**Logan Ury**

**My Life with Bob** Pamela Paul,2017-05-02 For twenty-eight years, Pamela Paul has been keeping a diary that records the books she reads, rather than the life she leads. Or does it? Over time, it's become clear that this Book of Books, or Bob, as she calls him, tells a much bigger story. For Paul, as for many readers, books reflect her inner life--her fantasies and hopes, her dreams and ideas. And her life, in turn, influences which books she chooses, whether for solace or escape, diversion or self-reflection, information or entertainment. My Life with Bob isn't about what's in those books; it's about the relationship between books and readers--

*The Soulmate Secret* Arielle Ford,2011-01-04 Have you ever wondered what it takes to find the love of your life? Is it your dream to find a life partner who will love, cherish, and adore you? The Soulmate Secret will show you how to take control of your romantic destiny by using the Law of Attraction. Translated into more than twenty languages, The Soulmate Secret has become an international phenomenon. Now with a new preface and a new chapter filled with book-inspired success stories, this book shows finding true love is possible for anyone at any age if you are willing to prepare yourself, on all levels, to become a magnet for love. Arielle Ford knows this from experience. She used the techniques in this book to bring her soulmate into her life at age forty-four. They were engaged three weeks later. This ancient formula reveals that our universe is set up to deliver the people and things into our lives that are consistent with our personal belief system. If you don't believe you will ever find the One, then guess what? You probably won't. If, however, you learn to believe that the One is not only out there but is also looking for you, then true love can be yours. Using a series of processes called feelingizations—feeling in every cell of your being the outcome you want to create—Ford reveals how to manifest the man or woman of your dreams. The techniques, rituals, and projects found within these pages will allow you to prepare your home, body, mind,

and spirit for the lover your heart truly desires.

**I Love Jesus, But I Want to Die** Sarah J. Robinson,2021-05-11 A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

**How to Not Die Alone** Logan Ury, 2021-02-02 A “must-read” (The Washington Post) funny and practical guide to help you find, build, and keep the relationship of your dreams. Have you ever looked around and wondered, “Why has everyone found love except me?” You’re not the only one. Great relationships don’t just appear in our lives—they’re the culmination of a series of decisions, including whom to date, how to end it with the wrong person, and when to commit to the right one. But our brains often get in the way. We make poor decisions, which thwart us on our quest to find lasting love. Drawing from years of research, behavioral scientist turned dating coach Logan Ury reveals the hidden forces that cause those mistakes. But awareness on its own doesn’t lead to results. You have to actually change your behavior. Ury shows you how. This “simple-to-use guide” (Lori Gottlieb, New York Times bestselling author of *Maybe You Should Talk to Someone*) focuses on a different decision in each chapter, incorporating insights from behavioral science, original research, and real-life stories. You’ll learn: -What’s holding you back in dating (and how to break the pattern) -What really matters in a long-term partner (and what really doesn’t) -How to overcome the perils of online dating (and make the apps work for you) -How to meet more people in real life (while doing activities you love) -How to make dates fun again (so they stop feeling like job interviews) -Why “the spark” is a myth (but you’ll find love anyway) This “data-driven” (Time), step-by-step guide to relationships, complete with hands-on exercises, is designed to transform your life. *How to Not Die Alone* will help you find, build, and keep the relationship of your dreams.

***Chimes of a Lost Cathedral*** Janet Fitch, 2019-07-02 A young Russian woman comes into her own in the midst of revolution and civil war in this brilliant novel set in a world of furious beauty (Los Angeles Review of Books). After the loves and betrayals of *The Revolution of Marina M.*, young poet Marina Makarova finds herself alone amid the devastation of the Russian Civil War -- pregnant and adrift, forced to rely on her own resourcefulness to find a place to wait out the birth of her child and eventually make her way back to her native city, Petrograd. After two years of revolution, the city that was once St. Petersburg is almost unrecognizable, the haunted, half-emptied, starving Capital of Once Had Been, its streets teeming with homeless children. Moved by their plight, though hardly better off herself, she takes on the challenge of caring for these orphans, until they become the tool of tragedy from an unexpected direction. Shaped by her country's ordeals and her own trials -- betrayal and privation and inconceivable loss -- Marina evolves as a poet and a woman of sensibility and substance hardly imaginable at the beginning of her transformative odyssey. *Chimes of a Lost Cathedral* is the culmination of one woman's journey through some of the most dramatic events of the last century -- the epic story of an artist who discovers her full power, passion, and creativity just as her revolution reveals its true direction for the future.
