Teeth of the Fog Peter Shaw,2012-09-25 London, 1988 - Alex Spector is an American college student spending his junior year abroad in London to study anthropology, play rugby and try as much English ale as he can. His plans take a dark and bizarre turn as he witnesses a man leaving the scene of a grisly murder of an Indian man in Regents Park. The victim had been robbed, strangled, mutilated and buried. The press bills the murder as a hate crime and the South Asian community is terrified. Legendary homicide detective Ward Atkinson at New Scotland Yard is assigned to the case and under immediate pressure from Police Commissioner Dooley to tie things together quickly and

neatly. Few clues emerge and the investigation stalls, but while researching for a term paper, Alex uncovers similarities between the recent murder and ritual killings from pre-colonial India. He and his friends Anil and Bizzie start their own investigations, and when they think they have solved the case, he reaches out to Ward. Alex and Ward join forces, but it quickly becomes clear that their lives are becoming imperiled by unseen forces as seemingly random violence affects them and their close friends. As the fog of darkness, deceit and murder stretches to Oxford, Edinburgh and Belfast, it threatens to envelope them both.

Tourism and Development Richard Sharpley, David J. Telfer, 2002 This text explores the role of

tourism as a potential contributor to socio-economic development in destination areas. Establishing a link between tourism studies and development studies, it considers what is meant by development, the processes through which development may be achieved and, in particular, a number of fundamental issues related to the use of tourism as a development agent. In so doing, it challenges conventional thinking about the relationship between tourism and development.

Fore Play Linda Sheehan, 2022-04-07 Fasten your seatbelts for a rollicking ride with more twists and turns than a bowl of pretzels. L.A.'s historic Bellstone Country Club is famous for its star-studded membership, championship golf course, and glamorous parties. Here, sexy golfer Mandy Manville is expected to win the club's Women's Golf Championship, which will qualify her to tee it up with legendary golfers in Scotland's Cialis Open. But when ex-college star golfer Jody Benson joins the club, Mandy's beautifully manicured nails become claws as she stops at nothing to keep the newcomer from entering the tournament. Meanwhile, the Bellstone president's bet on an upcoming heavyweight fight could cause an already struggling club to go bust. Add in a corrupt priest with a free membership,

a down-and-out ex-movie star working as a caddy, an LAPD cop on the take, a pregnant stripper on the hunt for her baby's daddy, and you'll find yourself laughing, hooting, booing, cheering, and maybe even taking up golf!
