

The Karate Kid 20

Ian Pickup

The Karate Kid, Part II B. B. Hiller, 1986

Waxing On Ralph Macchio, 2022-10-18 An instant New York Times bestseller! Since *The Karate Kid* first crane-kicked its way into the pop culture stratosphere in June 1984, there hasn't been a week Ralph Macchio hasn't heard friendly shouts of "Wax on, wax off" or "Sweep the leg!" Now, with Macchio reprising his role as Daniel LaRusso in the #1 ranked Netflix show *Cobra Kai*, he is finally ready to look back at this classic movie and give the fans something they've long craved. The book will be Ralph Macchio's celebratory reflection on the legacy of *The Karate Kid* in film, pop culture, and his own life. It will be a comprehensive look at a film that shaped him as much as it influenced the world. Macchio will share an insider's perspective of the untold story behind his starring role—the innocence of the early days, the audition process, and the filmmaking experience—as well as take readers through the birth of some of the film's most iconic moments. Ultimately, the book centers on the film itself, focusing on the reason that the characters and themes have endured in such a powerful way and how these personal experiences have impacted Macchio's life. It will bring readers back to the day they met Daniel LaRusso and Mr. Miyagi for the first time, but will also provide a fascinating lens into how our pasts shape all of us and how the past can come back to enrich one's life in surprising and wonderful ways.

The Films of John G. Avildsen Larry Powell,Tom Garrett,2013-12-19 The life and work of American director John G. Avildsen is thoroughly examined in this detailed filmography and critical study. Each of the most significant films made by the Oscar-winning Avildsen is given a separate chapter, including such critical successes as Joe and Save the Tiger, and box-office blockbusters Rocky and its sequels and the Karate Kid series. The authors' observations on these and other titles—some well known, others less familiar—are enhanced by extensive production notes, and by commentary from John G. Avildsen himself. Cinema historian Jean Bodon of Sam Houston State University provides a foreword.
