Wake Up to Hope Joel Osteen, Victoria Osteen, 2016-04-19 Start each day with a smile using the faith-filled Scripture, prayers, and readings in this uplifting devotional from Lakewood Church's Joel and Victoria Osteen. How you start the day often determines what kind of day you're going to have. When you wake up in the morning, it's easy to lie in bed thinking negative thoughts. You don't realize it, but that's setting the tone for a lousy day. In this devotional, Joel and Victoria Osteen offer an inspiring tool to help you set your mind for a positive, happy, faith-filled day. You will read Scripture, reflect on a daily reading, pray a special prayer, and meditate on a thought for the day -- all with a goal to starting the day off grateful, thinking about God's goodness, expecting His favor, and setting the tone for a blessed, productive day. Just a few minutes each morning can make a big difference. When you wake up to hope, you'll not only have a better attitude but you'll see more of God's blessings and favor.

Orange County Gustavo Arellano, 2008-09-16 Bestselling author of *¡Ask a Mexican!* Gustavo Arellano returns with *Orange County*, a seamlessly woven history of California's Orange County with Gustavo's personal narrative of growing up within its neighborhoods. The story began in 1918, when Gustavo Arellano's great-grandfather and grandfather arrived in the United States, only to be met with flying potatoes. They ran, and hid, and then went to work in Orange County's citrus groves, where, eventually, thousands of fellow Mexican villagers joined them. Gustavo was born sixty years later, the son of a tomato canner who dropped out of school in the ninth grade and an illegal immigrant who snuck into this country in the trunk of a Chevy. Meanwhile, Orange County changed radically, from a bucolic paradise of orange groves to the land where good Republicans go to die, American Christianity blossoms, and way too many bad television shows are green-lit. Part personal narrative, part cultural history, *Orange County* is the outrageous and true story of the man behind the wildly popular and controversial column *¡Ask a Mexican!* and the locale that spawned him. It is a tale of growing up in an immigrant enclave in a crime-ridden neighborhood, but also in a promised land, a place that has nourished America's soul and Gustavo's family, both in this country and back in Mexico, for a century. Nationally bestselling author, syndicated columnist, and the spiciest voice of the Mexican-American community, Gustavo Arellano delivers the hilarious and poignant follow-up to *¡Ask a Mexican!*, his critically acclaimed debut. *Orange County* not only weaves Gustavo's family story with the history of Orange County and the modern Mexican-immigrant experience but also offers sharp, caliente insights into a wide range of political, cultural, and social issues.

Six months ago, William stole Hanna's heart and shattered it in front of millions of people on a reality TV dating show. And now the big-wig CEO is back on Hanna's home turf in Minnesota and wants her to forgive him? Fat chance of that. But life is swirling around faster than snow in a blizzard, and despite her objections, teaming up with William seems like the only option to rescue her reputation. William has never regretted anything more than the day he gave that ill-fated interview for

the reality show, *The Price of Love*. But while he can't change the past, he's determined to fix the future. He just needs to convince Hanna to forgive him—and pretend to be engaged with him. Simple, right? When the media erupts with even worse accusations, teaming up and pretending to be engaged seems to be the only way to salvage their reputations. Despite the media frenzy that swirls around them, an attraction neither of them can fight off begins to surface. Could this love run deeper than a scandal, or will old wounds tear them apart once and for all? When all seems lost, it's only with help from above that Hanna and Will may find their happily-ever-after.

God Wants You Well Andrew Wommack, 2010-07-02 Health is something everyone wants. Billions of dollars are spent each year trying to retain or restore health. It is a basic desire of all mankind. Anyone who likes sickness must be mentally sick! Yet, religion has told us that God is the one who wants us sick. It even tries to make us believe that sickness is a blessing. That's just not...

The Wormwood Prophecy Thomas Horn, 2019-12-03 Does the Bible predict an asteroid...or something else? This book will challenge your interpretation of end-times theology and help you sharpen your understanding in light of current times. Does Revelation 8:10-11 describe an asteroid? Is the Wormwood star from Revelation 8 already headed toward Earth? Are NASA and high-level government officials aware of an asteroid that is on a collision course with our planet? Is that why President Trump sanctioned a colossal increase to planetary defense? Do the prophecies from ancient cultures and religions across the globe all point to a catastrophic planetary event that has scientists and politicians taking extreme preventative measures under the public radar? Earth is not currently prepared for the scope of impact that may be just around the corner, and people in high places know it... But what will the biblical Wormwood actually be? Traditional scholarly interpretation claims it will be an asteroid. Others postulate that the eschatological poisoning of one-third of all Earth's waters and the devastation of our planet's ecology might not be as detectable as we may believe: it could hit suddenly and without warning, like an angel of God appearing in the sky with fire and light, bringing judgment in an instant. Follow Thomas Horn as he blazes a trail through these questions and many others, posing answers that very few in the church today are willing to provide. **FEATURES AND BENEFITS:** Examines asteroid threats to Earth, including Apophis (named after the Egyptian god of chaos), which is a topic of serious discussion among experts in planetary defense Includes interviews with government impact specialists, scientists, Bible scholars, and prophecy experts

A Place Called Heaven Dr. Robert Jeffress, 2017-09-05 If any of us learned we were going to move to a foreign country, we'd do everything we could to learn about that place so that we'd be prepared when moving day arrived. As Christians, we know some day we will leave our familiar country and be united with God in heaven. And yet many of us know very little about this place called heaven. In this enlightening book, bestselling author Dr. Robert Jeffress opens the Scriptures to unpack ten surprising truths about heaven and explain who we will see there and how we can prepare to go there someday. Perfect for believers or skeptics who are curious about heaven.

That is why you must take ownership of your problems and open your heart to God. He will help bring light into darkness. If you can understand fear and how it operates, you can be free from it!

Brands of Faith Mara Einstein, 2007-09-14 In a society overrun by commercial clutter, religion has become yet another product sold in the consumer marketplace, and faiths of all kinds must compete with a myriad of more entertaining and more convenient leisure activities. *Brands of Faith* argues that in order to compete effectively faiths have had to become brands - easily recognizable symbols and spokespeople with whom religious prospects can make immediate connections Mara Einstein shows how religious branding has expanded over the past twenty years to create a blended world of commerce and faith where the sacred becomes secular and the secular sacred. In a series of fascinating case studies of faith brands, she explores the significance of branded church courses, such as Alpha and The Purpose Driven Life, mega-churches, and the popularity of the televangelist Joel Olsteen and television presenter Oprah Winfrey, as well as the rise of Kaballah. She asks what the consequences of this religious marketing will be, and outlines the possible results of religious commercialism - good and bad. Repackaging religion - updating music, creating teen-targeted bibles - is justifiable and necessary. However, when the content becomes obscured, religion may lose its unique selling proposition - the very ability to raise us above the market.

Jerusalem Rising Doug Hershey, 2021 Documented Proof of the Prophetic Promises of God Revealed Thousands of years ago, the prophet Zechariah foretold that the once-revered city of Jerusalem would again shake off its dust and be revived in peace and security. He predicted it would not only become a center of thriving life and seat of international influence but also the place where God himself will return to dwell. This stunning new photo-comparison book and follow-up to *Israel Rising* documents the long-awaited and ongoing restoration of a city set in the center of the nations (Ezekiel 5:5). From its famed walls and gates to the beloved Old City and the new city rising up around it, view some of the oldest photos of Jerusalem ever taken (starting in the 1840s) and see them re-created from the same perspective today-some for the first time ever. Author Doug Hershey and adventure-travel photographer Edden Ram gained exclusive access to storied vantage points to reshoot the exact angles of these stunning and seldom-seen historical photos. The result is an awe-inspiring and groundbreaking collection that will captivate hearts and reveal the accuracy of the prophet's words. The book also features fascinating insights into Jerusalem's first photographers and firsthand accounts from pilgrims, locals, and would-be conquerors that capture

the longing and desire for this treasured city, spanning almost 2,000 years. Indeed, the reawakening of the City of Peace is at hand.

The Hillsong Movement Examined Tanya Riches, Tom Wagner, 2017-11-02 This interdisciplinary volume brings together leading writers and thinkers to provide a critique of a broad range of topics related to Hillsong Church. Hillsong is one of the most influential, visible, and (in some circles) controversial religious organizations/movements of the past thirty years. Although it has received significant attention from both the academy and the popular press, the vast majority of the scholarship lacks the scope and nuance necessary to understand the complexity of the movement, or its implications for the social, cultural, political, spiritual, and religious milieus it inhabits. This volume begins to redress this by filling important gaps in knowledge as well as introducing different audiences to new perspectives. In doing so, it enriches our understanding of one of the most influential Christian organizations of the late 20th and early 21st centuries.

Seeking Allah, Finding Jesus Nabeel Qureshi, 2016-04-19 In Seeking Allah, Finding Jesus, now expanded with bonus content, Nabeel Qureshi describes his dramatic journey from Islam to Christianity, complete with friendships, investigations, and supernatural dreams along the way. Providing an intimate window into a loving Muslim home, Qureshi shares how he developed a passion for Islam before discovering, almost against his will, evidence that Jesus rose from the dead and claimed to be God. Unable to deny the arguments but not wanting to deny his family, Qureshi struggled with an inner turmoil that will challenge Christians, Muslims, and all those who are interested in the world's greatest religions. Engaging and thought-provoking, Seeking Allah, Finding Jesus tells a powerful story of the clash between Islam and Christianity in one man's heart and of the peace he eventually found in Jesus. I have seldom seen such genuine intellect combined with passion to match ... truly a 'must-read' book.—Ravi Zacharias
