**Coaching Basketball's Offensive Special Situations** Kevin C. Sivils, 2013-09 Coaches spend lots of time preparing to teach offense and defense before the start of practice each season. Most teams are reasonably well prepared to execute their basic offensive and defensive systems. Many of these same teams struggle when it comes to the game of basketball's offensive special situations! Utter the words half court trap defense and many point guards simply panic. Go to a coaching clinic and ask how many coaches would like to learn about beating a full court press and watch the hands go up. These are issues even veteran coaches struggle with at times. Coaching Basketball's Offensive Special Situations covers a wide range of topics coaches need to deal with in order for their teams to successfully compete with the best teams on their schedule. Being well prepared for special situations is often the difference between a mediocre season and a great season. Some of the topics covered include: -- Planning for special situations -- Essential fundamentals and the drills to teach them -- Delay game offenses -- Principles for beating half court traps -- Half court trap offenses -- Principles for beating full court pressure defense -- Press breaker offenses -- Timeouts -- Quick hitters and set plays The information in this book is designed to help coaches successfully plan for most special situations that occur in typical games. This book will be a valuable reference tool for new and veteran coaches alike.

*Twelve Years a Slave* Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the

age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
