We cover all the basics that you need to know to get set up in airbrushing: types of airbrushes, compressors, paint, substrates, etc....even how to properly hold an airbrush and how to clean it. We are so thorough and innovative, we have earned the endorsement of Anest Iwata-Medea, Inc. AND Grex Airbrushes. Undivided Heart Lucy Mills, 2020-04-28 'Give me an undivided heart.' Something in my soul has always been snagged by that phrase in Psalm 86. Something in it speaks to me of my own heart division, my own disarray. It captures a deeper longing, beyond the surface chatter of my mind. I find, amid the muddle that is me, that there is something--someone--calling me on, gathering together my disparate, fraying threads and weaving them into a story greater than I could ever perceive. Why do we do what we do? What makes us who we are? And what could make us more? In Undivided Heart, Lucy Mills digs deep in search of an understanding of human identity, purpose,

and living by faith, asking what the influences are that shape us and define us. She explores what it might mean to have an undivided heart--to live a life compelled by Christ's love, undistracted by all other motives. This is not a book of easy answers. It is a book of deep questioning, of relationship, honesty, and encounter, counter-cultural in our age of social media, soundbite news, and mass communication. But God can meet us in our confusion and distraction as much as in our certainty. Join Lucy on her exploration of this demanding, fragmented life, and the quest for a faith that is deeper, stronger, and undivided.

Beauty around the World Erin Kenny, Elizabeth Gackstetter Nichols, 2017-06-22 Taking the concept of beauty seriously, this encyclopedia examines how humanity has sought and continues to seek what is beautiful in a variety of cultural contexts, giving readers an understanding of how to look at beauty both intellectually and critically. Is beauty ever more than skin deep? Arguably yes, considering that the concept of beauty—and the pursuit of it—has shaped cultures worldwide, across every time period, and has even served to change the course of history. Studying beauty practices yields insight into social status, wealth, political ideology, religious doctrine, and gender expectations, including gender nonconformity. A truly interdisciplinary text, *Beauty around the World: A Cultural Encyclopedia* presents an insightful perspective on beauty that draws from philosophy, literature, sociology, anthropology, psychology, and feminist studies, giving readers a unique view of world beauty practices. This volume offers information about beauty practices from the past to the present in alphabetical entries that address terms and topics such as beards, dreadlocks, Geisha, moko tattoos, and progressive muscularity. Readers will better comprehend how beauty shapes many social interactions in profound ways worldwide, and that the unspoken social agreements that shape ideals of attractiveness and desirability within any given culture can matter

very much. The encyclopedia's entries challenge readers to consider the questions What is beauty? and Why does it matter? A comprehensive bibliography is a valuable resource for further research.
