

The Ethiopian Date 10

International Monetary Fund

Ethiopia Philip Briggs,2018-12-10 This new, fully updated 8th edition of Bradt's Ethiopia remains the most comprehensive, detailed and thorough guide available, particularly known for its strength of background information, coverage of off-the-beaten track areas, and in-depth details of hotels and other tourist facilities. It also contains far more maps than other guides. Bradt's Ethiopia is also the longest-serving English-language guidebook dedicated to the country, with a history of 25 years of research and expertise. This new edition has been updated by the original author, Philip Briggs, the world's foremost writer of Africa travel guides. Recent years have seen a notable rise in domestic and foreign private investment in the development of new hotels and national parks; this new edition includes all the most up-to-date details reflecting the recent changes, from development of tourist facilities to improved road infrastructure. Bradt's Ethiopia is ideal for visitors of all ages no matter the interest, whether travelling independently or as part of an organised group, from adventurous and active travellers interested in cultural, historical, and wildlife sightseeing to international conference visitors, spa tourists and community-based visitors looking for activities such as trekking and horseriding in the Rift Valley and Simien Mountains. Wildlife and birding visitors who come for Ethiopia's wealth of endemics are also catered for and this new edition includes a dedicated colour section on wildlife and birds. Of all the African nations, Ethiopia is most prone to misconceptions. The 1985 famine and the cracked barren earth of the Danakil Depression are not images quickly forgotten. But this fully updated guide refocuses the lens to reveal an ancient country that continues to surpass all expectations: from the ancient Judaic cultures of the fertile highlands to the Animist people of the South Omo Valley, from the Afroalpine moorland of the Bale Mountains National Park to the thundering Blue Nile Falls. This book also leads you further off the beaten track, so travellers can see more of this expansive and beautiful land, believed to be the cradle of humankind.

Birds of Ethiopia and Eritrea John Ash,John Atkins,John D. Atkins,2009-04-20 This groundbreaking book is the first ever comprehensive account of avifauna in one of the most diverse and least known areas of Africa.

Ethiopia Steven Gish,Winnie Thay,Zawiah Abdul Latif,2007 Provides comprehensive information on the geography, history, governmental structure, economy, cultural diversity, and landmarks of Colorado--Provided by publisher.

The Federal Democratic Republic of Ethiopia International Monetary Fund,2005-01-28 This paper presents an Ex Post Assessment of Long-Term IMF Engagement in Ethiopia. IMF involvement since 1992 helped underpin the authorities' gradualist policies. Initially, IMF-supported programs aimed at stabilizing the economy and breaking with the legacy of central planning. Later programs emphasized structural reform to support sustainable high growth and poverty reduction. Although macroeconomic stability has been largely achieved, structural reform was gradual and piecemeal, especially under the Enhanced Structural Adjustment Facility. Many of the most immediate and distortionary policies of the centrally planned past have also been overhauled.

Does Torture Prevention Work? Richard Carver,Lisa Handley,2016-07-01 The first systematic analysis of the effectiveness of torture prevention.

Pedro Páez's History of Ethiopia, 1622 Hervé Pennec,Dr Isabel Boavida,Dr Manuel João Ramos,2013-07-28 This book, in two volumes, contains the first English translation, with introduction and annotation, of the História da Etiópia by the Spanish Jesuit missionary priest Pedro Páez, 1564-1622, who worked in the Portuguese missions, first in India and then in Ethiopia, long thought to be the kingdom of the legendary Prester John. Paez's learned but often polemical work is a major contribution to the political, social, cultural and religious history of Ethiopia in the sixteenth and early seventeenth centuries, and to the history of early Portuguese and Spanish missions in Africa and India, and West European attempts to come to terms with non-European cultures.

The Ethiopian Revolution 1974-1987 Andargachew Tiruneh,ʻAndārgāčaw Ṭerunah,1993-04-08 This book is a comprehensive account of the Ethiopian revolution, dealing with the entire span of the revolutionary government's life. Particular emphasis is placed on effectively isolating and articulating the causes and outcomes of the revolution. The author traces the revolution's roots in the weaknesses of the autocratic regime of Haile Selassie, examines the formative years of the revolution in the mid-seventies, when the ideology of scientific socialism was espoused by the ruling military council, and finally charts the consolidation of Mengistu Haile Miriam's power from 1977 to the adoption of a new constitution in 1987. In examining these events, Dr Tiruneh makes extensive use of primary sources written in the national official language. He was also the first Ethiopian nation to write a book on this subject. This book is thus a unique account of a fascinating period, capturing the mood of the revolution as never before, yet firmly grounded in scholarship.

Pedro Páez's History of Ethiopia, 1622 / Volume II Isabel Boavida,Hervé Pennec,Manuel João Ramos,2020-04-28 This book, in two volumes, contains an annotated English translation of the História da Etiópia by the Spanish Jesuit missionary priest Pedro Páez (Pêro Pais in Portuguese), 1564-1622, who worked in the Portuguese padroado missions, first in India and then in Ethiopia, long thought to be the kingdom of the legendary Prester John. His history of Ethiopia was written in Portuguese in the last ten years of his life and survives in only two manuscripts. The translation, by Christopher J. Tribe, is based on the new critical edition of the Portuguese text by Isabel Boavida, Hervé Pennec and Manuel João Ramos, which was published in Lisbon in 2008. They are also the editors of this English version. The History of Ethiopia is an essential source for several areas of study - from the history of the Catholic missions in that country and the relations between the European religious orders, to the history of art and religions; from the history of geographical exploration to the ideological contextualization of the Ethiopian kingdom; from material culture to Abyssinian political and territorial administration; and from an analysis of local circumstances to changes in human ecology in the Horn of Africa and the Indian Ocean. It is a repository of empirical knowledge on the political geography, religion, customs, flora and fauna of Ethiopia. It combines travel narrative with a historico-ethnographic monograph, and is a chronicle of the activities of Jesuit missionaries in their Ethiopian mission. It also reworks a wide variety of documents, including the first translations into a European language of a number of Ethiopian literary texts, from royal chronicles to hagiographies. It complements other early accounts of Ethiopia by Ludovico de Varthema, Francisco Alvares, Castanhoso, Bermudez, Arnold von Harff, Manoel de Almeida, Bahrey, Alessandro Zorzi, Jerónimo Lobo and Václav Prutky, all published by The Hakluyt Society.

Historical Dictionary of Ethiopia David H. Shinn,Thomas P. Ofcansky,2013-04-11 The Historical Dictionary of Ethiopia, Second Edition covers the history of Ethiopia through a chronology, an introductory essay, appendixes, and an extensive bibliography. The dictionary section has several hundred cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent access point for students, researchers, and anyone wanting to know more about Ethiopia.

Business America ,1987 Includes articles on international business opportunities.

The Ethiopian Army Fantahun Ayele,2014-10-30 The Ethiopian popular revolution of 1974 ended a monarchy that claimed descent from King Solomon and the Queen of Sheba, and brought to power a military government that created one of the largest and best-equipped armies in Africa. In his panoramic study of the Ethiopian army, Fantahun Ayele draws upon his unprecedented access to Ethiopian Ministry of Defense archives to study the institution that was able to repel the Somali invasion of 1977 and suppress internal uprisings, but collapsed in 1991 under the combined onslaught of armed insurgencies in Eritrea and Tigray. Besides military operations, The Ethiopian

Army discusses tactical areas such as training, equipment, intelligence, and logistics, as well as grand strategic choices such as ending the 1953 Ethio-American Mutual Defense Agreement and signing a treaty of military assistance with the Soviet Union. The result sheds considerable light on the military developments that have shaped Ethiopia and the Horn in the twentieth century.

Ethiopia Observer ,1973 Includes special issues.

Proceedings of the XVth International Conference of Ethiopian Studies, Hamburg, July 20-25, 2003 Siegbert Uhlig,2006 The XVth International Conference of Ethiopian Studies took place in Hamburg in July 2003. More than 400 scientists from over 25 countries participated. 130 contributions from the program were selected for this volume. They are mostly written in English and deal on the regions of Ethiopia and Eritrea and cover the span from the 4th Century to the present. The volume is divided into the following chapters: Anthropology (20 Articles), History (25), Arts (10), Literature and Philology (10), Religion (5), Languages and Linguistics (25), Law and Politics (10), Environmental, Economic and Educational Issues (10).

Between the Jaws of Hyenas - A Diplomatic History of Ethiopia (1876-1896) Richard Caulk,2002 With the publication of this book, the definitive work on the diplomatic history of Ethiopia in the last quarter of the nineteenth century could be said to have seen the light of day. The book deals with a crucial period when the destiny of Ethiopia hang in the balance. The question - as indeed it was the case for the rest of Africa - was whether the country was to remain independent or become colonized. Menilek, combining diplomatic and military initiatives, not only ensured that Ethiopia remained independent but also expanded its territory to unprecedented limits. The book is based on a critical reading of the secondary literature as well as an exhaustive and analytical use of all the pertinent archival sources, the memoirs and biographies of the principal European characters, and Ethiopian chronicles, biographies and other primary sources. It can serve as the standard text for teaching courses on Ethiopia and the Horn at the university level. At the same time, it provides a useful background to those interested in the formation of the modern Ethiopian state as well as its troubled relations with what eventually became Eritrea.

Ethiopia, 1996 Post Report ,1996

Data quality deterioration in the Lake Tana Sub-basin, Ethiopia Taye, Meron Teferi,Haile, Alemseged Tamiru,Genet, A.,Geremew, Y.,Wassie, S.,Abebe, B.,Alemayehu, B.,2022-05-22

A History of Ethiopia, Nubia & Abyssinia Sir Ernest Alfred Wallis Budge,1928

Ethiopia Reaches Her Hand Unto God Gregory R. Copley,1998 Copley tells the story of how Ethiopia's unique Imperial symbols and history may hold the key to the country's salvation and influence into the 21st Century, and how these symbols affect the global strategic situation. Important reading for sociologists, psychological and grand strategists, Africa and Mid-East analysts, and those interested in orders, decorations and medals. Unique material and 70+ photographs and illustrations never before published.--Publisher description

A History of Ethiopia: Volume I (Routledge Revivals) E. A. Wallis Budge,2014-08-01 This, the first volume of Sir E. A. Wallis Budge’s The History of Ethiopia: Nubia and Abyssinia, first published in 1928, presents an account of Ethiopian history from the earliest legendary and mythic records up until the death of King Lebna Dengel in 1540. Using a vast range of sources - Greek and Roman reports, Biblical passages, Egyptian hieroglyphs, and Ethiopian chronicles - an enthralling narrative history is presented with clarity. This reissue will be of particular interest to students of Ancient Egyptian culture, religion and history.

The Trouble with Kenya: McKenzian Blueprint Lawi Sultan Njeremani, The McKenzian Blueprint. Some lines are short; some lines are long. All lines are variable. Some appear parallel but connect in latency. Some appear linear. When held against the light they reveal dependence or independence; Freedom or constraints; Empowerment or strife; Subjugation or Justice. The Trouble with Kenya is a microcosm of any given country's social and justice pillars. These pillars have been subordinated to the political and economic pillars in many societies with politics and the economy being deified as the all-encompassing enablers of the advancement of Nations. With the world becoming more connected, happenings in far-flung places are increasingly becoming risk factors locally, precipitating issues of local concern and increasing the impediments to collective human development. All these may appear to be abstract concepts in daily life where making the next pay check, putting food on the table or securing a comfortable future for oneself and family is an exhausting endeavor but those who ignore the harbinger flicks subject themselves to ongoing or future succumb. The story of the founding of Kenya as a country and the continuous strides towards nationhood is similar to many countries globally that have had a monarchy in their founding DNA. Indeed, some countries have excelled in building institutions that ensure an equitable society, while some continue to struggle with cartelization and usurpation of independence of institutions and commensurately experience unjust societal confluence where only a few enjoy the benefits of a nation-wide toil. Why you should get the best historical book you are yet to read Unprecedented Insight: Offering a fresh and unparalleled perspective, this book provides a deep dive into Kenya's history in two volumes, shedding light on pivotal moments and influential figures that have shaped the nation. McKenzian Blueprint Unveiled: The book meticulously explores the McKenzian Blueprint, a historical phenomenon that continues to influence Kenya's social, economic, and political landscape. Readers will gain a profound understanding of its origins, implementation, and lasting effects. Compelling Narration: An engaging writing style and thorough research make complex historical events accessible to a broad audience, ensuring an absorbing and enlightening reading experience. Companion Comic Book: Enhance your understanding with the companion comic book of the same title. Featuring vivid graphic illustrations, the comic book brings key historical moments to life, making it an excellent educational tool and an engaging supplement to the main text. Relevance Today: The book is representative of any given country in the world. Drawing parallels between historical events and contemporary issues, the book underscores the relevance of Kenya's, and indeed, your country's past in understanding its present and shaping its future. The Trouble with Kenya: McKenzian Blueprint is a must-read for history enthusiasts, students, and anyone seeking a comprehensive exploration of Kenya's rich and complex heritage. Order now and embark on a captivating journey through the corridors of time.
