Dunn, Alan Sperflage, Cammie Greif and Jerry McConnell. The company is now aligned with new parent company; Bluecora and is headquartered in Cedar Rapids, Iowa. Since its release to the public, the software has made strides and has new improvements added for the release of each new tax season. It is designed to enable users to enjoy features such as the free preparation of their federal tax return and filing taxes electronically. The software is currently available for use in all U. S. States as well as in Canada.

Service,2021-03-04 Employer's Tax Guide (Circular E) - The Families First Coronavirus Response Act (FFCRA), enacted on March 18, 2020, and amended by the COVID-related Tax Relief Act of 2020, provides certain employers with tax credits that reimburse them for the cost of providing paid sick and family leave wages to their employees for leave related to COVID-19. Qualified sick and family leave wages and the related credits for qualified sick and family leave wages are only reported on employment tax returns with respect to wages paid for leave taken in quarters beginning after March 31, 2020, and before April 1, 2021, unless extended by future legislation. If you paid qualified sick and family leave wages in 2021 for 2020 leave, you will claim the credit on your 2021 employment tax return. Under the FFCRA, certain employers with fewer than 500 employees provide paid sick and family leave to employees unable to work or telework. The FFCRA required such employers to provide leave to such employees after March 31, 2020, and before January 1, 2021. Publication 15 (For use in 2021)
