Hans Christian Andersen

The Complete Hans Christian Andersen Fairy Tales Hans Christian Andersen, 1997-07 More than 150 tales from Hans Christian Andersen, including such classics as Thumbelina, The Snow Queen, and The Ugly Duckling, are collected for this beautifully illustrated volume.

Andersen's Fairy Tales Hans Christian Andersen, 1993 This collection of over forty of Anderson's most popular stories includes The Ugly Duckling, The Red Shoes, and The Little Match Girl.

The Complete Fairy Tales and Stories Hans Christian Andersen, 2011-01-26 This definitive collection of work from Hans Christian Andersen—one of the immortals of world literature—not only includes his own notes to his stories but is the only version available in trade paperback that presents Andersen's fairy tales exactly as he collected them in the original Danish edition of 1874. Recognizing the literary merit of Andersen's own simple colloquial language, which Victorian translators and their imitators very often altered to sentimentalize or vulgarize, translator Erik Haugaard has remained faithful to the original text. The fairy tales Hans Christian Andersen wrote, such as The Snow Queen, The Ugly Duckling, The Red Shoes, and The Nightingale, are remarkable for their sense of fantasy, power of description, and acute sensitivity, and they are like no others written before or since. Unlike the Brothers Grimm, who collected and retold folklore, Andersen adopted the most ancient literary forms of the fairy tale and the folktale and distilled them into a genre that was uniquely his own.

Hans Christian Andersen's Complete Fairy Tales Hans Christian Andersen, 2014-10-01 Classic tales of fairies and princesses, ducklings and dancing shoes from the master storyteller Hans Christian Andersen. All the best-loved fairy tales of Hans Christian Andersen, including "The Ugly Duckling," "Thumbelina," "The Red Shoes," "The Princess on the Pea," and

"The Emperor's New Clothes," fill the pages of this beautiful leather-bound collector's edition. Also included is "The Tallow Candle"—one of the earliest stories written by Andersen, just discovered recently! A great book of bedtime stories or for rainy day reading, as there are both short and long anecdotes included. The attached bookmark ribbon ensures you'll never lose your place as you wander through the imagination of one of the most popular children's writers of all time. Curl up with this collection of classics and lose yourself in childhood memories.

Andersen,2014-03-29 Fairy Tales of Hans Christian Andersen -
The Complete Works 127 Classic Hans Christian Andersen Stories
- By Hans Christian Andersen Brand New Bumper Edition Hans
Christian Andersen; often referred to in Scandinavia as H. C.
Andersen; April 2, 1805 – August 4, 1875) was a Danish author
and poet. Although a prolific writer of plays, travelogues, novels,
and poems, Andersen is best remembered for his fairy tales.
Andersen's popularity is not limited to children; his
stories—called eventyr, or fairy-tales—express themes that
transcend age and nationality.Andersen's fairy tales, which have
been translated into more than 125 languages, have become
culturally embedded in the West's collective consciousness,
readily accessible to children, but presenting lessons of virtue and
resilience in the face of adversity for mature readers as well.
Some of his most famous fairy tales include The Little Mermaid,
The Ugly Duckling, The Nightingale, The Emperor's New Clothes
and many more. His stories have inspired plays, ballets, and both
live-action and animated films.His initial attempts at writing fairy
tales were revisions of stories that he heard as a child. Andersen
brought this genre to a new level by writing a vast number of

fairy tales that were both bold and original. Initially they were not met with recognition, due partly to the difficulty in translating them and capturing his genius for humor and dark pathos. It was during 1835 that Andersen published the first two installments of his immortal Fairy Tales (Danish: Eventyr; lit. fantastic tales). More stories, completing the first volume, were published in 1837. The collection consists of nine tales that includes The Tinderbox, The Princess and the Pea, Thumbelina, The Little Mermaid and The Emperor's New Clothes. The quality of these stories was not immediately recognized, and they sold poorly. At the same time, Andersen enjoyed more success with two novels, O.T. (1836) and Only a Fiddler (1837); the latter was reviewed by the young Søren Kierkegaard. After a visit to Sweden in 1837, Andersen became inspired by Scandinavism and committed himself to writing a poem that would convey the relatedness of Swedes, Danes, and Norwegians. It was in July 1839 during a visit to the island of Funen that Andersen first wrote the text of his poem, Jeg er en Skandinaver (I am a Scandinavian). Andersen composed the poem to capture the beauty of the Nordic spirit, the way the three sister nations have gradually grown together, as part of a Scandinavian national anthem. Composer Otto Lindblad set the poem to music, and the composition was published in January 1840. Its popularity peaked in 1845, after which it was seldom sung. Andersen spent two weeks at the Augustenborg Palace in the autumn of 1844.
