**2 Kinds of People** João Rocha,2017-07-11 It takes all kinds of people to make a world, the expression goes. But maybe it really takes only two kinds. People who put ketchup on their fries, and people who put the ketchup on the side. People who squeeze gently from the bottom, and people who manhandle the toothpaste tube. *2 Kinds of People* is the interactive visual personality quiz that's as much fun as a game. It works by showing two illustrations side by side. If you and your partner pick the same one, score it on the foldout wheel in the back, and move to the next. At the end, the number of matches determines where you fall on the Scale of Compatibility, ranging from mortal enemies to soul mates. There are 85 pairs in all, covering food, home, technology, travel, and more. It's the perfect icebreaker, a clever way to find out if you and your best friend/date/coworker and/or person you just met in a bar are compatible. Cup or cone? Cash or plastic? Shower or bath? Escalator or stairs? Toilet paper over, or toilet paper under? Like they say, it's the little things in life that really count.

*Walk Two Moons* Sharon Creech, 2009-10-06 In her own singularly beautiful style, Newbery Medal winner Sharon Creech intricately weaves together two tales, one funny, one bittersweet, to create a heartwarming, compelling, and utterly moving story of love, loss, and the complexity of human emotion. Thirteen-year-old Salamanca Tree Hiddle, proud of her country roots and the Indian-ness in her blood, travels from Ohio to Idaho with her eccentric grandparents. Along the way, she tells them of the story of Phoebe Winterbottom, who received mysterious messages, who met a potential lunatic, and whose mother disappeared. **The Ultimate Trivia Study Guide: Volume 2** Graig Zethner, 2019-11-23 1,000+ questions, expertly crafted, for anyone who loves trivia. It includes 50 general knowledge quizzes across a range of topics, a holiday quiz, and the year in review quiz for 2019. Each quiz is written and reviewed by trivia experts (see below). In most cases, the questions are more difficult than other trivia books on the market. They also include detailed information accompanying the answers which allows you to really understand the topic. Whether you're a beginner or an expert, you're almost certainly going to learn a lot from this book. The questions are in a pub quiz style, spanning categories including history, geography, music, movies, television, sports, literature, art, technology, business, theater, mythology, and others. Many trivia experts have gone through the questions and answers, and all agree that it is well worth the read... I'm constantly impressed with the questions which I think are the perfect combination of challenging yet answerable. - Jeremy Cahnmann, Owner of Brain Bash Trivia and Two-Time Geek Bowl Champion Graig Zethner's book is a rich gold mine of trivia tidbits in context. I began playing his weekly quizzes online, and while I was studying for the Jeopardy! Tournament of Champions, they became a regular addition to my trivia study regimen. Brief and well-spread over a representative group of trivia categories, one quiz at a time makes a good daily or weekly exercise, but his rich contextual feedback is what allows you to really learn. There are countless facts in my personal study notebook gleaned from the explanations of answers. Quite a treat having them all compiled in one easy to access place. - Anneke Garcia, Four-time Jeopardy! Champion (2019) The one time I met Graig Zethner, I almost ran him over in a parking lot. (True

story!) But he somehow survived and managed to produce this handy and voluminous trivia book! - Ken Jennings, Seventy-four-time Jeopardy! Champion (2004) This book is the real deal. It has a great mix of categories and questions for all levels of player. It's also the perfect book for an impromptu quiz game with your friends! - Jonathan Oakes, Host of Trivial Warfare Podcast and 2019 Trivia Hall of Fame Inductee Graig's weekly quizzes are entertaining, informative, and balanced every single time. I've become a devotee and try to never miss a set of questions. This book will make every aspect of your quizzing brain at least a little bit stronger. - Dustin Resch, Triviality: Bloodsport Season 1 Champion Mr. Zethner showcases his masterful ear for brilliant trivia question writing as his weekly sets are just pure learning fun, clue-laden puzzles, well-researched packets of info and an eclectic mix of topics & cultural perspectives. It has become a bit of an exciting & satisfying weekly ritual for me to challenge myself with these questions as a barometer for my own trivia preparations and a vehicle for getting better at it as well. Highly recommended! - Jeffrey Seguritan, Trivia Tourist & Journalist Graig's questions are one of my favorite ways to study. They're both challenging (while not impossible) and interesting - the hallmark of good trivia questions! - Wesley Wells, Team Trivia National Champion

The weekend has only just begun . . . This 42nd Anniversary Edition includes exclusive bonus material from the Douglas Adams archives, and an introduction by former Doctor Who showrunner, Russell T Davies. *The Book Lover's Quiz Book* Gary Wigglesworth, 2020-11-05 'The perfect gift for quizzers' VAL McDERMID 'Outside of a dog, The Book Lover's Quiz Book is every bookworm's best friend -- inside of a dog . . . well, if you know the rest, you're going to love this book' PETER HANINGTON, author of A Dying Breed, peterhanington.co.uk 'Brilliantly inventive and entertaining questions from the bookworm's bookworm' MARK MASON, author of Walk the Lines, Question Time and many more 'A book quiz quiz book what more could lovers of books, quizzes and quizzes about books desire? And marvellous it is too, Wigglesworth proving himself quite the literary Magnus Magnussen of our social media age' TRAVIS ELBOROUGH traviselborough.co.uk 'This is the ultimate literary quiz book and Gary Wigglesworth is the quizmaster to end all quizmasters' DAVID QUANTICK davidquantick.com This is a literary quiz book with a difference.

Rather than basic sets of questions, The Book Lover's Quiz Book mirrors the format of Gary's live quizzes, at the Betsey Trotwood in London and elsewhere. So, there are lots of multiple-choice questions, some amusing answers, clever red herrings, little-known facts about authors and some of the much-loved Say What You See picture round. Also, there are fixed and variable rounds - fixed ones include 'Blankety Books' (one word missing from the title - always with a theme), 'Literary Links and lists' (what connects/next in the list etc.) and '2 of a Kind' (name the character and the author that share the same initials). The changeable rounds keep the quizzes fresh and include 'What the Dickens?' (real or made-up Dickens names), 'RomeNo or JuliYess' (real or made-up Shakespearian insults) and 'Book Bingo!' (identify the correct number). There are also more standard rounds such as 'First Lines', 'Working Titles' and 'Banned Books'. The aim of all Gary's quizzes, and this book, is that people should have fun and be able to guess (if they don't know) as much as possible.

**Factfulness** Hans Rosling, Anna Rosling Rönnlund, Ola Rosling, 2018-04-03  
INSTANT NEW YORK TIMES BESTSELLER "One of the most important books I've ever read—an indispensable guide to thinking clearly about the world." – Bill Gates "Hans Rosling tells the story of 'the secret silent miracle of human progress' as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly." –Melinda Gates Factfulness by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases. - Former U.S. President Barack Obama Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world's population live in poverty; why the world's population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In Factfulness, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don't know what we don't know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn't mean there aren't real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, Factfulness is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- "This book is my last battle in my life-long mission to fight devastating ignorance...Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn't enough. But I hope this book will be." Hans Rosling, February 2017.

**Life, the Universe and Everything** Douglas Adams, 2020-03-05 Following a number of stunning catastrophes, which have involved him being alternately blown up and insulted in ever stranger regions of the Galaxy, Arthur Dent is surprised to find himself living in a cave on prehistoric Earth. However, just as he thinks that things cannot possibly get worse, they suddenly do. An eddy in the space-time continuum lands him, Ford Prefect, and their flying sofa in the middle of the cricket ground at Lords, just two days before the world is due to be destroyed by the Vogons. Escaping the end of the world for a second time, Arthur, Ford, and their old friend Slartibartfast embark (reluctantly) on a mission to save the whole galaxy from fanatical robots. Not bad for a man in his dressing gown.

*The Giver* Lois Lowry, 2014 Living in a perfect world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

Witchlings Claribel A. Ortega, 2022-04-05 An instant New York Times Bestseller! Disney's *The Owl House* meets *Nevermoor*, in a brilliant adventure from Claribel A. Ortega! Every year, in the magical town of Ravenskill, Witchlings who participate in the Black Moon Ceremony are placed into covens and come into their powers as full-fledged witches. And twelve-year-old Seven Salazar can't wait to be placed in the most powerful coven with her best friend! But on the night of the ceremony, in front of the entire town, Seven isn't placed in one of the five covens. She's a Spare! Spare covens have fewer witches, are less powerful, and are looked down on by everyone. Even worse, when Seven and the other two Spares perform the magic circle to seal their coven and cement themselves as sisters, it doesn't work! They're stuck as Witchlings—and will lose their magic. Seven invokes her only option: the impossible task. The three Spares will be assigned an impossible task: If they work together and succeed at it, their coven will be sealed and they'll gain their full powers. If they fail... Well, the last coven to make the attempt ended up being turned into toads. Forever. But maybe friendship can be the most powerful magic of all... With action-packed adventure, a coven of quirky witchlings, Claribel A. Ortega's signature humor, and girl-power vibes, you won't be able to put down this middle grade Latine witch story, perfect for fans of *Amari* and the *Night Brothers* or *Harry Potter*.
