How to Succeed in the Music Business John Underwood, 2009-10-28 How To Succeed In The Music Business is the best selling classic guide for songwriters and performers. Since it was first published in 1978 it has been regularly updated and this latest edition includes up-to-the-minute information on electronic media and new technology in music. Whether you're an established musician or just starting out, sooner or later you'll have to make some vital decisions. This new edition of the 'bible' of the music business gives you all the advice you'll need.

This Business of Artist Management Xavier M. Frascogna, Jr., H. Lee Hetherington, 2004-11-01 This authoritative reference on artist management in the music industry is the standard for all phases of managing a musician's career from both the artist's and manager's point of view. This substantially updated edition covers the major changes that have transformed the business world and music industry over the past six years. Particular emphasis is given to the impact of the Internet, including the MP3 controversy and its lingering ramifications, copyright licensing on the Web, navigating trade identity issues on the Net, domain names, and the high-tech fight against cyberpiracy. Included are real-world examples-as well as new interviews with top booking agents, personal managers, concert promoters, record company executives, road managers, and artists. • For aspiring and professional managers in the music/entertainment field as well as musicians, music publishers, and record company personnel • Winner of the prestigious ASCAP Deems Taylor Award for excellence in music publishing • This replaces 0-8230-7705-5, which sold more than 25,000 copies

Start an Independent Record Label: Music Business Made Simple J. S. Rudenske, J. P. Denk, 2011-08-01 An indispensable step-by-step guide to releasing your own records and beginning a working independent label. Since the boom of homemade records and independently-minded musicians in the 1980s, the alternative music industry has grown from strength to strength, driven by a policy that privileges the music itself over the aggressive marketing and branding strategies of the majors. You can retain all control and rights to the music you release, allowing you to showcase and sell the music that you believe should be heard. There has never been a better time to begin a label for yourself, and this comprehensive title shows you exactly how it's done, including: Devising a business plan Finding and choosing talent Creating and manufacturing records themselves All aspects of promotion and marketing Distribution and radio Get your company organised and get those records out there right now with the help and advice of this informative guide.

This Business of Urban Music James Walker, 2010-07-07 The first reference book all about the business side of gospel and urban music. Hip-hop and R&B hold 25 percent of the consumer music market. Another 20 percent is held by religious (gospel and Christian) music, soul, disco, dance, and jazz. Here's the first reference book to offer sound business and legal advice specifically tailored to these areas of the music industry. Securing a record deal, starting a label, publishing music, marketing and promoting—this is the information that today's musicians need. With insightful examples, quotes, and anecdotes from dozens of top artists and executives, This Business of Urban Music is entertaining as well as informative. Author James J. Walker, Jr., is a leading entertainment lawyer, representing such well-known clients as Cole, Jamie Foxx, DMX, and many others. Now he brings his years of professional expertise in litigation, business, intellectual property, and corporate law to This Business of Urban Music—at a price every aspiring musician can afford.

Awakening Your Business Brain Jennifer Rosenfeld, Julia Torgovitskaya, 2015-12-29 Can you really be an artist and a businessperson at the same time? Aspiring musicians have been asking this for ages, but in a new world of interconnectivity, the answers are closer than ever before. Jennifer Rosenfeld and Julia Torgovitskaya, founders of iCadenza and Cadenza Artists, are here to share the lessons of their music career coaching business and talent agency with you and help you awaken your business brain. Artists receive a lot of misconceptions about the business side of art: that focusing too much on self-marketing is detrimental to your artistic growth, or that making sacrifices for a big contract is selling out. Along the way, musicians are taught that they can be an artist or a businessperson, but not both. Jennifer and Julia say that not only is it possible to be both, it's essential for survival in today's music world. Through career guidance and personal wisdom, Awakening Your Business Brain will show you how you can foster a successful music career without sacrificing your dedication to artistry. Jennifer and Julia demystify the music business in a compassionate and encouraging book that is a must-read for any aspiring musician.

Navigating the Music Industry Frank Jermance, 2003 For anyone planning a career in the music business, Navigating the Music Industry is an excellent introduction to all the issues facing artists today. It combines the myriad talents of teachers, lawyers and musicians to provide a comprehensive overview of the industry. The first half of the book, Controversial Issues, concentrates on the music side of this world - everything from censorship to regional music scenes to the future of country music to the debate between indie and major labels. The second half, Business Models, looks at the business side, and contains many tips about the practical side of the music industry - using internet content, budgets and breakevens, tax issues, when to incorporate and why, and much more. Simply put, Navigating the Music Industry is the most complete book on the subject to date. Previously announced as What's Going On?: Current Issues in the Music Business.

The Music Biz David J. Spangenberg (Professor Pooch), 2019-09-10 Be Ready & Prepared for the 2020's Version of the Music Business... Whether you're interested in the creative and/or business and/or legal side... No matter what stage of your career you're at... No matter what style of music you are into... The Music Biz is... An Informative and Inspirational, straight-to-the-point book, Written in Easy-to-Understand Language with the sole purpose of getting You in the [right] door - and up the stairs! Simply, How to Get in, Survive & Succeed in the Music Business - Without Getting Ripped Off! A great picture of how the Music Biz operates - and how a person can operate in it - and succeed. Over 315 pages of text, split into 4 sections, putting major emphasis on all aspects of Songwriting and Publishing; Performing; Recording; and the Business and Contractual side of Music. I have literally lived this book, working in the roles of many of the people I will talk about, including Singers, Songwriters, Musicians, and Producers on the Creative Side, as well as Managers, Publishers, Production and Indie Record Labels on the business side of the Music Industry. Each has a different job, yet each

has the same goal: Success in the Music Industry. Starting out as a Singer-Songwriter/Recording Artist, hands on experience over a long period of time has taught me a lot about the Music Industry, and so have the experiences of those who have sought my help in their careers. As I spent more and more time helping others, I found myself in a kind of career sideline, sharing my knowledge with the aim of helping save people great amounts of wasted time, money and aggravation. I found that I thoroughly enjoyed this 'work', and as things kept leading from one to another, I conceived the idea of this Book. I have followed the advice I will frequently give you in this book: 'Keep it Simple.' This is my attempt to do in print what I have tried to do in life: cut through the double-talk, and get down to basics in the Music Business. I realize there is a kind of mystique about the Music Business in the minds of most people. People are always looking for magic and talking about the overnight success - which is usually the result of years of learning and paying dues. If removing the mystique makes it less magical for you, I'm sorry, but I feel you'll thank me later. When you find you can get twice as much done on a fraction of the money, and begin to realize how much you've learned, you'll very happily understand that - the place for mystique is in the MUSIC! NOT the Business! Finally, this is not a 'brag book.' The subject is not me, nor my exploits, but You, and how You can Get In, Survive, and Succeed in the Music Business - Without Getting Ripped Off! by David J. Spangenberg [aka Professor Pooch] Music Business Career Guidance Educator/Author, Consultant, Mediator, Entertainment Contract Specialist

The Music Business (Explained In Plain English) David Naggar,2013-05-07 The title says it all. This revised, updated and expanded edition offers savvy dealmaking techniques, methods to protect musical works, and career-building and money-saving tips for musicians. It is an invaluable primer for artists and songwriters who feel like they are at the mercy of industry pros. Among the topics covered are: choosing agents, managers and attorneys, sending out material, record company deals, distribution, streaming, royalty rates, copyrights, music publishing contracts, creating one's own publishing company, trademarks, music videos, issues between band members, touring, and music for film, television and multimedia.

The Essence of the Music Business Mika Karhumaa,2021-05-25 The fully revised Second Edition is here. New examples have been added to better reflect the present time. Also, as a main focus, strategic thinking, the ability to create long-term plans and how to prepare for this in everyday activities are also present in this book. Understanding the importance of strategy is the basis for rational advancement. In the music business - strategies are not always perceptible. They are multi-layered, long-lasting, but also instantaneously effective. The ultimate goal often transpires along the way. In order to understand tactics, one has to read between the lines. The reason why different pre-conditions and industrial expectations must always be taken into account is due to conflicts between artistic and economic goals. An artist's progress often depends on their interest groups' comfort to these aspects and is about maintaining the balance between business objectives and the artist's story. This book deals with factors affecting strategy and how it relates to the artist and their management. Although viable passive income generation in the streaming era is what is most sought after, no other aspect, including social media capital, should be ignored, as it is often even more important. All this has an impact on how an artist succeeds in other music business areas. This book illustrates the current state of things in light of new opportunities. 'Strategy' is the final chapter of The Essence of the Music Business Trilogy from Mika Karhumaa.

Surviving The Game: How To Succeed In The Music Business Sahpreem A. King,2012-05-06 Multi-platinum music producer and author of Gotta Get Signed How To Become A Hip Hop Producer, Sahpreem A. King is back with his long awaited follow up, Surviving The Game How To Succeed In The Music Business. In this book, Sahpreem takes music business newcomers by the hand and teaches them how to succeed in the music business the do-it-yourself way. In addition, Sahpreem talks about music publishing, marketing and promotion, starting an online record label, the power of social media, and making money from your music without being signed to a record deal. Music is a business. That's what this book is all about. For a whole host of justifiable reasons, there have been numerous other books that have been published about the "talent side" of the music industry. What distinguishes this book is the author's firsthand experience in the industry from both the talent side and the business side. Artists from all genres of music, managers, producers, A&R directors, entertainment lawyers, PR consultants, label executives, and the public at large will benefit immeasurably from reading and studying King's advice and good counsel. Sahpreem King's practical approach on how to get into the music business, and how to do well as a result of your passion for the art form and your willingness to grind and work hard every day, is informed by his years of experience, first as a DJ and recording artist, and then as a successful producer. The book is more than an industry insider's view. Sahpreem tells you what to do and what not to do, from imparting to you his basic knowledge about music to the deeper wisdom that he has acquired over the last twenty years.

The Music Biz David J. Spangenberg (Professor Pooch),2018-05-25 The Music Biz Book - 2018 Edition How to Get in, Survive & Succeed in the Music Business - Without Getting Ripped Off! by David J. Understanding the Music Business Dick Weissman,2017-05-12 In today's fast-moving music industry, what does it take to build a life-long career? Now more than ever, all those working in music need to be aware of many aspects of the business, and take control of their own careers. Understanding the Music Business offers students a concise yet comprehensive overview of the rapidly evolving music industry, rooted in real-world experiences. Anchored by a wealth of career profiles and case studies, this second edition has been updated throughout to include the most important contemporary developments, including the advent of streaming and the shift to a DIY paradigm. A new Both Sides Now feature helps readers understand differing opinions on key issues. Highly readable, Understanding the Music Business is the perfect introduction for anyone seeking to understand how musical talents connect to making a living.

Artist Management for the Music Business Paul Allen,2022-03-20 Anyone managing an artist's career needs to be well versed and have a savvy understanding of the moving parts of the music business. Learn how and why those moving parts move, as well as how to manage and navigate a music-based career. Artist Management for the Music Business gives a comprehensive view of how to generate income through music and how to strategically plan for future growth. The book is full of valuable practical insights. It includes interviews and case studies with examples of real-world management issues and outcomes. Updates to this new edition include a new chapter for independent, self-managing artists, expanded and updated sections on networking, social media, and streaming, and a basic introduction to data analytics for the music business. This book gives access to resources about artist management and the music business at its companion website, www.artistmanagementonline.com.

Production Management in Live Music Matt Doherty,2022-01-26 Production Management in Live Music: Managing the Technical Side of Touring

in Today’s Music Industry is a handbook for the aspiring production manager looking to forge a career in the live music industry. This book outlines the role that a production manager performs and their key responsibilities, and takes the reader step by step through the entire process of preparing a show for a tour. From dealing with artists and management to hiring crew, from booking vendors and scheduling the day-to-day of a busy tour, this text covers everything that is needed to take the show into rehearsals and finally on the road. Every aspect of the job is covered, including the very important challenges that face today’s industry in the realms of sustainability, inclusion, diversity and mental health. Whether the show be on a festival, in a small theatre or club, or in a modern arena, this book clearly lays out the tasks and challenges and offers practical solutions to ensure the smooth running of a live performance. Production Management in Live Music is written for students in stage and production management courses and emerging professionals working in live music touring.

The Essence of the Music Business Mika Karhumaa,2020-08-05 This classic of music business books has received a second edition. The fully revised piece delves even deeper into the most important insight of modern music management – the endearing inter-dependence between the artist and the manager. In accepting this, it is possible to achieve strategically sustainable results – also in terms of music. The music industry is an artist-centered business environment. Many operations are the result of an artist’s management or the artist themselves managing initiatives or reactions. This book deals with the environment and practices affecting it. Where the first volume of this book series dealt with agreements, this second part represents the realities and themes generally perceived to be worth pursuing. The first volume intended to understand agreements, whereas in this book we try to understand the artist. Knowledge of the music industry is central. Reciprocity and understanding the needs of others is a cornerstone to successful operations. When the artist’s management and other background forces are able to imagine themselves in the artist’s position, it is easier to relate their own activities towards achieving common goals. On the other hand, when an artist understands their affiliates’ and their needs, it is easier for them to accept the measures they have to take. The author of this book has had an over two-decade career as an international artist manager and legal advisor. His first book was considered widely throughout the world. This second volume deals with the same topic from another perspective. Although it is specially targeted for artists and managers, it is also suitable for general information needs. The book is well suited also for educational use.

The Music Biz David Spangenberg (Professor Pooch),2017-08-14 The Music Biz Book - 2018 Edition How to Get in, Survive & Succeed in the Music Business - Without Getting Ripped Off! by David J.
