The Golden Tap - The Inside Story of Hyper-Funded Indian Start-Ups Kashyap Deorah, 2015-11-16

Ever wondered why global investors are willing to write million dollar cheques to young and inexperienced entrepreneurs? Why companies are no longer judged on their ability to make profits? Why the valuation of a startup can dwarf that of its well-established counterpart? Is it a bubble? Or have the rules of the game changed? Can these hyper-funded; technology driven companies become global superpowers? Or is it an unsustainable phenomenon? The Golden Tap gives you the answers. In a remarkably honest, no holds barred account; Kashyap – himself a serial entrepreneur – demystifies the technology ecosystem that exists in India today. From the origins of Amazon and Google, to the remarkable growth of Flipkart and Ola, he meticulously plots and chronicles a connected global sequence of events. Set in this background he recounts his personal roller coaster of a life. A story filled with ambition, greed, vanity, fear and success that all young entrepreneurs can relate to. Is this the business model of the future? Or merely a game of poker played by master investors? The answers pour out of The Golden Tap.

Let Love Take Over Tomson Robert, 2021-07-09 “Josh, so you see, battles are not won with weapons, but with faith and courage. Someday you would grow up and become a hero, like David.” Joshua decided never to be a hero again after the tragedy from his teenage days. The demons of his past profoundly affect his present and he stops taking charge of his life. Be it his toxic boss Mayur who exploits him and his friends, or the challenges his wife encounters, he is unable to take a stand for his loved ones. His fears even wreak havoc on his beautiful marriage with Susan. Will he find his redemption? How will he save his

marriage and win back her love? Let Love Take Over is a riveting story of true love which overcomes all adversities, and challenges the notion of a 'hero'.

Railway Babu: My Father Satya P. Sharma, 2016-03-29
A deeply moving account of a man full of contradictions, a saint during the day, an animated "monster" at night, a highly conflicted individual who loved all his kids but did not have the resources to provide them what they needed. A man who is tormented by the usurpation of his patriarchal authority, who finds comfort in cajoling his cow to deal with his emotions. A man who wants to live but cannot as death takes him away at the prime of his life.

Method in the Madness Parameswaran Iyer, 2021-01-31
Parameswaran Iyer, former Secretary to the Government of India, is best known for leading the implementation of the Swachh Bharat Mission (SBM) - Prime Minister Narendra Modi's flagship programme, which became the world's largest sanitation revolution. But Iyer is not your typical bureaucrat. With a far-from-usual career combining two distinguished tenures in the government and an eventful stint outside it, he likes to describe himself as an uncommon 'Insider-Outsider-Insider'. In *Method in the Madness*, he reflects on the unique path he chose - from cracking the IAS to becoming a globe-trotting World Bank technocrat, to playing the role of a coach to his professional tennis-playing children, to finally returning to India and implementing the SBM. Written with humour and wisdom, this is an inspiring read full of key management insights, practical career advice, and valuable life lessons that will resonate with readers across age groups and professions.

You Are My Love Forever Amit Nangia, 2021-07-09 'You don't love someone because they're perfect; You love them despite the fact that they're not.' TARUN has built himself from scratch, after beating all odds. He has one strict policy – to stand up against bullies and help people, especially girls. NEHA has started her life afresh in Shimla. No one in the small town knows her, or her painful secret. Her past has taught her to live a life of caution. Destiny brings them together, but their deep-seated fears constantly stop them from embracing each other. Will life give them a second chance? Will their unconditional love heal them? Set against the stunning backdrop of Shimla, *You Are My Love Forever* is a charming, heart-warming and irresistible story of the power of true love.

A brush with Mr. Naipaul Suresh

Subrahmanyam, 2018-11-13 Suresh Subrahmanyam draws freely from his life experiences to present this compendium of acutely observed columns. His métier, humour and satire, and his abiding love for the English language, resonate on every page. He delves nostalgically into his childhood, ruminating on, among other things, boarding school escapades and a wide spectrum of music that saturates his life. He paints a vivid portrait of India's contrariness with a light brush, warts and all. Politics, sport, the arts, current affairs and selective autobiography – they are all grist to the author's mill. As he himself says, 'I write for fun. If the reader is amused, it's a bonus'. Suresh Subrahmanyam is refreshingly different from others of his ilk. He is known for his eclectic tastes, partial to wit and satire, a cricket tragic (in Aussie parlance) and an aficionado of music of varied genres. Small wonder that he has been a regular columnist in leading newspapers. His writings, covering a wide range of subjects, come as a breath of fresh air. This delightfully humorous collection of

his choicest columns, impeccably written, will lift the reader's spirits. N. Murali Chairman, Kasturi and Sons Ltd (Holding company of The Hindu Group) and President, The Music Academy

Loving My Gay Child Sushma Agarwal, 2015-07-23

Like many parents, Sushma and Vijay Agarwal expected both of their sons to grow up, marry a lovely girl, and raise a family. When their younger son told them in 2004 that he was gay, Sushma was devastated. She wanted to know why this had happened to her family, who was to blame, and

what she should do next. To come to terms with her son's sexual orientation, she began to educate herself about homosexuality, a topic that Sushma had no exposure to. She went to counseling and attended PFLAG (Parents and Friends of Lesbians and Gays) meetings. After much soul searching and many conversations with her son, husband, and others, Sushma accepted her son for who he was. In *Loving My Gay Child*, Sushma reveals how she came to terms with her son's orientation, shared the news with friends and family, and finally threw a beautiful traditional gay Hindu wedding for her son and his fiancé.

Chronicles of a Reluctant Immigrant Raj

Pandya, 2015-01-29 This autobiographical journey is a multi-dimensioned narrative encompassing a number of distinct though interwoven themes. It is a coming of age story of a boy (Raj) from an obscure small town in India born and raised in an orthodox Hindu family. It is a love story that spans distant continents and different cultures. It is a story of a mixed race and cross-cultural marriage played out in the East and the West. It is a commentary about the history and culture of the people and places the protagonist encounters over the journey and the times he lives through. Finally, it is the story of a well-educated man who is frustrated and disheartened because he is unable to find professional fulfillment in his country of birth, and reluctantly looks to the West for better opportunities, where he finally succeeds in salvaging his moribund professional career and in earning the recognition he deserves. The narrative would tickle the imagination of readers; it would enhance their understanding of diverse cultures and it would nudge them to empathize with the protagonist's dilemmas as he navigates through the social and cultural landscapes of the East and the West.

Gus Hornsby's Gamble Larry LaTourette, 2023-07-06

In the 1870s, Gus Hornsby spread the game of American football around the world like an evangelist and helped establish it in the U.S. heartland. Hornsby seemed destined for greatness as a journalist, inventor, explorer and entrepreneur. His arrogance, greed and an intractable gambling addiction, however, drove him to criminality and cast him into obscurity. But this public ruin led to his greatest accomplishment in prison: personal redemption. Surprisingly, Hornsby's meteoric rise and fall intersected with towering influencers of the time, including the women and men who would pioneer the first-wave feminist movement in the United States. This book explores their unexpected connections and interweaves their stories--along with details of the first American football game in the Midwest--to reveal elements of a pivotal moment in American history, both in feminism and sports. More than a biography of a person, it is a story about America--brash, imaginative and seemingly limitless in resources and creativity, but overly self-assured and wildly reckless.

The MBA Mindset Prashant Navin Gupta, 2023-04-18
Elevate your B-school journey; transform your career
Hundreds of thousands of students take admissions in business schools with a dream of creating a rewarding career. This dream often gets shattered because B-schools solely focus on providing business adroitness, often ignoring other critical skills. Moreover, students chase wrong goals, take unwise career decisions, and end up moulding a dissatisfying career filled with regrets. The MBA Mindset will enable you to optimise your B-school journey, extract maximum value from an MBA, and eventually build a fulfilling career. It will guide you towards the most critical steps in your MBA journey: • Nurturing your MBA aspirations and cracking the B-school admissions • Laying out a plan for your B-school journey •

Selecting the apt MBA specialisation • Building a personal brand and networking effectively • Making the best use of internships, projects, and corporate competitions •

Grabbing the best offers from your dream firm •

Continuing to learn after graduating to achieve sustainable success This witty and informative compendium, scattered with real-life instances, will send you rolling on the floor laughing and help you craft a meaningful career during your B-school sojourn.

New Delhi ,1980

Liar's Poker Michael Lewis,2010-03-15 The time was the 1980s. The place was Wall Street. The game was called Liar's Poker. Michael Lewis was fresh out of Princeton and the London School of Economics when he landed a job at Salomon Brothers, one of Wall Street's premier investment firms. During the next three years, Lewis rose from callow trainee to bond salesman, raking in millions for the firm and cashing in on a modern-day gold rush. Liar's Poker is the culmination of those heady, frenzied years—a behind-the-scenes look at a unique and turbulent time in American business. From the frat-boy camaraderie of the forty-first-floor trading room to the killer instinct that made ambitious young men gamble everything on a high-stakes game of bluffing and deception, here is Michael Lewis's knowing and hilarious insider's account of an unprecedented era of greed, gluttony, and outrageous fortune.

Harrington on Hold 'em Dan Harrington,Bill Robertie,2004 Provides poker strategies for every phase of tournament play, covering the early phase where the

stakes are small to later tactics such as bluffing, flops, scare cards, playing shorthanded, loose games, and endgame play.

When the Balls Drop Brad Garrett, 2015-05-05 An honest look at life's second half from Everybody Loves Raymond TV sitcom star and comic Brad Garrett--

The War on Normal People Andrew Yang, 2018-04-03 The New York Times bestseller from CNN Political Commentator and 2020 former Democratic presidential candidate Andrew Yang, this thought-provoking and prescient call-to-action outlines the urgent steps America must take, including Universal Basic Income (UBI), to stabilize our economy amid rapid technological change and automation. The shift toward automation is about to create a tsunami of unemployment. Not in the distant future--now. One recent estimate predicts 45 million American workers will lose their jobs within the next twelve years--jobs that won't be replaced. In a future marked by restlessness and chronic unemployment, what will happen to American society? In *The War on Normal People*, Andrew Yang paints a dire portrait of the American economy. Rapidly advancing technologies like artificial intelligence, robotics and automation software are making millions of Americans' livelihoods irrelevant. The consequences of these trends are already being felt across our communities in the form of political unrest, drug use, and other social ills. The future looks dire-but is it unavoidable? In *The War on Normal People*, Yang imagines a different future--one in which having a job is distinct from the capacity to prosper and seek fulfillment. At this vision's core is Universal Basic Income, the concept of providing all citizens with a guaranteed income--and one that is rapidly gaining popularity among forward-thinking politicians and economists. Yang proposes that UBI is an essential step

toward a new, more durable kind of economy, one he calls human capitalism.
