The Holy Neeshant Srivastava,2024-04-22 This is a collection of seven short stories containing memories of my school days in my alma mater, Don Bosco Academy, which is among the best schools in Patna. After having reached an age of maturity, we often look backwards and remember our much-forgotten childhood, and those laborious days of school. We remember people, things that were simple and had a deep impact on our lives. A tear or two is quite enough to re-establish a lost friendship and the days of glory. Those lips are sealed and will not utter a word and very soon they will disappear forever. While we are still alive, we must dig into our minds and catch all those memories that have been frozen and lie under deep black clouds. Only then can we bring happiness into our lives and the lives of our near and dear ones that have been silenced too, by the tricks of time. Dig deep into your mind if you can, someone has you on their mind.
