The Daniel Cure Susan Gregory, Richard J. Bloomer, 2013-10-22 One of the most popular fasts in recent years has been the Daniel Fast, a 21-day period of prayer and fasting based on the Old Testament prophet's fasts recorded in Daniel 1 and Daniel 10. The Daniel Fast is a partial fast, in which certain foods are restricted and others are consumed. This fast is similar to a purified vegan diet; in addition to the exclusion of all animal products, no additives, preservatives, sweeteners, caffeine, alcohol, white flour, or processed foods are allowed. With the Daniel Fast people can eat as much Daniel-Fast-friendly food as they would like. Though most people begin the Daniel Fast for a spiritual purpose, many are amazed by the physical transformation that takes place. Many with high cholesterol experience a drop to healthy levels; people who have wrestled with weight issues are suddenly able to lose the pounds. The vast majority of participants following the Daniel Fast report a general sense of well-being and increased energy. Recent published scientific studies of the Daniel Fast have confirmed these findings, with additional benefits, such as a reduction in systemic inflammation, a reduction in blood pressure, and an improvement in antioxidant defenses. *The Daniel Cure* will help readers take the next step by focusing on the health benefits of the Daniel Fast. By following the advice in this book, readers will convert the Daniel Fast from a once-a-year spiritual discipline into a new way of life that can begin any time of the year. In a nation

suffering an epidemic of obesity and its resulting ills, The Daniel Cure may be just what the Great Physician ordered. The Daniel Cure includes a 21-Day Daniel Cure Devotional, four chapters detailing the lifestyle diseases of obesity, type 2 diabetes, cardiovascular disease, and inflammation, eleven chapters of recipes and meal planning advice, a recipe index, complete nutritional guidance, and an appendix detailing The Science behind the Daniel Fast.

Every Body Matters Gary Thomas,2011-11-22 Few pastors or Christian writers have dared to approach the subject of how proper eating and an active lifestyle can affect how we serve God. Author Gary Thomas does just that. And he reaches all the way back to the apostle Paul, who wrote that we need to prime our bodies to become, an instrument for noble purposes, made holy, useful to the Master and prepared to do any good work. To illustrate the body/soul correlation, Thomas presents engaging and diverse stories that include a young mom who got fit through volleyball and reaped spiritual rewards in her marriage, a 300-pound pastor who realized his obesity was eroding his ministry impact, and a woman who gained the spiritual strength to survive a contentious divorce by training for a marathon. In every instance, Thomas makes a direct connection between the physical challenge and its spiritual consequence. This book is a must read for anyone seeking new and compelling motivation for strengthening their bodies and fortifying their souls.
