Alison Jardine

Legendary Locals of Cincinnati, Ohio Kevin Grace,2012 Founded in 1788 along the Ohio River, Cincinnati was the major city in the Northwest Territory for several decades. As it has developed into its third century, Cincinnati's innovations, service, manufacturing, arts, and athletics mark it as a place with a vibrant and varied heritage. The contributions of interesting and unique personalities add to the city's dynamism: William Holmes McGuffey and his creation of a nation's textbooks; civil rights activists Ted Berry, Fred Shuttlesworth, and Marian Berry; iconic personalities like baseball star Pete Rose and silent film actress Theda Bara; grocery entrepreneur Barney Kroger; cooperative education creator Herman Schneider; polio vaccine pioneer Albert Sabin; Joseph Strauss, the design engineer of the Golden Gate Bridge; Paul Brown, one of the NFL's greatest coaches; Henry Heimlich, whose Heimlich maneuver has saved countless lives; and Benadryl inventor George Rieveschl. But it is also the philanthropists and business leaders; the cultural and political figures; the teachers and community workers; and even the intriguing characters and everyday citizens who make Cincinnati an interesting place on the map. This book tells their stories.

Bond Hill Aharon Varady,2005-11 Full Color (CMYK) Edition.This is the reconstructed history of Bond Hill, currently a neighborhood of Cincinnati, Ohio, originally founded just after the Civil War as a railroad suburb on the urban fringe of the most densely populated city on the planet. How did teetotalers, cooperators, railroad moguls, real estate brokers, and radical socialists pool their energies to found a new society and build affordable housing for men of moderate means? How did church politics and other critical events shape the social and environmental transformation of a once rural community? This history provides a complete survey of the Bond Hill area, from the post-Colonial period through the Village of Bond Hill's annexation by the City of Cincinnati in 1903, up until the present day.

Cincinnati, Queen City of the West, 1819-1838 Daniel Aaron,1992 Daniel Aaron, one of today's foremost scholars of American history and American studies, began his career in 1942 with this classic study of Cincinnati in frontier days. Aaron argues that the Queen City quickly became an important urban center that in many ways resembled eastern cities more than its own hinterlands, with a populace united by its desire for economic growth. Aaron traces Cincinnati's development as a mercantile and industrial center during a period of intense national political and social ferment. The city owed much of its success as an urban center to its strategic location on the Ohio River and easy access to fertile backcountry. Despite an early over-reliance on commerce and land speculation and neglect of manufacturing, by 1838 Cincinnati's basic industries had been established and the city had outstripped her Ohio River rivals. Aaron's account of Cincinnati during this tumultuous period details the ways in which Cincinnatians made the most of commerce and manufacturing, how they met their civic responsibilities, and how they survived floods, fires, and cholera. He goes on to discuss the social and cultural history of the city during this period, including the development of social hierarchies, the operations of the press, the rage for founding societies of all kinds, the response of citizens to national and international events, the commercial elite's management of radicals and nonconformists, the nature of popular entertainment and serious culture, the efforts of education, and the messages of religious institutions. For historians, particularly those interested in urban and social history, Daniel Aaron's view of Cincinnati offers a rare opportunity to view antebellum American society in a microcosm, along with all of the institutions and attitudes that were prevalent in urban America during this important time.

Included are contributions from John Curley, Cedric Michael Cox, Scott Devendorf, David Falk, Rebecca Morgan Frank, Jack Heffron, Polk Laffoon IV, Katie Laur, Sam LeCure, Over the Rhine, Curtis Sittenfeld, Michael Wilson, and many more.
