A Minute to Think Juliet Funt, 2021-08-03 "You're going to want to share copies of this book with your overbooked friends and colleagues, but before you do, take some time to read it yourself. Funt's wisdom around making space is priceless." —Seth Godin, author of *The Practice* Do you wish you could stop the mayhem of work and life and just take a minute? Do you sense you could contribute more if there were a little more room in the day? Does busyness deprive you and your burnt-out team of the oxygen your talents need to catch fire? Many have felt that way, yet taking a pause has seemed impossible—until now. In *A Minute to Think*, Juliet Funt, a globally recognized warrior in the battle against

busyness, provides a powerful guide that will give you the permission, framework, and specific direction you need to do the following: Regain control of your overloaded, caffeinated, inbox-worshipping workday Liberate yourself and your teams from burnout and busywork Reclaim creativity and focus despite the chaos around you Bring thoughtfulness into designing your next work norms Tame the beast of email and escape the mire of meetings Find your precious minute to think You're not alone in your yearning for freedom from constant reactivity. The global workforce today is so fried that it belongs in the food court of a county fair. We're relentlessly behind the curve, dousing fires everywhere, and our 3 a.m. insomnia provides the only unscheduled thinking time of the day. What we need reinserted in our lives is the missing element of white space—short periods of open, unscheduled time that, when recaptured, change the very nature of work. White space is the stepping back, the strategic pause, the oxygen that allows the sparks of our efforts to catch fire. White space has the power to radically—and simply—reinvent the way we approach work in this maxed-out, post-COVID 21st-century world. With Juliet's memorable stories, easy-to-use tools, and razor-sharp instruction, she carves for us an escape route from the overwhelming amount of low-value tasks and the daily avalanche of e-mails, meetings, decks, and reports. Using research, client stories, and a relatable voice, Juliet shows all of us how to reclaim time for thinking and make room for what truly matters. Whether you are an individual trying to build a more sane and humane flow of daily work, a team that wants new levels of efficiency and effectiveness, or an entire organization changing your culture toward thoughtfulness, this book will lead you there.

[Beginner's Pluck](#) Liz Forkin Bohannon, 2019-10-01 There's no lack of people out there telling you to find your passion and dream big. But why does it seem like when we try, we so often end up more lost and overwhelmed than when we started? Liz Forkin Bohannon wants you to rethink everything you've been told about

finding your passion and following your dreams. Why? Hate to break it to you, but you're likely never going to find your passion. Because your passion and purpose are something you build--actively--day by day. In her signature tell-it-like-it-is fashion, Liz shares 14 actionable principles that will teach you how to do just that. With total transparency, Liz shares hilarious and heartbreaking stories of her journey of screwups and successes that illustrate the mindsets and principles that will give you a jolt of energy, inspiration, and direction toward your True North. By embracing your Inner Beginner, dreaming small, choosing curiosity over criticism, and so much more, Liz's story and the principles of Beginner's Pluck will have you on your way to building a life of purpose, passion, and lasting impact. Ready to rise to the occasion? It's time to make this life everything you want it to be.

***** Brave, practical, and true, Liz shares her magical journey for anyone brave enough (and generous enough) to want to go on the journey of a lifetime.--Seth Godin I met Liz more than a decade ago in Gulu, Uganda. Beginner's Pluck is a thoughtful book about what Liz has been strategically doing in the world, not merely optimistically hoping for. Her authentic voice is one I trust because I've seen what she's done. As you flip these pages, you won't want to be more like Liz. Instead, you'll want to figure out what your next steps are to release your passions, hopes, and love into a world which is in desperate need of someone just like you to engage it.--Bob Goff, hon. consul for the Republic of Uganda and author New York Times bestsellers Love Does and Everybody Always I am SO VERY GLAD this book exists. We have long needed Liz's expert voice speaking into the minds of dreamers and doers, the ones who have the ideas and want to execute, and the ones who are exhaustedly executing. We want purpose in our day, and Liz does it with her life and teaches it here.--Annie F. Downs, bestselling author of 100 Days to Brave and Remember God

Not in It to Win It Andy Stanley, 2022-05-10 Is it possible to disagree politically and love unconditionally? The reaction of

evangelicals to political and cultural shifts in recent years revealed what they value most. Lurking beneath our Bible-laced rhetoric, faith claims, books, and sermons is a relentless drive to WIN! But the church is not here to win. By every human measure, our Savior lost. On purpose. With a purpose. And we are his body. We are not in it to win anything. We are in it for something else entirely. That something else is what this book is about. You'll discover: How to take a stand the right way. You'll learn how to make your case with a posture of humility and understanding, rather than being fueled by the fear of losing something. How to view politics through the lens of faith. Learn curiously, listen intentionally, and love unconditionally. How the life of Jesus and his teaching applies to modern-day challenges in a fresh way. The biblical stand may not be what we've been taught. Jesus never asked his followers to agree on everything. But he did call his followers to obey a new command: to love others in the same way he has loved us. Instead of asserting our rights or fighting for power, we need to begin asking ourselves: what does love require of me?

Global Leadership in Transition Colin I. Bradford, Wonhyuk Lim, 2011 Offers steps to bring the G20 into even more relevance in becoming a leading force in the global economy, rivaling even that of the G8. Original.

Flamin' Hot Richard Montanez, 2021-06-15 Soon to be a Hulu feature film directed by Eva Longoria – scheduled release for Summer 2023 Read the story everyone is talking about: how a janitor struggling to put food on the table invented Flamin' Hot Cheetos in a secret test kitchen, breaking barriers and becoming the first Latino frontline worker promoted to executive at Frito-Lay. Richard Montañez is a man who made a science out of walking through closed doors, and his success story is an empowerment manual for anyone stuck in a dead-end job or facing a system stacked against them. Having taken a job mopping floors at Frito-Lay's California factory to support his family, Montañez took his future into his own hands and created the world's hottest snack

food: Flamin' Hot Cheetos. This bold move not only disrupted the food industry with some much-needed spice, but also shook up a corporate culture in which everyone stayed in their lane. When a top food scientist at Frito-Lay sent out a memo telling sales and marketing to kill the new product before it made it to the store shelves—jealous that someone with no formal education beyond the sixth grade could do his job—Montañez was forced to go rogue once again to save his idea. Through creative thinking, community building, and a few powerful mindset shifts, he outsmarted the naysayers who tried to get in his way. Flamin' Hot proves that you can break out of your career rut and that your present circumstances don't have to dictate your future.

Predictable Success Les McKeown, 2010 Presents advice on ways to inspire confidence in management and achieve lasting success in an organization.

Unlikely Fighter Greg Stier, 2021-11-09 Some memories are permanently seared into our childhood brains with a hot iron of adrenaline and fear. For five-year-old Greg, it was the memory of his ma walking back to the house after confronting his stepdad with a splintered, bloodied baseball bat in her hand. Greg Stier was raised in a family of bodybuilding, tobacco-chewing, fist-fighting thugs. He never knew his biological father because his mom had met his dad at a party; she got pregnant, and he left town. Though his mom almost aborted him, in a last-minute twist, Greg's life was spared for so much more. Unlikely Fighter is the incredible story of how God showed up in Greg's life—and how he can show up in yours as well. This is a memoir of violence and mayhem—and how God can transform everything.

The Leader in Me Stephen R. Covey, 2012-12-11 Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The Leader in Me is that programme. It's based on a hugely successful initiative carried out

at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

The Multiplier Effect Liz Wiseman, Lois Allen, Elise Foster, 2013-03-08 When you become a Multiplier, your whole team succeeds! Why do some leaders double their team's effectiveness, while others seem to drain the energy right out of the room? Using insights gained from more than 100 interviews with school leaders, this book pinpoints the five disciplines that define how Multipliers bring out the best across their schools. By practicing these disciplines, you'll learn how to: Attract top teachers to your school Create an intense environment that demands people's best thinking Drive sound decisions by constructing debate and decision-making forums Give your team a sense of ownership for responsibilities and results

Risk General Stanley McChrystal, Anna Butrico, 2021-10-05 From the bestselling author of *Team of Teams* and *My Share of the Task*, an entirely new way to understand risk and master the unknown. Retired four-star general Stan McChrystal has lived a life associated with the deadly risks of combat. From his first day at West Point, to his years in Afghanistan, to his efforts helping

business leaders navigate a global pandemic, McChrystal has seen how individuals and organizations fail to mitigate risk. Why? Because they focus on the probability of something happening instead of the interface by which it can be managed. In this new book, General McChrystal offers a battle-tested system for detecting and responding to risk. Instead of defining risk as a force to predict, McChrystal and coauthor Anna Butrico show that there are in fact ten dimensions of control we can adjust at any given time. By closely monitoring these controls, we can maintain a healthy Risk Immune System that allows us to effectively anticipate, identify, analyze, and act upon the ever-present possibility that things will not go as planned. Drawing on examples ranging from military history to the business world, and offering practical exercises to improve preparedness, McChrystal illustrates how these ten factors are always in effect, and how by considering them, individuals and organizations can exert mastery over every conceivable sort of risk that they might face. We may not be able to see the future, but with McChrystal's hard-won guidance, we can improve our resistance and build a strong defense against what we know—and what we don't.

How We Love Matters Albert Tate, 2024-04-09 This powerful book reimagines discipleship by begging us to acknowledge that racism exists in the Church--and offers the hopeful message that we can disciple it out. It is not an accident that racism is alive and well in the American church. Racism has, in fact, been taught within the church for so long most of us don't even recognize it anymore. Pastor Albert Tate guides all of us in acknowledging the racism that keeps us from loving each other the way God intends and encourages siblings in Christ to sit together in racial discomfort, examining the role we may play in someone's else's struggle. How We Love Matters is a series of nine moving letters that educate, enlighten, and reimagine discipleship in a way that flips the church on its head. In these letters that include Dear Whiteness, Dear America, and Dear Church, Tate calls out racism

in the world, the church, within himself and us. These letters present an anti-racist mission and vision for believers to follow that helps us to speak up at the family table and call out this evil so it will not persist in future generations. Tate believes that the only way to make change is by telling the truth about where we are--relationally, internally, and spiritually. *How We Love Matters* is an exposition of relevant Biblical truth, a clarion call for all believers to examine how they see and understand each other, and it is a way forward toward justice, reconciliation, and healing. Because, yes, it is important that we love each other, but it is even more important how we love each other.

Friend of Sinners Rich Wilkerson, 2018-03-13 Pastor and writer Rich Wilkerson Jr. shines a spotlight on every Christian's calling to reach the world, seek the lost, and save sinners with Jesus' scandalous message of the gospel of grace. In *Friend of Sinners*, we learn: that by following his example, we can have the same clear conviction and compassion for the lost that he did, that His gospel of scandalous grace cannot be overestimated, and How to embrace the truth that we all need Jesus equally. The Bible calls Jesus a friend of sinners. What does that mean? In *Friend of Sinners*, Rich Wilkerson Jr. shows readers the profound implications of the reality that Jesus calls us "friends, not because of who we are or what we have done, but because of who he is. While he was on earth, Jesus knew that people needed to feel like they belong before they would want to behave. He understood that the power within him was greater than the darkness around him, so he loved fearlessly.

Right Color, Wrong Culture Bryan Loritts, 2014-08-27 Increasingly, leaders recognize the benefit of multi-ethnic organizations and are compelled to hire diverse individuals who will help them reflect a new America. In his address at a Global Leadership Summit, Bryan Loritts challenged leaders to have a vision that is about more than the stuff that perishes—to have a vision for making sacrifices that make a difference and help to

bring about transformation in the lives of others. He brings a similar challenge to leaders in this fable of self-discovery and change, as he explores the central, critical problem leaders often encounter when transitioning their church, business, or organization to reflect a multi-ethnic reality: finding a leader who is willing to immerse themselves in the environments and lives of people who are different from them. In *Right Color, Wrong Culture* you enter into a conversation between individuals who are grappling with changing neighborhoods while struggling to remain relevant within communities growing in diversity. You journey with Gary and Peter as they challenge those around them to reach beyond what is comfortable and restructure their leadership team. Known for his passion to build diversity in organizations, Bryan Loritts equips you to identify the right person needed in order for your organizations to become multi-ethnic.

Sandcastle Kings Rich Wilkerson Jr.,2015-11-10 The world seems to have figured out the formula for manufacturing material success, but when it comes to finding true, lasting happiness, we are as lost as ever. We yearn for more, or less, or something that's just different from what we have right now. Deep down, we know there must be satisfaction for our longing. We just don't know where to find it. In *Sandcastle Kings*, Rich Wilkerson, Jr. uses four powerful stories from the seventh chapter of Luke to explain why spiritual fulfillment cannot be found in ourselves, in other people, in material things, or even in religion. By studying the stories of the centurion's faith, the resurrection of the widow's son, Jesus' message about John the Baptist, and the anointing by the woman with the alabaster jar, you will be able to face your doubts and insecurities and overcome your anxiety, discontentment, and depression. Wilkerson wants you to understand that the only answer for your spiritual bankruptcy is Jesus and that until you turn to him you will never experience the lasting peace and joy you so desperately crave.

The Power of the Other Henry Cloud,2016-05-03 An expert

on the psychology of leadership and the bestselling author of *Integrity, Necessary Endings, and Boundaries For Leaders* identifies the critical ingredient for personal and professional wellbeing. Most leadership coaching focuses on helping leaders build their skills and knowledge and close performance gaps. These are necessary, but not sufficient. Using evidence from neuroscience and his work with leaders, Dr. Henry Cloud shows that the best performers draw on another vital resource: personal and professional relationships that fuel growth and help them surpass current limits. Popular wisdom suggests that we should not allow others to have power over us, but the reality is that they do, for better or for worse. Consider the boss who diminishes you through cutting remarks versus one who challenges you to get better. Or the colleague who always seeks the limelight versus the one who gives you the confidence to finish a difficult project. Or the spouse who is honest and supportive versus the one who resents your success. No matter how talented, intelligent, or experienced, the greatest leaders share one commonality: the power of the others in their lives. Combining engaging case studies, persuasive findings from cutting-edge brain research, and examples from his consulting practice, Dr. Cloud argues that whether you're a Navy SEAL or a corporate executive, outstanding performance depends on having the right kind of connections to fuel personal growth and minimize toxic associations and their effects. Presenting a dynamic model of the impact these different kinds of connections produce, Dr. Cloud shows readers how to get more from themselves by drawing on the strength and expertise of others. You don't have a choice whether or not others have power in your life, but you can choose what kinds of relationships you want.

Intentional Living John C. Maxwell, 2015-10-06 John C. Maxwell, #1 New York Times bestselling author, helps readers take the first steps to living a life that matters in *Intentional Living*. We all have a longing to be significant. We want to make a

contribution, to be a part of something noble and purposeful. But many people wrongly believe significance is unattainable. They worry that it's too big for them to achieve. That they have to have an amazing idea, be a certain age, have a lot of money, or be powerful or famous to make a real difference. The good news is that none of those things is necessary for you to achieve significance and create a lasting legacy. The only thing you need to achieve significance is to be intentional. And to do that, all you need to do is start. You can't make an impact sitting still and doing nothing. Every major accomplishment that's ever been achieved started with a first step. Sometimes it's hard; other times it's easy, but no matter what, you have to do it if you want to get anywhere in life. In *Intentional Living*, John Maxwell will help you take that first step, and the ones that follow, on your personal path through a life that matters.

The Idea Book Fredrik Härén, 2004

The Ultimate Exodus Danielle Strickland, 2017 God didn't just say to Pharaoh, Let my people go He also said to the Israelites--and He says to us--Let go of what enslaves you, and follow me to freedom. The *Ultimate Exodus* opens our eyes to the things that enslave us, and it sets us on the path of our own exodus. Danielle Strickland revisits the story of the Exodus to see what we can learn from a people who were slaves and who learned from God what it means to be free. We discover as we go that deliverance goes much deeper than our circumstances. God uproots us from the things we have become slaves to, and He takes us on a long walk to the freedom He created us to enjoy.

Four Things Women Want from a Man A. R.

Bernard, 2016-05-03 As men and women have come to Bernard for spiritual counseling and advice, he's learned patterns of behavior that are repeated time and again. After almost four decades of preaching, teaching, and counseling, he's seen that while every situation is unique, people's behaviors and consequences are amazingly consistent.
