Diversified Agriculture of Hawai'i Perry F. Philipp,2021-05-25 An economist's view of Hawaii's agriculture, its history, present status, and future prospects. The author presents a wealth of essential information on Island crops, and discusses significant agricultural trends in down-to-earth language for farmers, specialists, students, and the general public. Part One surveys the historical background of today's economy and the development of various agricultural industries now commercially important in the Islands. Hawaii's unique farm economy presents local problems which mainland methods cannot solve; expanding diversified agriculture is viewed by the author as an important way to strengthen the Island's economic position. Part Two is a detailed discussion of each diversified agricultural industry; vegetables, flowers and foliage, fruits and macadamia nuts, coffee, livestock, poultry, beekeeping, and others. The author advocates advanced production methods and greater diversification to increase farm income and, at the same time, develop export crops.

Some Kind of Justice Diane Orentlicher,2018-03-30 An internationally-renowned scholar in the fields of international and transitional justice, Diane Orentlicher provides an unparalleled account of an international tribunal's impact in societies that have the greatest stake in its work. In *Some Kind of Justice: The ICTY's Impact in Bosnia and Serbia*, Orentlicher explores the evolving domestic impact of the International Criminal Tribunal for the former Yugoslavia (ICTY), which operated longer than any other international war crimes court. Drawing on hundreds of research interviews and a rich body of inter-disciplinary scholarship, Orentlicher provides a path-breaking account of how the Tribunal influenced domestic political developments, victims' experience of justice, acknowledgement of wartime atrocities, and domestic war crimes prosecutions, as well as the dynamic factors behind its evolving influence in each of these spheres. Highlighting the perspectives of Bosnians and Serbians, *Some Kind of Justice* offers important and practical lessons about how international criminal courts can improve the delivery of justice.
