Kirkus Reviews ,1989 Adult books are categorized by genre (i.e., fiction, mystery, science fiction, nonfiction). Along with bibliographic information, the expected date of publication and the names of literary agents for individual titles are provided. Starred reviews serve several functions: In the adult section, they mark potential bestsellers, major promotions, book club selections, and just very good books; in the children's section, they denote books of very high quality. The unsigned reviews manage to be discerning and sometimes quite critical.

Gray Skies Tomorrow Silvia Molina,1993 Winner of the Xavier Villaurrutia Prize, Gray Skies Tomorrow is a superior telling of an age-old story, that of a young woman's first love. The story takes place in England, where her relationship with a fellow countryman and poet causes a painful rupture with traditional Mexican values. He is a mature man who has already found his own voice, while she is living with an intolerant aunt who will not explain the simplest word in the new language, which is also that of adulthood, requiring her to look everything up in the dictionary. As the need to escape the matrix of her past increases, conflicting directions present themselves in the form of a teacher who tries to win her away from the poet and through a friend of her aunt who offers refuge in her apartment. The safety of a mother's love is never more than a long distance call away, and yet the heroine knows instinctively that to rely on home at this juncture is to abdicate her future as a person. Meanwhile the clock is ticking, and the result is one which can only be attributed to indecision. The fact that the author reveals the outcome early in the novel only re-enforces our interest in the perilous psychological path by which the ending is achieved, at the same time cementing its legitimacy. To read Silvia Molina's Gray Skies Tomorrow is to hold the threads of human lives in our hands.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

Gambusino Carlos Montemayor,1997 The story of a Mexican mining prospector and his run-ins with an American refining company. A tale of corruption and economic colonialism.

On the Seventh Day John Mitchell,1997 In the tradition of Joyce's A Portrait of the Artist as a Young Man and Dylan Thomas's wry Portrait of the Artist as a Young Dog, is John Mitchell's intriguing little novella about a writer coming to grips with his art and the so-called real world.
