However, a couple of weird-looking men catch the attention of Spencer. Soon enough, Tiffy senses that something terrible is about to happen. As the performance goes on, the two men start a fire by throwing a lighted match into some gasoline. *Time to Time* Don Pendleton,2010-06-24 Meet Ashton Ford, Psychic Detective ... Private Investigator Ashton Ford has special powers, powers some call supernatural. A former naval intelligence officer, Ford will shatter your ideas of reality and take you into a mystical world of vision, intuition, and psychic truth. A phenomenal psychic, unparalleled lover, and a true Renaissance man, Ashton Ford can see into the future and even into the distant past using his psychic powers to assist clients in crisis. The husband of an aging, though still beautiful, Hollywood movie star is concerned with his wife's unnatural compulsions and obsessions with UFOs, dolphins, and the paranormal. The actress is convinced that someone, somewhere in space is calling her. This case leads Ashton Ford into the world of the dolphin, extraterrestrials, and space-traveling UFOs. It is an awe-inspiring journey through the farthest reaches of time and space, mysteries of the unknown, and a look into the ancient population of our very own planet Earth. Don Pendleton wrote this about his six Ashton Ford novels: Through this character I attempt to understand more fully and to give better meaning to my perceptions of what is going on here on Planet Earth, and the greatest mystery of all the mysteries: the why of existence itself. Through Ford I use everything I can reach in the total knowledge of mankind to elaborate this mystery and to arm my characters for the quest. I try to entertain myself with their adventures, hoping that what entertains me may also entertain others-so these books, like life itself, are not all grim purpose and trembling truths. They are fun to write; for some they will be fun to read. Ashton Ford is a spectacular character... ~Booklist

**Mind to Mind** Don Pendleton,2010-06 Meet Ashton Ford, Psychic Detective ... Private Investigator Ashton Ford has special powers, powers some call supernatural. A former naval intelligence officer, Ford will shatter your ideas of reality and take you into a mystical world of vision, intuition, and psychic truth. A phenomenal psychic, unparalleled lover, and a true Renaissance man, Ashton Ford can see into the future and even into the distant past using his psychic powers to assist clients in crisis. What intrigued Ashton Ford about this sadistically brutal Jane Doe case was that there were no clues except a few satanic symbols. It was the toughest case of Ford's career to reach the victim's silent mind with his own and combat the evils of a deadly sex cult and the mysterious beings who threatened her life. He finds many of his answers in Ojai, a small community in the mountains not far removed from Los Angeles, a place always thought to be a paradise, that is, until the image of an enchanted place is shattered by paranormal images that defy explanation.
