John White, Jr.

Wimbledon Tennis Matthew Harper, 2014-06-24 Hi and a very warm welcome to Wimbledon Tennis. A Fascinating Book Containing Wimbledon Tennis Facts, Trivia, Images & Memory Recall Quiz: Suitable for Adults & Children. I'm one of those people who loves to hear about extraordinary facts or trivia about anything. They seem to be one of the few things my memory can actually recall. I'm not sure if it's to do with the shock or the WoW factor but for some reason my brain seems to store at least some of it for a later date. I've always been a great believer in that whatever the subject, if a good teacher can inspire you and hold your attention, then you'll learn! Now I'm not a teacher but the system I've used in previous publications on Amazon seems to work well, particularly with children. This edition includes a selection of those WoW facts combined with some pretty awesome pictures, if I say so myself! At the end there is a short True or False quiz to check memory recall and to help cement some of the information included in the book. Don't worry though, it's a bit of fun but at the same time, it helps to check your understanding. Please note that if you're an expert on this subject then you may not find anything new here. If however you enjoy hearing sensational and extraordinary trivia and you like looking at some great pictures then I think you'll love it. Matt.

The Tennis Quiz Book John White, Jr., 2005 If you tend to equate tennis with Wimbledon, then be prepared for a shock, as this quiz book's 1,500 questions will test your knowledge of the sport to its limit, covering Grand Slams, every Championship, Cup, and player you can think of, as well as rankings, nationalities, legends and past masters, the Olympic Games, records and general trivia. This book is designed to challenge even the most ardent fan, so don't

get overconfident if you seem to be serving a few aces and blasting back winners in the earlier sections, as you may find yourself serving double faults and hitting the net as you foot-fault your way through the final Experts segment. Whatever your interest in the game, this book is bound to stir up fond memories of many of the tennis greats and nail-biting matches that have crowded the sport's history, and it is as much a valuable source of facts and figures as it is an entertaining and challenging quiz book.

The Complete Tennis Quiz Collection Paragon Publishing, 2020-07-23 Think you know tennis? Put your knowledge to the absolute test with this tennis crossword and quiz book. Over 300 crossword and quiz questions across 16 different puzzles. Complete solutions given at the back. Inspirational quotes from famous players. 2600 Tennis Quiz Questions Roger Wilthrop, 2021-04-27 Tennis is Awesome! One of the world's most beloved sports, and definitely the fastest growing spectator sport, tennis occupies a unique place among other ball sports in the modern world. From a fitness point of view, it is one of the highest RoI body wellness occupations there is. From an excitement point of view, few experiences are as nailbiting as a fifth set tie break. Fans of tennis - millions and millions of them - are usually educated about the sport they love. They will debate the comparative historical merits of Borg vs. Agassi, and Court vs. Williams, all while waiting for the break between sets in a Nadal vs. Djokovic or Federer vs. Nadal five setter. With the recent explosion in popularity of tennis over the past decade, the future looks very bright for this

sport. This book is a celebration of the men and women who have taken tennis to the pinnacle of sporting fandom that it occupies today. Through the pages of this book, you will battle through hundreds of trivia challenges designed to test your knowledge of tennis legends, ATP tour fixtures, and Grand Slam Champions like no other quiz book can: the tennis player icons featured in this book range from people who built up the sport before the First World War, when it was nothing like the global juggernaut it is today, to people like Naomi Osaka, one of the brightest young stars in all of world sport in the year 2021. If you can score consistently above 80% in the trivia challenge sets in this book, I salute your superior knowledge. Regardless of how you perform, this book will give you many hours and weeks of pure clean fun: it will take you back to games, sets, and matches that had you biting your nails at the edge of your seat, as you willed your favorite player to take that one elusive point and win the tie break that would add one more Grand Slam to their kitty. Tennis is awesome, and this book will remind you of the achievements of the tennis players who kept the sport awesome all these years. Let us play!

Tennis Trivia Quiz Book Chris Bradshaw, 2023-04-04
The ultimate trivia test for tennis fans of all ages.

Game, Set, and What Was That Player's Name? the Tennis Quiz Book Roger Wilthrop, 2021-08-12 A good piece of tennis trivia is like a perfectly timed backhand: impossible to get to, but appreciated by anyone who is lucky enough to experience it. This book contains thousands of such pieces of trivia. It starts as a way for you to discover the greatest players over the past 150 years of history that this game has, and moves on to help you learn more about their key achievements and the countries for which they played. This book is meant for all those who were fans of tennis before it was cool - those who knew and loved the sport before the Big Three catapulted it into massive worldwide popularity, before huge prize purses turned the top ATP tour players in the world into plutocrats. True tennis fans are pundits. The level of knowledge that even a casual tennis fan has is usually

quite deep. After all, even someone who has watched only a single Grand Slam comes away with a working knowledge of dozens of players. At the other end of the spectrum, we have people whose deep expertise and bottomless knowledge put most casual fans to shame. This sport is packed with thrills for the casual viewer, deep analysis for the engaged pundit, and entertainment for anyone who watches a point, a game, a set, a match, or an entire Grand Slam. Any fan of tennis is proud of his or her knowledge of the sport, and this book gives you an opportunity to test just how big a fan you are! Fans of tennis - millions and millions of them - are usually educated about the sport they love. They will debate the comparative historical merits of Borg vs. Agassi, and Court vs. Williams, all while waiting for the break between sets in a Nadal vs. Djokovic or Federer vs. Nadal five setter.
