Dale Carnegie

The Art of Public Speaking Joseph Berg Esenwein,Dale Carnegie,1915 ACQUIRING CONFIDENCE BEFORE AN AUDIENCE There is a strange sensation often experienced in the presence of an audience. It may proceed from the gaze of the many eyes that turn upon the speaker, especially if he permits himself to steadily return that gaze. Most speakers have been conscious of this in a nameless thrill, a real something, pervading the atmosphere, tangible, evanescent, indescribable. All writers have borne testimony to the power of a speaker's eye in impressing an audience. This influence which we are now considering is the reverse of that picture--the power _their_ eyes may exert upon him, especially before he begins to speak: after the inward fires of oratory are fanned into flame the eyes of the audience lose all terror.

Carnegie explains how to overcome self-consciousness and speak in an easy-to-understand, high-impact manner.

Public Speaking for Success Dale Carnegie,2006-05-04 Dale Carnegie, author of the legendary How to Win Friends and Influence People, began his career as the premier life coach of the twentieth century by teaching the art of public speaking. Public speaking, as Carnegie saw it, is a vital skill that can be attained through basic and repeated steps. His classic volume on the subject appeared in 1926 and was revised twice-in shortened versions-in 1956 and 1962. This 2006 revision-edited by a longtime consultant to Dale Carnegie & Associates, Inc., and the editor in charge of updating How to Win Friends and Influence People-is the definitive one for our era. While up-to-date in its language and points of reference, Public Speaking for Success preserves the full range of ideas and methods that appeared in the original: including Carnegie's complete speech and diction exercises, which follow each chapter, as the author originally designated them. This edition restores Carnegie's original appendix of the three complete self-help classics: Acres of Diamonds by Russell H. Conwell, As a Man Thinketh by James Allen, and A Message to Garcia by Elbert Hubbard. Carnegie included these essays in his original edition because, although they do not directly relate to public speaking, he felt they would be of great

value to the readers. Here is the definitive update of the best-loved public-speaking book of all time.

Dale Carnegie Dale Carnegie,2017-01-03 Students of public speaking continually ask, How can I overcome self-consciousness and the fear that paralyzes me before an audience? Did you ever notice in looking from a train window that some horses feed near the track and never even pause to look up at the thundering cars, while just ahead at the next railroad crossing a farmer's wife will be nervously trying to quiet her scared horse as the train goes by? How would you cure a horse that is afraid of cars-graze him in a back-woods lot where he would never see steam-engines or automobiles, or drive or pasture him where he would frequently see the machines? Apply horse-sense to ridding yourself of self-consciousness and fear: face an audience as frequently as you can, and you will soon stop shying. You can never attain freedom from stage-fright by reading a treatise. A book may give you excellent suggestions on how best to conduct yourself in the water, but sooner or later you must get wet, perhaps even strangle and be half scared to death. There are a great many wetless bathing suits worn at the seashore, but no one ever learns to swim in them. To plunge is the only way. DALE CARNEGIE

The Art of Public Speaking Dale Breckenridge Carnegie,2017-08-14 Training in public speaking is not a matter of externals--primarily; it is not a matter of imitation--fundamentally; it is not a matter of conformity to standards--at all. Public speaking is public utterance, public issuance, of the man himself; therefore the first thing both in time and in importance is that the man should be and think and feel things that are worthy of being given forth. Unless there be something of value within, no tricks of training can ever... (more)
