Men in Blazers Present Gods of Soccer Roger Bennett,Michael Davies,Miranda Davis,2022-10-11 From the hosts of the popular podcast and tv show Men in Blazers, comes their completely scientific, 100% definitive, defend-to-the-death list of the greatest soccer players of all time. Every fan has their own list of the 100 soccer players they consider the greatest ever to play the game. A list based on triumphs, sublime moments of skill, superhuman tenacity, and telenovela-esque backstories. To the list-maker, that 100 feels objective. Unequivocal. An absolute truth. This is one such list. Written with the same signature Men in Blazers humor found in their New York Times bestseller Encyclopedia Blazertannica, and accompanied by Nate Kitch's iconic

photographic illustrations, Men in Blazers share the stories of household names like David Beckham and Alex Morgan, along with cult icons such as Garrincha, the Brazilian star of the 1960s who was born with one leg six inches shorter than the other, and Briana Scurry, a trailblazer who paved a path for young Black soccer-playing women. Page by page, you will revel in the depictions of players you adore, discover tales you have never heard, and experience vivid stories of dreams, loyalty, perseverance, creativity, and luck. Together, they form an alternative telling of the history of soccer, tracing the evolution of the men's and women's games around the globe, one unlikely, unbelievable, unforgettable career at a time. Thanks to the transcendent career arcs depicted within, Gods of Soccer is rife with tales that will make readers' hearts soar. Encourage them to dream. And then quickly rush off to make their own lists. FOR READERS OF: Complete Book of Soccer, The Baseball 100, Encyclopedia Blazertannica, and Reborn in the USA A COMPANION TO MEN IN BLAZERS PODCAST AND SHOWS: This is the perfect companion for avid fans of the Men in Blazers podcast, one of the largest soccer podcasts in the world, and their weekly NBC show. A GREAT GIFT: Surprise the soccer fans in your life or introduce someone to the sport with God's of Soccer. This will make a fantastic gift for both novice and die-hard players and soccer fans of all ages.

Sports around the World [4 volumes] John Nauright,2012-04-06 This multivolume set is much more than a collection of essays on sports and sporting cultures from around the world: it also details how and why sports are played wherever they exist, and examines key charismatic athletes from

around the world who have transcended their sports. *Sports Around the World: History, Culture, and Practice* provides a unique, global overview of sports and sports cultures. Unlike most works of this type, this book provides both essays that examine general topics, such as globalization and sport, international relations and sport, and tourism and sport, as well as essays on sports history, culture, and practice in world regions—for example, Latin America and the Caribbean, the Middle East and North Africa, Europe, and Oceania—in order to provide a more global perspective. These essays are followed by entries on specific sports, world athletes, stadiums and arenas, famous games and matches, and major controversies. Spanning topics as varied as modern professional cycling to the fictional movie *Rocky* to the deadly ball game of the ancient Mayans, the first three volumes contain overview essays and entries for specific sports that have been and are currently practiced around the world. The fourth volume provides a compendium of information on the winners of major sporting competitions from around the world. Readers will gain invaluable insights into how sports have been enjoyed throughout all of human culture, and more fully comprehend their cultural contexts. The entries provide suggestions for further reading on each topic—helpful to general readers, students with school projects, university students and academics alike. Additionally, the four-volume *Sports Around the World* spotlights key charismatic athletes who have changed a sport or become more than just an outstanding player.
