Hodges,2017-03-06 This book is a collection of ten short read stories that have been taken from my 'DOG TALES - 60 True Doggy Stories of Loyalty, Heroism and Devotion'. As a naturalist, wildlife photographer and also a dog owner all my life, it never ceases to amaze me the incredible connection we have with our canine companions. With dogs, you get back what you put in, just as you do with your human relationships. Dogs, however, show more ability to forgive the cruelty and indiscretion of ignorant people, well at least that's what I have observed. As the old saying goes no such thing as a bad dog, just a bad owner, and this I believe with all my heart. All my dogs have been 'rescue dogs', taken from a life of abandonment and often cruelty. With patience, love and stability all of my dogs have shown loyalty and love way beyond any human should deserve. They've taught me so much and my life without them would be so much poorer. The stories in this series of books will hopefully make you laugh, cry and be proud to be a dog owner. Please remember this budget-priced book is just a small sample of the complete volume DOG TALES which is also available in Audio and Paperback. If you enjoy my stories I'd really appreciate it if you could leave an honest review. Thanks J. It's a Doggy Dog World (Crimebiters #2) Tommy Greenwald,2016-10-11 Jimmy is sure that his dog Abby is special. After all, it was Abby who (with the help of Jimmy & friends) helped nab the criminal Barnaby Bratford and shut down Barnaby's babysitting service, a front for robbing the nice folks of Quietville. Jimmy's parents, on the other hand, are starting to feel like Abby is one destructive little dog (she chewed up Mom's entire shoe collection!) and they insist on enrolling Abby in obedience training. The only problem is that the longer Abby's in class, the more normal (read: boring) she becomes. Jimmy's superhero crime-fighting vampire dog is slowly becoming just like every other dog. She doesn't even sneak out at night anymore! At the same time Jimmy's friends (the Crimebiters) are realizing that there's just not very much crime to fight in their tiny town. But when Jimmy joins the lacrosse team & mysterious things start happening on and off the field, the Crimebiters realize that Abby better get back to her crime-fighting ways... and fast!
