**Texts from Jane Eyre** Mallory Ortberg, 2014-11-04 Hilariously imagined text conversations—the passive aggressive, the clever, and the strange—from classic and modern literary figures, from Scarlett O'Hara to Jessica Wakefield. Mallory Ortberg, the co-creator of the cult-favorite website *The Toast*, presents this whimsical collection of hysterical text conversations from your favorite literary characters. Everyone knows that if Scarlett O'Hara had an unlimited text-and-data plan, she'd constantly try to tempt Ashley away from Melanie with suggestive messages. If Mr. Rochester could text Jane Eyre, his ardent missives would obviously be in all-caps. And Daisy Buchanan would not only text while driving, she'd text you to pick her up after she totaled her car. Based on the popular web-feature, *Texts from Jane Eyre* is a witty, irreverent mashup that brings the characters from your favorite books into the twenty-first century.

**La Favorite** Laurent Greilsamer, 2012-08-15 Peut-on se vouloir femme indépendante, journaliste, libre d'exprimer ses convictions et humeurs personnelles, et, Première Dame de France, bénéficier au Palais de l'Élysée de bureaux et d'un personnel rémunéré sur le budget de la présidence de la République ? À l'heure où l'éthique politique recommande de supprimer ou limiter le cumul des mandats, est-il permis de cumuler les statuts et les avantages qui y sont attachés ? Ces questions ont été mises en pleine lumière à l'occasion de l'*« affaire de La Rochelle »*, règlement de comptes entre Valérie Trierweiler et Ségolène Royal, affaire qui risque de faire figure d'armature de clef du nouveau quinquennat, à l'instar de ce que fut la nuit du Fouquet's pour le précédent. Mais elles se posaient déjà bien avant le fameux tweet...

**Crying in H Mart** Michelle Zauner, 2021-04-20 #1 NEW YORK TIMES BESTSELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—"in losing her mother and cooking to bring her back to life, Zauner became herself" (NPR). • CELEBRATING OVER ONE YEAR ON THE NEW YORK TIMES BESTSELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

**The Inside Text** R. Harper, L. Palen, A. Taylor, 2005-03-21 SMS or Text is one of the most popular forms of messaging. Yet, despite its immense popularity, SMS has remained unexamined by science. Not only that, but the commercial organisations, who have been forced to offer SMS by a demanding public, have had very little idea why it has been successful. Indeed, they have, until very recently, planned to replace SMS with other messaging services such as MMS. This book is the first to bring together scientific studies into the values that 'texting' provides, examining both cultural variation in countries as different as the Philippines and Germany, as well as the differences between SMS and other communications channels like Instant Messaging and the traditional letter. It presents usability and design research which explores how SMS will evolve and what is likely to be the pattern of person-to-person messaging in the future. In short, *The Inside Text* is a fundamental resource for anyone interested in mobile communications at the start of the 21st Century.

**Technically, You Started It** Lana Wood Johnson, 2019-06-25 A hilarious, snarky, and utterly addicting #ownvoices debut that explores friendship, sexual orientation, mental health, and falling in love (even if things might be falling apart around you). When a guy named Martin Nathaniel Munroe II texts you, it should be obvious who you're talking to. Except there's two of them (it's a long story), and Haley thinks she's talking to the one she doesn't hate. A question about a class project rapidly evolves into an all-consuming conversation. Haley finds that Martin is actually willing to listen to her weird facts and unusual obsessions, and Martin feels like Haley is the first person to really see who he is. Haley and Martin might be too awkward to hang out in real life, but over text, they're becoming addicted to each other. There's just one problem: Haley doesn't know who Martin is. And Martin doesn't know that Haley doesn't know. But they better figure it out fast before their meet-cute becomes an epic meet-disaster . . .

**Way Down Deep** Cara McKenna, 2017-06 An erotic romance... told entirely through text messages. The words he typed were never meant to be read, yet they found their way to her. Two wounded strangers, prisoners of their own lives, brought together by a wayward text. Without ever hearing each other's voices, a friendship blooms between them. Without ever seeing each other's faces, an attraction grows. Without ever touching, the two become lovers. But when words suddenly aren't enough, will this bond be able to tear down the walls that keep them apart... or was it only ever fantasy?
