The Secret of the Rosary St Louis de Montfort, 2017-09-08 An enlightening translation of the classic book by great Marian writer who nurtured Pope St. John Paul II's devotion to Mary.

Praying the Rosary Megan McKenna, 2007-12-18 Internationally acclaimed author Megan McKenna gives this Catholic tradition enriched modern relevance in a completely up-to-date guide to praying the Rosary, designed for general readers and incorporating the recent additions made by Pope John Paul II. As a speaker, teacher, and bestselling Catholic author, Megan McKenna has informed and inspired audiences both in- and outside of the Catholic tradition with her warmhearted, contemporary approach to spirituality. Now she turns her attention to the Rosary, revealing the universality of this ancient practice and how it can enrich lives today. Praying the Rosary—the act of counting off prayers with a string of beads in a rhythm of focused spiritual contemplation—is a practice that has existed for centuries and is common to many faiths. For the world's one billion Catholics it has become the most popular form of devotion. Though strongly associated with the Virgin Mary, the prayers of the Rosary are ultimately meant to bring those who say them closer to Jesus Christ, whose life and teachings are central to all branches of the Christian faith. This gives the Rosary an ecumenical dimension that is in sync with today's emphasis on the common bonds, rather than the divisions, among all Christians. In 2002, Pope John Paul II updated the Rosary by adding a new section on the teachings of Jesus, further emphasizing the centrality of Christ and the biblical Gospels at the heart of the prayers. Embracing this ecumenical attitude in Praying the Rosary, Megan McKenna explores the Rosary and explains how to pray it, incorporating the Pope's recent additions and revealing its relevance to a new generation. She breaks down the Rosary into its twenty components, prefacing each with a selection from Scripture that identifies the prayer's source in the Bible. Combining practical instruction with meditative reflections on the prayer's spirituality, she reveals the Rosary's richly contemplative nature and shows how praying the Rosary can inspire peaceful, calm attitudes, and an awareness of the universal spiritual mystery that connects all Christians.

The Holy Rosary through the Visions of Blessed Anne Catherine Emmerich Blessed Anne Catherine Emmerich,2019-06-25 The German Mystic born in the latter part of the Eighteenth Century, Blessed Anne Catherine Emmerich, was privledged by Almighty God with sensory visions disclosing the earthly life of God Incarnate, of His Holy Mother, the Virgin Mary and of the progression of salvation history from Genesis to the Apocalypse. In this short book, the reader will find a carefully collated set of rosary meditations faithfully drawn from the texts of these visions. Meditations taken directly from our saint’s writings are provided for every bead of the rosary, allowing you to ponder at greater depth the secrets revealed to Blessed Anne Catherine and enable you to truly immerse yourself in the marvelous historical events which occurred in the life of Our Divine Redeemer and His Holy Mother. This work is a work of prayer and was revised multiple times in order to offer golden nuggets of contemplative material in every bead of Our Lady’s Psalter. For the benefit of the reader, meditations have also been offered, once again, drawn entirely from Our Saint’s writings, for the Mysteries of Light, which are popular among many Catholics, as well as five additional mysteries, entitled “the Hopeful Mysteries”, which cover events in Salvation History and in the life of Our Blessed Mother prior to the Incarnation. Blessed Anne offers a wealth of detail for each of these mysteries and these details have been collated for you in this short volume. “A Retreat in a Book”—Rev. Fr. Daniel Weatherley (Sub Dean of St. George’s Cathedral, Southwark) “I was very impressed with Fr Higgins’ collation of Blessed Anne’s writings, these Rosary Meditations are among the best I have come across, there is often enough contained in one bead’s meditation to cover the entire decade, and so it is a book one can return to again and again”—James Stubbs Esq. (Lay leader and Catholic Politician) “A great preaching resource for the Mysteries of the Rosary”—Rev. Fr James Cadman (International speaker and parish mission giver)

The Holy Rosary, from the Writings of the Fathers of the Church Fr. Mark Higgins,The Fathers of the Church,2020-12-08 This collection of rosary meditations taken from the writings of the Fathers of the Church allows the reader, for the first time, to bring the insights of Sacred Tradition into the daily recitation of the Holy Rosary. We know well, as true sons and daughters of Holy Mother Church, that the Truths of the Catholic Faith come to us both through Sacred Scripture and Sacred Tradition, indeed, St. Paul writes, “Therefore, brothers, stand firm and cling to the traditions we taught you, whether by speech or by letter” (2 Thess. 2:15). How little time, alas, do we give to the sayings of the ancient fathers, how little attention towards their words of reflection, and yet, what riches can be found in their insights, as they ponder upon the events of salvation history, and share from the Fountain of Wisdom that, in one manner, was so much closer to their lips than it is to ours. Drawing from diverse authors, both those canonically held as ‘Fathers’, but also other ancient writers of the First Millennium of Christianity, this book will serve as a faithful companion to any committed Catholic who is desirous of ‘going deeper’ in contemplation of the Holy Rosary, and to do so in a manner which seeks neither novelty nor the theological fashions of today, but the wisdom of the earliest saints of our Holy Religion. You will find here hundreds of carefully selected paragraphs of meditation, chosen in and through prayer. You will find points for every bead of the traditional rosary, as well as the additional mysteries proposed by Pope John Paul II and The Hopeful Mysteries, introduced in an earlier work by the same author, which bring to the faithful’s consideration events concerning Our Lady and Salvation History prior to the Annunciation. This is a book to be kept alongside your rosary beads, to be brought out at adoration, to be carried on retreat, to be shared with your children in family prayers and to be passed on to those who wish to grow in prayer, and in the greatest of all the prayers of popular piety, the Holy Rosary. “The book is a wonderful composition of devotional meditations that lead the reader through a deeply meaningful and intimate journey in prayer and inspiration”—Holly Rodriguez (Illustrator, poet and founder of Beatific Artworks) About the Author: Fr. Mark Higgins is a priest of the Archdiocese of Southwark, England. He is also the editor of The Holy Rosary, through the Visions of Blessed Anne Catherine Emmerich.
