How to Be Alone Lane Moore,2018-11-06 The former Sex & Relationships Editor for Cosmopolitan and host of the wildly popular comedy show Tinder Live with Lane Moore presents her poignant, funny, and deeply moving first book. Lane Moore is a rare performer who is as impressive onstage—whether hosting her iconic show Tinder Live or being the enigmatic front woman of It Was Romance—as she is on the page, as both a former writer for The Onion and an award-winning sex and relationships editor for Cosmopolitan. But her story has had its obstacles, including being her own parent, living in her car as a teenager, and moving to New York City to pursue her dreams. Through it all, she looked to movies, TV, and music as the family and support systems she never had. From spending the holidays alone to having better “stranger luck” than with those closest to her to feeling like the last hopeless romantic on earth, Lane reveals her powerful and entertaining journey in all its candor, anxiety, and ultimate acceptance—with humor always her bolstering force and greatest gift. *How to Be Alone* is a must-read for anyone whose childhood still feels unresolved, who spends more time pretending to have friends online than feeling close to anyone in real life, who tries to have genuine, deep conversations in a roomful of people who would rather you not. Above all, it's a book for anyone who desperately wants to feel less alone and a little more connected through reading her words.

Tinder Love and Care Casandra Charles,2020-04-19 Jamie-now over thirty, single, healed and all settled into her new life-is slowly being pressured to start dating again, but after years of a negative dating past, she is slow to give it a try, especially since dating is not like it used to be. And as much as she thinks she's ready, something from her past reminds her she isn't, and the fear of failing yet again and settling in another relationship

starts clouding her better judgment, so no one fits the bill. Jamie-now uninterested and overwhelmed, with a short tolerance for the dating pool-quickly realizes life isn't much fun solo, so she explores online dating, but she is totally out of her league. Tender, Love and Care is all Jamie is truly looking for, but the road to finding balance and compatibility is challenging especially since men are wiser now and the dating game is at an all new level. She quickly tries to learn the dating games as she stays hopeful to a happily ever after. And as soon as she stops stressing, she meets RaShawn. RaShawn shares a similar story to Jamie, married his high school sweetheart, but later divorced after he found out she cheated on him. One would think two broken souls would provide comfort in one another, since the shoe is on the other foot, Jamie felt RaShawn's pain, but since he never healed from his breakup, it's more than Jamie can bear. Tinder, Love and Care is the final book in the Jamie Reynolds Chronicles as Jamie's quest to find balance and rise above the haters and naysayers as she reclaims her independence and her sanity. The Guyde Howie Reith,2016-11-19 The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the law of attraction. You won't be reading anecdotes telling you about my successes or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy romantic evenings and how to address problems like rude cancellations and ghosting. You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

After On Rob Reid, 2017-08-01 The definitive novel of today's Silicon Valley, After On flash-captures our cultural and technological moment with up-to-the-instant savvy. Matters of privacy and government intrusion, post-Tinder romance, nihilistic terrorism, artificial consciousness, synthetic biology, and much more are tackled with authority and brash

playfulness by New York Times bestselling author Rob Reid. Meet Phluttr—a diabolically addictive new social network and a villainess, heroine, enemy, and/or bestie to millions. Phluttr has ingested every fact and message ever sent to, from, and about her innumerable users. Her capabilities astound her makers—and they don't even know the tenth of it. But what's the purpose of this stunning creation? Is it a front for something even darker and more powerful than the NSA? A bid to create a trillion-dollar market by becoming "The UberX of Sex"? Or a reckless experiment that could spawn the digital equivalent of a middle-school mean girl with enough charisma, dirt, and cunning to bend the entire planet to her will? Phluttr has it in her to become the greatest gossip, flirt, or matchmaker in history. Or she could cure cancer, bring back Seinfeld, then start a nuclear war. Whatever she does, it's not up to us. But a motley band of Silicon Valley entrepreneurs, venture capitalists, and engineers might be able to influence her. After On achieves the literary singularity—fusing speculative satire and astonishing reality into a sharp-witted, ferociously believable, IMAX-wide view of our digital age. Praise for After On "Rob Reid's mind is like no other known thing in the universe, and this book is a truly spectacular way to discover it."—Chris Anderson, head of TED "An extended philosophy seminar run by a dozen insane Cold War heads-of-station, three millennial COOs and that guy you went to college with who always had the best weed but never did his laundry."—NPR "An epic cyberthriller peppered with pop-culture references, metadata, and Silicon Valley in-jokes."—Kirkus Reviews "It's rare to find a book that combines laugh-out-loud humor and cutting-edge science with profound philosophical speculation. This is that book."—Analog "[Rob Reid] writes in a humorous and sarcastic style while unveiling a terrifying and frightening scenario that seems all too real."—Associated Press
