Life at the Club Adrianne,2022-10-25 Ms. Nova sacrificed her childhood to be a teenage mother and provider for her family. Working a dead-end job barely pays the bills, but her luck is due to change when her homegirl suggests she shake her ass at a jumping strip joint. Weary and self-conscious, she is reluctant at first, but the money is fast and easy and makes her life a lot easier. Although she has more bread, her bedroom life is at a standstill. Thinking with her head and not her heart, she makes a boss move on the club owner and is able to wrap him around her pinky. But soon, that tryst could end up costing her everything she loves and cherishes. Marvin is a decorated war veteran and an unsatisfied married man. He has the money and security, but when his wife loses interest in him, he finds a strip club as a way to become reborn. The money is coming in left and right, and he is offered more sex than he ever could have imagined because of his success. Will he be able to maintain his home life when the club life starts to unravel in front of him? Montez fell for the Chinese exchange student across the street from him. His life was turned upside down when young love resulted in an unexpected pregnancy. But her betrayal of their union plants a bitter and resentful seed inside of him. How many people will fall victim to the hurt his puppy love caused him? Lust and love go hand in hand, but sometimes, the consequences outweigh the pleasure.

Birch The Beginning George Alexandra, 2014-04-20 The first novel in an incredible fantasy trilogy set in a world of gods, tyrants and kings. The people of the ancient land of Modania find themselves threatened as the scheming Lord Zelfen prepares to claim it under his dominion. The creation of three wizards, tasked with protecting the elements, the land and the innocent people of Modania, may not be enough to protect the peaceful realm. Little do any of the powerful forces and faces of Modania know that the fate of them all rests in the hands of a simple forest boy and a strange, terrible beast to which he is mysteriously bound. If Lord Zelfen's onslaught is to be resisted it will require the forging of a powerful allegiance. The boy named Birch must be found and he must understand who he really is. Birch - The Beginning is the first novel in the Birch Trilogy, set in the enthralling magical world of Modania. Savage conflicts, ancient spells and arcane prophecies push the boundaries of fantasy as the future of the realm depends on one strange young boy and his mysterious feline ally.

Michael Curtiz Alan K. Rode,2017-11-17 Academy Award--

winning director Michael Curtiz (1886--1962) -- whose best-known films include Casablanca (1942), Yankee Doodle Dandy (1942), Mildred Pierce (1945) and White Christmas (1954) -- was in many ways the anti-auteur. During his unprecedented twenty-seven year tenure at Warner Bros., he directed swashbuckling adventures, westerns, musicals, war epics, romances, historical dramas, horror films, tearjerkers, melodramas, comedies, and film noir masterpieces. The director's staggering output of 180 films surpasses that of the legendary John Ford and exceeds the combined total of films directed by George Cukor, Victor Fleming, and Howard Hawks. In the first biography of this colorful, instinctual artist, Alan K. Rode illuminates the life and work of one of the film industry's most complex figures. He begins by exploring the director's early life and career in his native Hungary, revealing how Curtiz shaped the earliest days of silent cinema in Europe as he acted in, produced, and directed scores of films before immigrating to the United States in 1926. In Hollywood, Curtiz earned a reputation for his explosive tantrums, his difficulty communicating in English, and his disregard for the well-being of others. However, few directors elicited more memorable portrayals from their casts, and ten different actors delivered Oscar-nominated performances under his direction. In addition to his study of the director's remarkable legacy, Rode investigates Curtiz's dramatic personal life, discussing his enduring creative partnership with his wife, screenwriter Bess Meredyth, as well as his numerous affairs and children born of his extramarital relationships. This meticulously researched biography provides a nuanced understanding of one of the most talented filmmakers of Hollywood's golden age.
