**James Johnson**

The Book of American Negro Poetry James Weldon Johnson, 2009-01-01 The work of James Weldon Johnson (1871 - 1938) inspired and encouraged the artists of the Harlem Renaissance, a movement in which he himself was an important figure. Johnson was active in almost every aspect of American civil life and became one of the first African-American professors at New York University. He is best remembered for his writing, which questions, celebrates and commemorates his experience as an African-American.

*The Book of American Negro Poetry* James Weldon Johnson, 1922 The Book of American Negro Poetry : Chosen and Edited, With an Essay on the Negro's Creative Genius by James Weldon Johnson, first published in 1922, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.

*The Book of American Negro Poetry* James Weldon Johnson, 2015-07-29 There is, perhaps, a better excuse for giving an Anthology of American Negro Poetry to the public than can be offered for many of the anthologies that have recently been issued. The public, generally speaking, does not know that there are American Negro poets-to supply this lack of information is, alone, a work worthy of somebody's effort.

**The Book of American Negro Poetry** James Johnson, 2016-07-17 A collection of poetry from writers such as Paul Laurence Dunbar; James Edwin Campbell; James D. Corrothers; Daniel Webster Davis; William H.A. Moore; W.E. Burghardt Du Bois; George Marion McClellan; William Stanley Braithwaite; George Reginald Margetson, and many more. There is, perhaps, a better excuse for giving an Anthology of American Negro Poetry to the public than can be offered for many of the anthologies that have recently been issued. The public, generally speaking, does not know that there are American Negro poets-to supply this lack of information is, alone, a work worthy of somebody's effort. Moreover, the matter of Negro poets and the production of literature by the colored people in this country involves more than supplying information that is lacking. It is a matter which has a direct bearing on the most vital of American problems. A people may become great through many means, but there is only one measure by which its greatness is recognized and acknowledged. The final measure of the greatness of all peoples is the amount and standard of the literature and art they have produced. The world does not know that a people is great until that people produces great literature and art. No people that has produced great literature and art has ever been looked upon by the world as distinctly inferior.

A people may become great through many means, but there is only one measure by which its greatness is recognized and acknowledged. The world does not know that a people is great until that people produces great literature and art. No people that has produced great literature and art has ever been looked upon by the world as distinctly inferior. The status of the Negro in the United States is more a question of national mental attitude toward the race than of actual conditions. And nothing will do more to change that mental attitude and raise his status than a demonstration of intellectual parity by the Negro through the production of literature and art. Is there likelihood that the American Negro will be able to do this? There is, for the good reason that he possesses the Innate powers. He has the emotional endowment, the originality and artistic conception, and, what is more important, the power of creating that which has universal appeal and influence. I make here what may appear to be a more startling statement by saying that the Negro has already proved the possession of these powers by being the creator of the only things artistic that have yet sprung from American soil and been universally acknowledged as distinctive American products. These creations by the American Negro may be summed up under four heads. The first two are the Uncle Remus stories, which were collected by Joel Chandler Harris, and the spirituals or slave songs, to which the Fisk Jubilee Singers made the public and the musicians of both the United States and Europe listen. The Uncle Remus stories constitute the greatest body of folklore that America has produced, and the spirituals the greatest body of folk-song. I shall speak of the spirituals later because they are more than folk-songs, for in them the Negro sounded the depths, if he did not scale the heights, of... -----

----- Windham Press is committed to bringing the lost cultural heritage of ages past into the 21st century through high-quality reproductions of original, classic printed works at affordable prices. This book has been carefully crafted to utilize the original images of antique books rather than error-prone OCR text. This also preserves the work of the original typesetters of these classics, unknown craftsmen who laid out the text, often by hand, of each and every page you will read. Their subtle art involving judgment and interaction with the text is in many ways superior and more human than the mechanical methods utilized today, and gave each book a unique, hand-crafted feel in its text that connected the reader organically to the art of bindery and book-making. We think these benefits are worth the occasional imperfection resulting from the age of these books at the time of scanning, and their vintage feel provides a connection to the past that goes beyond the mere words of the text.

**The Book of American Negro Poetry** James Weldon Johnson, 2018-10-16 The Book of American Negro Poetry: Large Print By James Weldon Johnson It is obvious that Ragtime has influenced, and in a large measure, become our popular music; but not many would know that it has influenced even our religious music. Those who are familiar with gospel hymns can at once see this

influence if they will compare the songs of thirty years ago, such as In the Sweet Bye and Bye, The Ninety and Nine, etc., with the up-to-date, syncopated tunes that are sung in Sunday Schools, Christian Endeavor Societies, Y.M.C.A.'s and like gatherings to-day. Ragtime has not only influenced American music, it has influenced American life; indeed, it has saturated American life. It has become the popular medium for our national expression musically. And who can say that it does not express the blare and jangle and the surge, too, of our national spirit?

*BOOK OF AMERICAN NEGRO POETRY* JAMES WELDON. JOHNSON, 2018

**The Book of American Negro Poetry** James Weldon Johnson, 2018-01-31 James Weldon Johnson is the editor of *The Book of American Negro Poetry*. Johnson compiled this work because it was his belief that a group of people is not known for their greatness until their art and literature is known. Johnson believed that the status of the American Negro would be improved by making their literature known to the general public. The following is a list of poets included in this collection. Paul Dunbar, James, Campbell, James Corrothers, Daniel Davis, William Moore, W E DuBois, George McClellan, William Braithwaite, George Margetson, James Johnson, John Holloway, Leslie Hill, Ray Dandridge, Edward Jones, Fenton Johnson, R Nathaniel Dett, Georgia Johnson, Claude McKay, Joseph Cotter Jr., Roscoe Jamison, Jessie Fauset, Anne Spencer, Alex Rogers, Alice Dunbar-Nelson, Charles Johnson, Otto Bohanan, Theodore Shackleford, Lucian Watkins, Benjamin Brawley, and Joshua Jones Jr. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.
