The Greatest Thing in the World and Other Writings Henry Drummond,2014-09-17 A 19th-century evangelist offers powerful meditations on I Corinthians 13, St. Paul's famous chapter on love, plus other short essays: How to Learn, What Is a Christian?, The Study of the Bible, and more.

Now, The Secrets of Success, a one-of-a-kind anthology of achievement, reveals why they are every bit as inspiring as they were a century ago. Here are the masterpieces of success and motivation that have influenced and earned the praise of Brian Tracy, Tony Robbins, Denis Waitley, and many other self-help giants. The Greatest Thing in the World and Other Addresses Henry Drummond,2013-02-18 We have

been accustomed to be told that the greatest thing in the religious world is Faith. That great word has been the key-note for centuries of the popular religion; and we have easily learned to look upon it as the greatest thing in the world. Well, we are wrong. If we have been told that, we may miss the mark. In the 13th chapter of I Corinthians, Paul takes us to Christianity at its source; and there we see, 'the greatest of these is love.' Included here are Love: the Greatest Thing in the World, Lessons from the Angelus, Pax Vobiscum, First! An Address to Boys, The Changed Life, the Greatest Need of the World, and Dealing with Doubt.

Alcoholics Anonymous and the Rockefeller Connection: How John D. Rockefeller Jr. and his Associates Saved AA Jay D. Moore,2015-11-25 This book straddles the divide between personal story and period history. In his finely researched account, Jay D. Moore follows the life of a driven, genius stock analyst brought to the brink of insanity by alcohol. A second thread traces the story of a physician humbled and bewildered by the same struggle. Finally, the story traverses the path through life of an unimaginably wealthy man, telling how he decides to use his treasure to benefit others. It has been said that there are no new ideas, only history we have not yet learned. No new ideas were brought to the Fellowship of Alcoholics Anonymous, for everything the co-founders and early members did had been done before. What they managed to change, however, was to stick to their knitting. The facts presented here help separate the truth from legend, as the story of Alcoholics Anonymous and the Rockefeller connection is presented with more depth and analysis

than has been brought to the subject before.

Self-Help to ICSE Total History & Civics Class 10 Protima Mander, Amandeep Kaur, This book includes the answers to the questions given in the textbook ICSE Total History & Civics class 10, published by Beeta Publications (MBS Publishers) and is for 2022 Examinations.

The Greatest Show on Earth Daniel Buck, 2005-03 In this black comedy, the spotlight shines upon those who love it most: the self-obsessed, self-help culture and the media that generates hysteria for the sake of entertainment, bringing the cults of victimhood and celebrity together. Nothing is sacred in the network competitions for the next big hit, and in their treatment of newsworthy events, the line between truth and fiction doesn't matter as much as the almighty dollar. Satire, it has been said, is not possible in America because everything eventually comes true. Tragedy, you might say, is both cheapened and still to come when the media gets involved. *The Greatest Show on Earth* is a timely commentary about the media frenzy surrounding allegations of sex abuse and the popular mania for Reality TV.

The Greatest Salesman in the World Og Mandino, 2011-01-05 The runaway bestseller with more than four million copies in print! You too can change your life with the priceless wisdom of ten ancient scrolls handed down for thousands of years. "Every sales manager should read *The Greatest Salesman in the World*. It is a book to keep at the bedside, or on the living room table—a book to dip into as needed, to browse in now and then, to enjoy in small stimulating portions. It is a book for the hours and for the years, a book to turn to over and over again, as to a friend, a book of moral, spiritual and ethical guidance, an unfailing source of comfort and inspiration."—Lester J. Bradshaw, Jr., Former Dean, Dale Carnegie Institute of Effective Speaking & Human Relations "I have read almost every book that has ever been written on salesmanship, but I think Og Mandino has captured

all of them in *The Greatest Salesman in the World*. No one who follows these principles will ever fail as a salesman, and no one will ever be truly great without them; but, the author has done more than present the principles—he has woven them into the fabric of one of the most fascinating stories I have ever read.”—Paul J. Meyer, President of Success Motivation Institute, Inc. “I was overwhelmed by *The Greatest Salesman in the World*. It is, without doubt, the greatest and the most touching story I have ever read. It is so good that there are two musts that I would attach to it: First, you must not lay it down until you have finished it; and secondly, every individual who sells anything, and that includes us all, must read it.”—Robert B. Hensley, President, Life Insurance Co. of Kentucky
