The American Senator is a novel written by Anthony Trollope, a renowned English novelist of the Victorian era. The novel was first published in 1877. The American Senator explores themes of politics, marriage, and social class. The central character, Senator Gotobed, is an American politician who visits England, providing Trollope with the opportunity to satirize both American and English society. The novel delves into the complexities of relationships, the clash of cultural differences, and the intricacies of political life. Anthony Trollope was a prolific writer, known for his insightful and often humorous portrayals of Victorian society. The American Senator is one of his later works, and like many of his novels, it offers a keen observation of the social and political dynamics of the time. For readers interested in Victorian literature, social commentary, and novels exploring the transatlantic relationship, The American Senator by Anthony Trollope is a classic worth exploring.

The American Senator Annotated Anthony

Trollope, 2020-12-05 The American Senator is a novel written in 1875 by Anthony Trollope.

Although not one of Trollope's better-known works, it is notable for its depictions of rural English life and for its many detailed fox hunting scenes. In its anti-heroine, Arabella Trefoil, it presents a scathing but ultimately sympathetic portrayal of a woman who has abandoned virtually all scruples in her quest for a husband. Through the eponymous Senator, Trollope offers comments on the irrational aspects of English life.

The American Senator - Part I (Esprios Classics) Anthony Trollope, 2021-09-03 Anthony Trollope (1815-1882) was one of the most successful, prolific and respected English novelists of the Victorian era. He wrote penetrating novels on political, social, and gender issues and conflicts of his day. In 1867 Trollope left his position in the British Post Office to run for Parliament as a Liberal candidate in 1868. After he lost, he concentrated entirely on his literary career. While continuing to produce novels rapidly, he also edited the St Paul's Magazine, which published several of his novels in serial form. His first major success came with *The Warden* (1855) - the first of six novels set in the fictional county of Barsetshire. The comic masterpiece *Barchester Towers* (1857) has probably become the best-known of these.
