The Art of Fencing Maître D'Armes L'Abbat,2020-12-09 I thought it very suitable to my Business, when I met with so good an Author as Monsieur L'Abbat, on the Art of Fencing, to publish his Rules,

which in general, will I believe be very useful, not only as they may contribute to the Satisfaction of such Gentlemen as are already Proficients in the Art, and to the better Discipline of those who intend to become so, but also in regard that the Nicety and Exactness of his Rules, for the most Part, and their great Consistency with Reason, may, and will in all Probability, lay a regular and good Foundation for future Masters, who tho' accustom'd to any particular Method formerly practised, may rather chuse to proceed upon the Authority of an excellent Master, than upon a vain and mistaken Confidence of their own Perfection, or upon an obstinate Refusal to submit to Rules founded on, and demonstrated by Reason.
