

# The Book Of Spies By Gayle Lynds

Vince Flynn,Kyle Mills

**The Book of Spies** Gayle Lynds,2011-03 After being imprisoned for the vehicular manslaughter of her husband, rare book expert Eva Blake gets a chance at early release if she helps find a cache of books believed to be lost, but when she sights her husband alive and well, she must join an ex-intelligence agent to seek the truth.

**The Book of Spies** Gayle Lynds,2010-03-30 After being imprisoned for the vehicular manslaughter of her husband, rare book expert Ann Blake gets a chance at early release if she helps find a cache of books believed to be lost, but soon she sights her husband alive and well, who is all-to-willing to see her dead, and she must join an ex-intelligence agent to seek the truth--and stay alive.

*The Assassins* Gayle Lynds,2015-06-30 Six master assassins—each a legend in the dark corners of international espionage—band together to steal a fortune from the middle of a war zone. But the mission goes tragically wrong, and they retreat into the shadows. Now THE ASSASSINS are back. Former military spy Judd Ryder is walking to his D.C. home when he spots a man coming out of his row house, who looks like Ryder and is wearing his clothes. As Ryder slows to follow, the imposter is killed in a hit-and-run that's no accident. Was the man the intended victim, or was it Ryder himself? Soon Ryder learns that the key to the mysterious events of the past and to his double's murder is an infamous Cold War assassin, the Carnivore. Two of the last people to see the Carnivore were Ryder and CIA trainee Eva Blake, and someone is using them to lure him out. From Washington D.C. to Marrakech and Baghdad, the assassins wage a final battle—this time against one another—fighting for their reputations and Saddam Hussein's long-missing billion-dollar fortune. In the end, only one can be left standing. Caught in the crossfire, Judd and Eva go on the run while desperately unraveling the tangled past and battling not only for their lives, but for their destinies.

*The Last Spymaster* Gayle Lynds,2007-04-01 Charles Jay Tice was a spy's spy--a legendary figure in the CIA, and the intelligence world in general, towards the end of the Cold War. But he was also a traitor, having sold secrets that seriously compromised the U.S. for years to come. Since his conviction, he's been kept in the tightest maximum security prison under the tightest security. Until one morning, his cell is discovered empty--Tice has disappeared without even the hint of trace. Agent Elaine Cunningham is a 'hunter', assigned to find Tice quickly, before the rest of the world knows he's gone. But she soon finds out that something is very wrong. This is more than just an impossible escape by a master spy--lurking in the shadows is a much bigger, deeper, and more dangerous conspiracy than an old spy's last run for freedom.

*The Library of Gold* Gayle Lynds, 2011-02 For centuries, emperors, historians, and even the Vatican have tried to locate Ivan the Terrible's magnificent Library of Gold - a fabled archive of gilded, bejeweled scripts and lost knowledge dating all the way back to the ancient Greeks. Now one of the volumes, *The Book of Spies*, has surfaced, and along with it a highly secret, shadowy cabal. They want their book back and they will stop at nothing to achieve their goal. When the CIA unearths a connection between the legendary library and a bank account linked to terrorists, they turn to rare books curator Eva Blake for help. When an attempt is made on Eva's life, she turns to the only person she can trust - Judd Ryder, a former intelligence agent with his own agenda and a troubled past. Racing from London to Rome, Istanbul to Athens, Judd and Eva must use all their wit and tradecraft to stay ahead of the deadly forces hunting them. They must do what no one else has been able to do: find the library AND stay alive.

*The Library of Gold* Gayle Lynds, 2011-02-01 'Fast paced, thrillingly paranoid, page-turning, international adventure at its best!' DEAN KOONTZ AN ANCIENT LIBRARY Ivan the Terrible's Library of Gold was a legendary archive of secret knowledge. It vanished from history centuries ago... Now one of its fabled volumes has come to light. A MODERN CONSPIRACY The CIA has linked the long-lost book, a shadowy cabal, and a terrifying new threat to global security: the library must be found. But with one agent already murdered for knowing too much, who will take up the hunt? A DEADLY MISSION Rare books expert Eva Blake is determined to clear her name after a spell behind bars. Judd Ryder is a one-time spy with a troubled past. Both have nothing to lose, except their lives. Racing from London to Rome, Istanbul to Athens, these desperate treasure hunters must find the library - before its keepers find them.

*Mesmerized* Gayle Lynds, 2002-04-30 Brilliant attorney Beth Convey is cut down by a heart attack during arguments of the biggest case of her career. Saved by an emergency transplant of a heart from a murdered Russian man, Beth begins to have visions that may be the dead man's memories. Beth teams up with former FBI agent turned reporter Jeff Hammond to hunt down the truth and discover top-secret information that could reignite the Cold War. (May)

*Masquerade* Gayle Lynds, 2007-04-01 When you gaze into the mirror--and find a stranger looking back? Liz Sansborough has no recollection of her past as a CIA agent; no idea what her future holds. For her, there is only the present...and the chilling knowledge that the world's most lethal assassin has set his sights on her. When your only link to your identity is a stranger who claim to be lover? Gordon is so gentle, so loving--and so secretive. If Liz dares to put her life into his powerful hands, will he

guard it with his own--or snuff it out? When violence explodes around you, when nothing makes sense, when nobody--including you--is whom he or she appears to be? As Liz unravels a series of lies, she begins to suspect that the truth she encounters might be far more sinister--and deadly--than the original deception...

**The Coil** Gayle Lynds, 2004-04-07 Lynds returns with the sequel to the New York Times bestseller *Masquerade*--a high-octane international thriller.

*Mosaic* Gayle Lynds, 1999-11 Regaining her sight only long enough to witness her own mother's murder, blind concert pianist Julia Austrian vows to find the killer and plunges into a terrible conspiracy, while CIA analyst Sam Keeline finds a simple quest linked to Julia's.

Robert Ludlum's The Hades Factor Robert Ludlum, Gayle Lynds, 2010-04-01 Robert Ludlum has been acclaimed as the master of suspense and international intrigue. His many books have thrilled millions of readers, reaching the top of bestsellers lists the world over and setting a standard that has never been surpassed. Now, from the imagination of one of America's greatest storytellers comes Robert Ludlum's *The Hades Factor*--a thrilling new entry in the Covert-One series. A homeless man in Boston, an Army Major in California, and a teenage girl in Atlanta all die suddenly and painfully--each a victim of an unknown doomsday virus. For three days, a team of scientists in a U.S. government laboratory has been frantically trying to unlock the virus's secrets. When the leading researcher from that lab, Lt. Col. Jonathan Smith, returns from overseas, he barely survives a series of well-orchestrated attempts made on his life. By the time Smith eludes his pursuers and makes it home, he discovers that the virus has claimed its fourth victim, Dr. Sophia Russell--Smith's fiancée. Devastated and enraged, Smith quickly uncovers evidence that his lover's death was no accident--that someone out there has the virus, and the pandemic that threatens hundreds of millions of lives is no accident. But wherever he turns, Smith finds that some unseen force has blocked his quest for information. Not knowing whom to trust, Smith assembles a private team to search for the truth behind the deadly virus. While the death toll mounts, their quest leads to the highest levels of power and the darkest corners of the earth, as they match wits with a determined genius--and as the fate of the world lies in the balance.

**Robert Ludlum's The Paris Option** Robert Ludlum, Gayle Lynds, 2010-04-01 For 30 years, Robert Ludlum's novels have set the standard for the finest in international intrigue and suspense. With an unbroken string of bestsellers in almost every country in the world, Robert Ludlum's books have been enjoyed by hundreds of millions of readers, and are widely acknowledged as classics in the field. Now,

after the bestselling Covert-One novels *The Hades Factor* and *The Cassandra Compact* comes the third thrilling novel in the series - *The Paris Option*. A fiery explosion in the dark of night shatters one of the laboratory buildings in Paris's esteemed Pasteur Institute. Among the dead is Emile Chambord, one of the leaders in the global race to create a molecular - or DNA - computer. Unfortunately, Professor Chambord kept the details of his work secret, and his notes were apparently destroyed in either the bomb blast or the raging fire that followed. The scientific community does not expect a workable DNA computer to be developed for years. But suddenly U.S. fighter jets disappear from radar screens for a full five minutes, and there's no explanation. Utilities across the Western states cease functioning, and all telecommunications abruptly stop, with devastating consequences. This is not the work of a clever hacker, although Washington, worried about a panic, assures the public it is. Only the enormous power and speed of a DNA computer could have caused such havoc. Under the cover of visiting his friend Marty Zellerbach, who was severely injured when the Pasteur lab was destroyed, Covert-One agent Jon Smith flies to Paris to search for the connection between the Pasteur explosion and the forces now wielding the computer. Following a trail that leads him across two continents, Smith uncovers a web of deception that threatens to wreck havoc and forever reshape the world.

**Masquerade** Gayle Lynds, 1997 A woman has lost her memory. She may be a CIA agent gone bad--or an innocent target. But in a world of mirrors, it's almost impossible to see the truth--and even harder to escape it. Move over, Ian Fleming . . . an engrossing story of international intrigue with (at last) a female heroine who can hold her own.--New Woman.

Robert Ludlum's *The Altman Code* Robert Ludlum, Gayle Lynds, 2010-08-31 When a photographer is murdered while recording cargo being secretly loaded in Shanghai, Covert-One director Fred Klein is brought in to find the cargo ship, which is rumored to be carrying thousands of pounds of chemical weapons.

*Agents of Treachery* Otto Penzler, 2010-06-01 For the first time ever, legendary editor Otto Penzler has handpicked some of the most respected and bestselling thriller writers working today for a riveting collection of spy fiction. From first to last, this stellar collection signals mission accomplished. Including:

- \* Lee Child with an incredible look at the formation of a special ops cell.
- \* James Grady writing about an Arab undercover FBI agent with an active cell.
- \* Joseph Finder riffing on a Boston architect who's convinced his Persian neighbors are up to no good.
- \* John Lawton concocting a Len Deighton-esque story about British intelligence.
- \* Stephen Hunter thrilling us with a tale about a WWII brigade.

Full list of Contributors: James Grady, Charles McCarry, Lee Child, Joseph Finder, John Lawton, John

Weisman, Stephen Hunter, Gayle Lynds, David Morrell, Andrew Klavan, Robert Wilson, Dan Fesperman, Stella Rimington, Olen Steinhauer

*Free Agent* Jeremy Duns,2009-04-30 In July 1945 MI6 agent Paul Dark took part in a top secret mission to hunt down and execute Nazi war criminals. He will discover that everything he understood about that mission, about its consequences, and about the woman he once loved, has been built on false foundations. Now it's 1969 and a KGB colonel called Slavin has walked into the High Commission in Lagos, Nigeria, and announced that he wants to defect. His credentials as a defector are good - he has highly suggestive information which indicates that there is yet another double agent within the Service, which would be a devastating blow still coming to terms with its betrayal by Kim Philby and the rest of the Cambridge Five. Paul Dark has been largely above suspicion during MI6's years of self-recrimination. But this time he can see his number coming up. For some it would be fight or flight time. But when you discover that everything you've taken for granted and trusted for twenty four years turns out to be untrue, and when your arrest may only be moments away, then perhaps the only option is both fight and flight. *Free Agent* is a twisting, intense thriller set between London and Nigeria during the height of the Cold War. It's a novel of innumerable cliffhangers, all set within a constantly evolving moral universe, and the surprises keep coming until the very last page. It's the first book in a trilogy of novels featuring Paul Dark.

*Hunter* Robert Bidinotto,2011-06-21 Two people, passionately in love. But each hides a deadly secret. He is a crusading vigilante, on a violent quest for justice. She is tracking this unknown assassin, sworn to stop him. Neither knows the truth about the other. Neither knows that a predator is hunting them both.

*Shadow Catcher* James R. Hannibal,2014-12-02 A decade after a failed special ops mission that left a stealth bomber at the bottom of the Persian Gulf, Air Force major Nick Baron leads the Triple Seven Chase team to find and dispose of the bomber before its technology can be stolen by adversarial forces, a mission that is challenged by the daring rescue of a soldier from the Chinese wilderness.

*An Honorable Man* Paul Vidich,2016-04-12 This gripping first novel in a spy thriller series, set in Washington D.C. at the height of the Red Scare, investigates a double agent in the CIA whose betrayals threaten to compromise the two lead investigators, the Agency, and the entire nation.--

*Enemy of the State* Vince Flynn,Kyle Mills,2017-09-05 "In the world of black-op thrillers, Mitch Rapp continues to be among the best of the best" (Booklist, starred review), and he returns in the #1

New York Times bestselling series alone and targeted by a country that is supposed to be one of America's closest allies. After 9/11, the United States made one of the most secretive and dangerous deals in its history—the evidence against the powerful Saudis who coordinated the attack would be buried and in return, King Faisal would promise to keep the oil flowing and deal with the conspirators in his midst. But when the king's own nephew is discovered funding ISIS, the furious President gives Rapp his next mission: he must find out more about the high-level Saudis involved in the scheme and kill them. The catch? Rapp will get no support from the United States. Forced to make a decision that will change his life forever, Rapp quits the CIA and assembles a group of independent contractors to help him complete the mission. They've barely begun unraveling the connections between the Saudi government and ISIS when the brilliant new head of the intelligence directorate discovers their efforts. With Rapp getting too close, he threatens to go public with the details of the post-9/11 agreement between the two countries. Facing an international incident that could end his political career, the President orders America's intelligence agencies to join the Saudis' effort to hunt the former CIA man down. Rapp, supported only by a team of mercenaries with dubious allegiances, finds himself at the center of the most elaborate manhunt in history. With white-knuckled twists and turns leading to "an explosive climax" (Publishers Weekly), *Enemy of the State* is an unputdownable thrill ride that will keep you guessing until the final page.

As recognized, adventure as competently as experience not quite lesson, amusement, as with ease as accord can be gotten by just checking out a book **The Book Of Spies By Gayle Lynds** also it is not directly done, you could take on even more re this life, concerning the world.

We give you this proper as competently as simple exaggeration to acquire those all. We offer *The Book Of Spies By Gayle Lynds* and numerous book collections from fictions to scientific research in any way. in the course of them is this *The Book Of Spies By Gayle Lynds* that can be your partner.
