**Art of Money Getting** P. T. Barnum,2013-11-01 A must have book in any success and wealth building library. P.T. Barnum one of the first true American millionaires having created his wealth from nothing. In this book you will learn the fundamentals of success and wealth that still apply to today even though written over 100 years ago. The most underestimated, influential, success and wealth builder of the 20th century and the greatest of the great entrepreneurs and international businessmen of the 20th and 21st Century, P.T. Barnum. If there is one thing everyone knows about Barnum, it is this, There is a sucker born every minute. While P.T. Barnum didn't actually say this he is given the credit for the statement and Barnum took every opportunity to use it to his advantage giving himself even more notoriety and fame. The young Barnum born in 1810, knew at a young age he wanted to make a name for himself being involved with various entrepreneurial pursuits, he left home in 1830 to seek his fortune in New York City. He did create his wealth with his first big venture in 1841 with the purchase a museum in which he presented live acts and curiosities including General Tom Thumb. Barnum accomplished all he set out to do and became a success and a household name and left us with this undiscovered book teaching you and me The Art of Money Getting. Ironically written over a century ago the principles still apply to today in modern times and according to Kathy Mahr, Executive Director of The Barnum Museum, this book has even inspired Walt Disney. The Art of Money Getting, Or The Golden Rule For Making Money P. T. Barnum,2022-04-03 One of the most important financial books ever written: P. T. Barnum, the legendary entertainer and co-founder of the Barnum and Bailey Circus, was not just a successful businessman, but a philanthropist and writer as well. This short, pamphlet-length work distills Barnum's advice on achieving success and wealth, in his own words. The Art of Money Getting was written by P. T. Barnum, who is widely known as an important historical entrepreneur as founder of the famous traveling circus, but in this publication Barnum shares his knowledge of business and teaches readers how to be successful in making money. This is an excellent book for individuals who are interested in learning from an important historical business leaders own personal success and also serves as an excellent motivational writing intended for those looking to be successful and make lots of money. The Art of Money Getting Or The Golden Rule For Making Money - P.T. Barnum - First published in 1880 - In the United States, where we have more land than people, it is not at all difficult for persons in good health to make money. In this comparatively new field there are so many avenues of success open, so many vocations which are not crowded, that any person of either sex who is willing, at least for the time being, to engage in any respectable occupation that offers, may find lucrative employment. Those who really desire to attain an independence, have only to set their minds upon it, and adopt the proper means, as they do in regard to any other object which they wish to accomplish, and the thing is easily done. We are all, no doubt, born for a wise purpose. There is as much diversity in our brains as in our countenances. Some are born natural mechanics, while some have great aversion to machinery. Following the practical advice herein will lead to increased wealth. Those who really desire to attain an independence, have only to set their minds upon it, and adopt the proper means, as they do in regard to any other object which they wish to accomplish, and the thing is easily done. But however easy it may be found to make money, I have no doubt many of my hearers will agree it is the most difficult thing in the world to keep it. The road to wealth is, as Dr. Franklin truly says, as plain as the road to the mill.

Includes interviews with three powerful wealthy people who play with the richest most famous people on Earth, who share their secrets and blow all the myths you've ever heard about the rich. Your dreams exist for a reason. It is your destiny to prosper and help the world. We are entering a new golden era of opportunity, where normal people can finally thrive and live their dreams.

*Lifeonaire* Steve Cook,2018-10-26 Will becoming a Millionaire really set you free? How about the American Dream? If we, as a nation, declare freedom to be our number one priority, then why do so many of us, at a gut-level, feel less freedom than ever? Americans are working harder than ever to obtain financial success and material possessions based on the delusion that more will lead to a better life. The typical American is trading away the vast majority of their life in hopes that, someday, they will have enough to experience 'the good life.' Meanwhile, this tradeoff is the very thing that is robbing them of their freedom and the ability to enjoy an abundant life... right now. So, where do we find freedom? What should we pursue? In Lifeonaire: An Uncommon Approach to Wealth, Success, and Prosperity, Steve Cook answers these questions by challenging us to consider what it is that we really desire out of life. Through this fictional story, he shares how Americans blindly pursue financial wealth--thinking that money will reward them with what they want--and helping us to discover that our heart's desire is to become more than just a Millionaire... what we really desire is to become a Lifeonaire.
