Teddy Bear of the Year Vikki VanSickle, 2020-01-21 The teddy bears' picnic gets a modern twist in this warm and fuzzy picture book about a young teddy bear who learns that small acts of kindness can make a big difference. Ollie is a regular bear with a regular job. He listens to his girl's stories about her days, he snuggles her to sleep and he is there waiting when she gets home from school. Just your typical teddy bear stuff. So when he is whisked away to the annual teddy bears' picnic, he feels insignificant compared to the other bears who do daring and daunting things: sleepovers, hospital stays--even a night in the lost and found! After small talk with a regional stuffing manager, a department of cuddling official and a stitchery inspector; a stop at the snack table; and even some team building activities, it's time for the teddy bear service awards . . . and Ollie feels even more small and unimportant. But he soon learns that it's not just the big things that matter, it's the little things too. While parents will love the tongue-in-cheek office-party details, kids and parents alike will fall in love with Ollie: a sweet bear who discovers that his love for his girl makes him very special indeed.

Spark and the League of Ursus is the perfect bedtime adventure, with a fierce, fluffy hero you'll want by your side when the lights go out."—Kirsten Miller, New York Times bestselling co-author of *Nightmares!* Toy Story meets *Stranger Things* in this epic tale of warrior teddy bears and the children they protect. Spark is not your average teddy bear. She's soft and cuddly, sure, but she's also a fierce warrior. At night she fulfills her sacred duty: to protect the household from monsters. But Spark's owner Loretta is growing up and thinks she doesn't need her old teddy anymore. When a monster unlike any other descends on the quiet home, everything changes. Children are going missing, and the monster wants Loretta next. Only Spark can stop it. She must call upon the ancient League of Ursus—a secret alliance of teddy bears who are pledged to protect their human friends. Together with an Amazon-princess doll and a timid sock monkey, the bears are all that stands between our world and the one that lies beneath. It will be a heroic chapter in the history of the League . . . if the bears live to tell the tale. The adventure continues in *Spark and the Grand Sleuth*

The Legend of Theodore E. Bear Annette Parkhurst, 2019-08-13 When God created the world there was a canopy covering the Earth. Before Noah and the Flood, people and animals lived hundreds of years because there was less radiation coming through the atmosphere, troposphere, stratosphere, mesosphere, and all the spheres around the Earth protecting us from outer space. Theodore E. Bear, or "Teddy," as he was lovingly called, was created by God and asked to protect children. As a creation of God, he could not live forever. When he was in his 500th year of life, God saw the beloved Teddy slowing down, but never

tired by his work with children. Instead of scampering like a cub, he sauntered like a stately elder statesman, wearing a plaid vest and sporting a lovely cane, made for him by one of his friends, generally one of the Beaver's. God called to Teddy to chat and asked him to help to create a stuffed teddy bear. This was a very special moment for Theodore. He knew God didn't need his help, but he was with Him, 'as a master craftsman at His side, and daily His delight.' (Proverbs 8:30) They worked together and created a new Teddy Bear who would be given to children by their Mommy's and Daddy's who remembered their own Teddy. God and Teddy knew the new Teddy Bear they had made was perfect. God made sure the bear was huggable and able to last through the years of childhood and beyond with a smile that never wavered. We hope you enjoy The Legend of Theodore E. Bear and love your own Teddy.
