

The British Royals

DK

The British Monarchy Nicole Horning, 2019-07-15 The British monarchy has long been a subject of fascination for many people. Television shows and films have been created to tell the history of influential, long-reigning monarchs such as Queen Elizabeth II, and royal weddings are televised worldwide. This engaging look at British history examines past and present monarchs, how marriages such as the one between Prince Harry and Meghan Markle broke tradition, and the controversy over whether or not Britain needs a monarchy. Through sidebars, annotated quotations, maps, and full-color photographs, readers will gain a deeper understanding of this popular historical topic.

Royal Fever Cele C. Otnes, Pauline Maclaran, 2015-10-19 No monarchy has proved more captivating than that of the British Royal Family. Across the globe, an estimated 2.4 billion people watched the wedding of Prince William and Catherine Middleton on television. In contemporary global consumer culture, why is the British monarchy still so compelling? Rooted in fieldwork conducted from 2005 to 2014, this book explores how and why consumers around the world leverage a wide range of products, services, and experiences to satisfy their fascination with the British Royal Family brand. It demonstrates the monarchy's power as a brand whose narrative has existed for more than a thousand years, one that shapes consumer behavior and that retains its economic and cultural significance in the twenty-first century. The authors explore the myriad ways consumer culture and the Royal Family intersect across collectors, commemorative objects, fashion, historic sites, media products, Royal brands, and tourist experiences. Taking a case study approach, the book examines both producer and consumer perspectives. Specific chapters illustrate how

those responsible for orchestrating experiences related to the British monarchy engage the public by creating compelling consumer experiences. Others reveal how and why people devote their time, effort, and money to Royal consumption—from a woman who boasts a collection of over 10,000 pieces of British Royal Family trinkets to a retired American stockbroker who spends three months each year in England hunting for rare and expensive memorabilia. *Royal Fever* highlights the important role the Royal Family continues to play in many people's lives and its ongoing contribution as a pillar of iconic British culture.

Queen Elizabeth II and the Royal Family DK, 2021-06-08

Experience the life and reign of Queen Elizabeth II and the Royal family through rare, restricted, and exclusive photos. A stunning pictorial biography of Queen Elizabeth, recounting her childhood, succession to the throne, and her dutiful service as the reigning monarch of Britain. This biography of the Queen also includes the history of the royal family and the house of Windsor, giving fascinating insights into their goings ons. *Queen Elizabeth II and the Royal Family* 3rd Edition features accounts of most of the royal household including the Queen and Prince Philip's children, grandchildren, and great-grandchildren! Inside the pages of her biography you'll find:

- The complete history of the Kings and Queens of Scotland and England, explaining the story of succession to the throne over more than 1,000 years
- Special features profile royal residences, including Buckingham Palace and Windsor Castle
- Dazzling photographic galleries showcase royal regalia and artifacts
- Visual timelines at the start of each chapter highlight the key milestones in the history of the monarchy

For almost 70 years the Queen has been beloved and admired by the British public, the

Commonwealth, heads of states, and many others. Following her ascent to the throne at the age of 27, she's spent her entire life in service of the public and state. This biography celebrates her life through photographs and profiles and provides the reader with insight into this remarkable woman. Teaming with dazzling galleries of royal artefacts, photographic tours, royal residences, and the Royals up close makes this the perfect book for fans of the royal family or anyone interested in the history of the British monarchy. *Queen Elizabeth II and the Royal Family 3rd Edition* follows the success of *Queen Elizabeth II and the Royal Family 1st Edition* and the 2nd Edition in celebration of her 90th birthday

The British Monarchy For Dummies Philip Wilkinson, 2007-01-30

Discover The origins of the British monarchy How the monarchy works The relationship between the royal family and the general public How the role of the monarch has changed over time What the monarch and the rest of the royal family do all day

Behind the Throne Adrian Tinniswood, 2018-10-02 An upstairs/downstairs history of the British royal court, from the Middle Ages to the reign of Queen Elizabeth II Monarchs: they're just like us. They entertain their friends and eat and worry about money. Henry VIII tripped over his dogs. George II threw his son out of the house.

James I had to cut back on the alcohol bills. In *Behind the Throne*, historian Adrian Tinniswood uncovers the reality of five centuries of life at the English court, taking the reader on a remarkable journey from one Queen Elizabeth to another and exploring life as it was lived by clerks and courtiers and clowns and crowned heads: the power struggles and petty rivalries, the tension between duty and desire, the practicalities of cooking dinner for thousands and of ensuring the king always won when he played a game of tennis. A masterful and witty social history of five centuries of royal life, *Behind the Throne* offers a grand tour of England's grandest households.

The Royals Kitty Kelley, 2009-10-31 The #1 New York Times bestselling, controversial portrait of the British royal family -- as told from behind the palace walls -- for fans of Netflix's *The Crown* and all royal watchers They are the most chronicled family on the face of the globe. Their every move attracts headlines. Now Kitty Kelley has gone behind the scenes at Buckingham Palace, Windsor Castle and Kensington Palace to raise the curtain on the men and women who make up the British royal family. Queen Elizabeth, Prince Charles, Princess Diana...here are the scandals of the last decades: the doomed marriages and the husbands, wives, lovers and children caught in their wake and damaged beyond repair. No one is spared.

On Royalty Jeremy Paxman, 2008-07-31 The notable characteristic of the royal families of Europe is that they have so very little of anything remotely resembling true power. Increasingly, they tend towards the condition of pipsqueak principalities like Liechtenstein and Monaco—fancy-dress fodder for magazines that survive by telling us things we did not need to know about people we have hardly heard of. How then have kings and queens come to exercise the mesmeric hold they have upon our imaginations? In *On Royalty*

renowned BBC journalist Jeremy Paxman examines the role of the British monarchy in an age when divine right no longer prevails and governing powers fall to the country's elected leaders. With intelligence and humor, he scrutinizes every aspect of the monarchy and how it has related to politics, religion, the military and the law. He takes us inside Buckingham Palace and illuminates the lives of the monarchs, at once mundane, absurd and magical. What Desmond Morris did for apes, Paxman has done for these primus inter primates: the royal families. Gilded history, weird anthropology and surreal reportage of the royals up close combine in *On Royalty*, a brilliant investigation into how an ancient institution struggles for meaning in a modern country.

The Queen & Her Court Jerrold M. Packard, 1981

General Facts, History and Present of the British Royal Family

Anne Sander, 2018-03-20 Document from the year 2013 in the subject Learning materials - English, grade: 1,3, University of Frankfurt (Main), language: English, abstract: The Royal Family has to make sure that there is a strong unity within Great Britain. Every member of the Royal Family is able to participate in every event in the UK, such as openings of new buildings, acts of commemoration or the Olympic Games this summer. Today the head of the Royal Family nearly has no political power, but has more of a representative role. Furthermore the Queen is the Head of the Armed Forces. With that function she is the only one who can decide whether the country is at war or when the war is finished. Every British Monarch is Head of the Church of England which comprises the appointment of bishops. Every priest has to swear an oath not on the Pope like the Catholics or on God like Protestant priests, but on the Queen herself.

Crown & Sceptre Tracy Borman, 2022-02-22 An in-depth look at

the British monarchy that's "a superb synthesis of historical analysis, politics, and top-notch royal gossip" (Kirkus Reviews). Since William the Conqueror, duke of Normandy, crossed the English Channel in 1066 to defeat King Harold II and unite England's various kingdoms, forty-one kings and queens have sat on Britain's throne. "Shining examples of royal power and majesty alongside a rogue's gallery of weak, lazy, or evil monarchs," as Tracy Borman describes them in her sparkling chronicle, *Crown & Sceptre*. Ironically, during very few of these 955 years has the throne's occupant been unambiguously English—whether Norman French, the Welsh-born Tudors, the Scottish Stuarts, and the Hanoverians and their German successors to the present day. Acknowledging the intrinsic fascination with British royalty, Borman lifts the veil to reveal the remarkable characters and personalities who have ruled and, since the Restoration of the monarchy in 1660, more ceremonially reigned. It is a crucial distinction explaining the staying power of the monarchy as the royal family has evolved and adapted to the needs and opinions of its people, avoiding the storms of rebellion that brought many of Europe's royals to an abrupt end. Richard II; Henry VIII; Elizabeth I; George III; Victoria; Elizabeth II: their names evoke eras and the dramatic events Borman recounts. She is equally attuned to the fabric of monarchy: royal palaces; the way monarchs have been portrayed in art, on coins, in the media; the ceremony and pageantry surrounding the crown. Elizabeth II is already one of the longest reigning monarchs in history. *Crown & Sceptre* is a fitting tribute to her remarkable longevity and that of the magnificent institution she represents. "Crown & Sceptre brings us in short, vivid chapters from William the Conqueror to Elizabeth herself, much of it constituting a dark record of bumping off adversaries, rivals and spouses, confiscating vast estates and military

invasions.... [A] lucid, character-rich book.” —Minneapolis Star-Tribune
“Borman’s deep understanding of English royalty shines.” —Chris Schluep, Amazon Editors’ Picks, The Best History Books of February 2022

Royal Trivia Rachel Bowie,Roberta Fiorito,2021-12-21 From Queen Elizabeth II to Prince George, there's a lot of news to keep up with regarding the royal family. Inside you'll find the royal scoop, including: The official line of succession to the throne, the royal family's favourite designers and artists, amazing details about coronations, weddings, and other ceremonies, jaw-dropping facts about the Crown Jewels, and much more!

The British Royal Family versus the American First Family. Functions and Differences Martin Kirugi,2015-12-16 Essay from the year 2015 in the subject Politics - International Politics - Topic: Miscellaneous, , language: English, abstract: In the United Kingdom, the Royal Family consists of close family members and the extended relatives of the ruler (Billig, 1992). Members of the Royal Family are either affiliated by means of birth or by marriage to other Royal Families (Vollmann, 2000). An example is the current regime in England under the rule of Queen Elizabeth (British Royal Family History). George V married Mary of Teck in order to strengthen their ties and bond with Germany during 1917 since George V had ancestry in Germany (British Royal Family History). After the marriage, the two royal nations decided to name their house as the

House of Windsor since it was a unique house name without any ties to either nation (British Royal Family History). Queen Elizabeth, a descendant of George V, married Phillip who was the Duke of Edinburgh in order to strengthen the royalties therefore making the House of Windsor the official Royal Family ruling Britain (British Royal Family History). The American First Families do not have any blood ties but certain First Families for example the Bush family maintained political respect having two more than one family member becoming the Head of State (Watson, 2004). Most American presidents came from rich families for example the Clinton Family while others started as mere people and later gained political knowledge and thus gaining high political positions for example the current president Barrack Obama (Watson, 2004).

Kings & Queens Anita Ganeri, 2019-10-15 This pocket-sized book covers 1,200 years of British royals, from King Egbert to Queen Elizabeth II. Containing hundreds of fascinating facts and figures about the monarchs and their reigns, the book also covers revolutions, beheadings, scandals, assassinations, marriages, plots, intrigues, imposters, and more marriages. Each royal has a special portrait, showing them in all their cartoon glory, while fact boxes reveal historical turning points, did-you-know details, and quotes from courtiers and historians.

The Royal Family Operations Manual Robert Jobson, 2020-04-07 The Royal Family of the United Kingdom is one of the most instantly recognized institutions in the world. Since the current monarch, Queen Elizabeth II, was crowned in 1952, it has undergone a huge amount of cultural and social change, but over the course of many decades the Royal Family has continued to play an important role in British society. The Royal Family Operations Manual, written by

royal expert and correspondent Robert Jobson, offers a complete examination of a very British institution, looking behind the scenes at the current heirs of a kingdom that has been ruled nearly uninterrupted by a monarch since 774AD. Chapters include explanations of the: Windsor bloodline, family tree and personalities Their royal residences, palaces and country retreats Military connections Charity work Annual engagements Royal finances, including facts and statistics on personal incomes, state salaries and business interests Births, marriages and deaths State ceremonies, such as the opening of parliament, the Christmas address, trooping the colours and the elaborate hosting of foreign dignitaries. The book also includes throughout fascinating behind the scenes details on staff, domestic rituals, personalities, pets, family gatherings and other inside information. Lavishly illustrated with photographs of the people, places and events of the past 150 years, this book makes a fitting celebration of Queen Elizabeth II's reign as she nears 70 years on the throne.

Queen Elizabeth II and the Royal Family DK, 2015-09-15 Queen Elizabeth II and the Royal Family is a magnificent tribute to the life and reign of Queen Elizabeth II and a celebration of the British royal family, from the first English kings through the birth of the queen's second grandchild to Prince William and Kate, the Duchess of Cambridge. Highly illustrated with photographs and timelines throughout, *Queen Elizabeth II and the Royal Family* tells the story of the House of Windsor and includes events such as the royal wedding of Prince William and Kate Middleton and profiles on key people such as Princess Diana and Prince Harry. Graphics illuminate details of the queen's personal and private life, vivid photographs highlight important events, special features showcase the royal

residences, and timelines untangle the complete history of the kings and queens of England and Scotland, tracing the line of succession to the throne. This gorgeous book is the most complete visual history of Britain's most enduring icon, Queen Elizabeth II, and the royal family.

Royal Bastards Peter Beauclerk-Dewar, Roger Powell, 2011-10-24
Since 1066 when William the Conqueror (alias William the Bastard) took the throne, English and Scottish kings have sired at least 150 children out of wedlock. Many were acknowledged at court and founded dynasties of their own - several of today's dukedoms are descended from them. Others were only acknowledged grudgingly or not at all. In the twentieth century this trend for royals to father illegitimate children continued, but the parentage, while highly probable, has not been officially recognised. This book - split into four sections: Tudor, Stuart, Hanoverian and, perhaps most fascinating, Royal Loose Ends - is a genuinely fresh approach to British kings and queens, examining their lives and times through the unfamiliar perspective of their illegitimate children.

Royals at War Dylan Howard, Andy Tillelt, 2020-06-30 Reveals Shocking Revelations about Prince Harry, Meghan Markle, and the British Royal Family—and the Divisive Rifts Between Them This explosive exposé, *Royals at War*, takes readers inside a riven Buckingham Palace to provide the definitive account of the unfolding abdication crisis of 2020—dubbed Megxit—during which the Duke and Duchess of Sussex, Prince Harry and Meghan Markle, became royal outcasts. Through revealing interviews with royal family insiders, friends, aides, historians, royal watchers, and others with intimate knowledge of The House of Windsor, this tell-all book looks back at the events, motives and crises which led to Harry (sixth in line to the throne) dramatically abandoning his birthright—in a move not seen

for nearly a century, when King Edward VIII also gave up the crown for the woman he loved as Europe teetered on the brink of fascism and war. Like Edward and Wallis Simpson, the catalyst for the scandal here is also an ambitious, controversial American woman. Dylan Howard, bestselling author of *Diana: Case Solved* and *Epstein: Dead Men Tell No Tales*, charts how Meghan's relationship with Harry was viewed as controversial from the start—and how her brief honeymoon with the British public began to sour shortly after she and Harry announced in November 2018 that they would be leaving Kensington Palace to move to Frogmore Cottage, an hour outside London. As senior royals expressed disapproval, the public at first seemed to enjoy the royal spat, with many still supporting Team Meghan—until it emerged that the bill to renovate Frogmore Cottage to Meghan's lavish expectations would be \$3 million . . . and be picked up by British taxpayers. Finally, in a move nobody saw coming, Harry announced he was turning his back on the role he had been groomed for since birth—giving up his HRH title, repaying the renovation costs of Frogmore Cottage, abandoning his royal duties, and leaving Britain for good. Buckingham Palace reeled. Howard's unique access and insight into this constitutional crisis will not only address the tensions and tantrums behind closed palace doors, but seek to answer the questions many are still asking: Has Prince Harry ever really recovered from the death of his mother Diana—and the resentment he feels against the institution that tried to destroy her? Why did Meghan, once hailed as a breath of fresh air, rile up the monarchy? Why did she refuse to conform to royal conventions in the way that Catherine did before her? Did the public and media criticism of Meghan go too far? And just how valid are the accusations of racism? How did these modern royals treat the tabloids differently

to tradition? And did it backfire? What next for Harry and Meghan? And how will they—and the institution they’ve turned their back on—react to their new lives outside the confines of the Palace and free from the strict codes and conventions that bind all members of the Royal Family? Caught in a trap by virtue of a life entombed in a gilded cage, *Royals at War* answers these questions and more . . . and reveals how Harry’s infatuation with Meghan and desire to modernize the monarchy could yet end in disaster for the House of Windsor. Played out against the cataclysm of the British tabloid’s laser focus on the duchess’ every movement—for good or ill—this is the true story of Harry and Meghan’s split from the Establishment . . . and perhaps just the beginning of a whole new Monarchy, redefined for the modern age.

Monarchy: The Royal Family at Work Robert

Hardman, 2013-11-18 Every year over 5000 royal engagements take place around the world, from the Queen’s famous summer garden parties to the mysterious world of the Privy Council and high-profile overseas tours. But little is widely known about the inner workings of the institution that lies at the very heart of the British nation. For the first time ever, *The Monarchy* takes the reader behind the scenes, meeting the people that keep the royal machine running like clockwork. With unprecedented access to the key players and organizations involved, *The Monarchy* follows the working life of the Queen over the course of a whole year, both home and abroad. Ever wondered who opens the Queen’s mail, who pays the bills, or even how the royals follow the score in the Ashes? Alongside such trivial matters sit weightier concerns, such as audiences with the Prime Minister, the formal honouring of bravery and excellence, and the sensitive issue of the royal response at times of controversy or crisis.

Accompanying a major BBC1 television series, *The Monarchy* provides a fascinating insight into the public and private lives of this most familiar of families. Written by the Daily Mail's, Robert Hardman, and lavishly illustrated with exclusive colour photographs, this book will appeal both to avid royal-watchers and anyone fascinated in the history and heritage of the United Kingdom.

The Royal Book of Lists Matt Richardson, 2001-09-01 If you think you've already heard everything there is to know about the royal family - think again! Even Queen Victoria herself would be amused (not to mention astonished) by the hundreds of revelations to be found within *The Royal Book of Lists*. Covering over a thousand years of royal history, this fascinating book tells the often turbulent story of a nation and an empire through those privileged few who came to embody it. In the process, author Matt Richardson has succeeded in highlight all the triumphs, tragedies, and of course the scandals that are central to this rich heritage. Balanced, in-depth, frequently irreverent but always compelling, *The Royal Book of Lists* has something to interest everyone. Coming as it does in time for Queen Elizabeth II's Golden Jubilee, the book stands as a timely and accessible introduction to Britain's - and Canada's - royal family.

Theirs is the Kingdom Andrew Morton, 1989 *The Wealth of the British Royal Family*.
