The Official Chase 'N Yur Face Cookbook Chase Bailey,2016-11-10 Who can resist the likes of fanciful Pizza Skewers or Grilled Chicken Panini? What about Cherry Cucumber Limeade or Pineapple Express Cupcakes? Pick up a copy of YouTube's young celebrity chef Chase Bailey's boldly designed and photographed book—The Official Chase 'N Yur Face Cookbook—and you'll be surprised and impressed by what may have looked like a cookbook for young adults. What you'll find is an exciting collection of sixty or so delightfully sophisticated, truly mouth-watering recipes for cooks of all ages that are as simple to create as they are original. Chase's appealing personality captivates with comments like “desserts are a kind of ‘soul-food.’” His inventive recipes include everything from Grilled Portobello Rice Bowl with Five-Spice BBQ sauce to Brownie S'Mores Sandwiches to Baked Tilapia over Veggie Potato Almighty (potato and veggie hash) covered with Cheesy Gravy. This wonderfully balanced cookbook covers the culinary spectrum from breakfast to vegetables, meats to desserts, and nutritious to fun. You'll want to cook everything in this book the first time you read it—whether you're an omnivore, a vegetarian, a vegan, or gluten-free, you'll be running out the door to the market to collect ingredients! Chase and Chase 'N Yur Face have received attention from Mario Batali and Guy Fieri and additional accolades in the form of two Foreword Indies book honors. Diagnosed with autism as a toddler, Chase's success shines the spotlight on food as the common language that binds us all together. Relevant “fun facts” artistically designed into every recipe and additional information on food history and current trends provided via references at the end of the book will further pique your interest in what this bright teenage chef has to say.

The Ojibwe Journals of Edmund F. Ely, 1833-1849 Edmund F. Ely,2012-11-01 Twenty-four-year-old Edmund F. Ely, a divinity student from Albany, New York, gave up his preparation for the ministry in 1833 to become a missionary and teacher among the Ojibwe of Lake Superior. During the next sixteen years, Ely lived, taught, and preached among the Ojibwe, keeping a journal of his day-to-day experiences as well as recording ethnographic information about the Ojibwe. From recording his frustrations over the Ojibwe's rejection of Christianity to describing hunting and fishing techniques he learned from his Ojibwe neighbors, Ely's unique and rich record provides unprecedented insight into early nineteenth-century Ojibwe life and Ojibwe-missionary relations. Theresa M. Schenck draws on a broad array of secondary sources to contextualize Ely's journals for historians, anthropologists, linguists, literary scholars, and the Ojibwe themselves, highlighting the journals' relevance and importance for understanding the Ojibwe of this era.

New York Magazine ,1994-06-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Death by Chocolate Ross A. Klein,2001 The book the cruise industry doesn't want you to read. A must read for anyone who has taken a cruise, is thinking about a cruise, or who works in the industry. If you are interested in information that is not contained in any guidebook, and the cruise industry would prefer you not have, you must read this book. The chapters include: The Art of Advertising and Marketing You Wouldn't Believe the Food!! You Can Squeeze Blood from a Turnip Ship Society Ross A. Klein is academically trained as a sociologist and as a social worker. His previous writing covers a range of topics, including peace and non-violence, child abuse prevention, women and addictions and employability enhancement. He makes his home in St. John's, Newfoundland, and is a Social Work professor at Memorial University. Information about his other activities and ongoing work may be found at www.cruisejunkie.com.

Chocolate Louis E. Grivetti,Howard-Yana Shapiro,2011-09-20 International Association of Culinary Professionals (IACP) 2010 Award Finalists in the Culinary History category. Chocolate. We all love it, but how much do we really know about it? In addition to pleasing palates since ancient times, chocolate has played an integral role in culture, society, religion, medicine, and economic development across the Americas, Africa, Asia, and Europe. In 1998, the Chocolate History Group was formed by the University of California, Davis, and Mars, Incorporated to document the fascinating story and history of chocolate. This book features fifty-seven essays representing research activities and contributions from more than 100 members of the group. These contributors draw from their backgrounds in such diverse fields as anthropology, archaeology, biochemistry, culinary arts, gender studies, engineering, history, linguistics, nutrition, and paleography. The result is an unparalleled, scholarly examination of chocolate, beginning with ancient pre-Columbian civilizations and ending with twenty-first-century reports. Here is a sampling of some of the fascinating topics explored inside the book: Ancient gods and Christian celebrations: chocolate and religion Chocolate and the Boston smallpox epidemic of 1764 Chocolate pots: reflections of cultures, values, and times Pirates, prizes, and profits: cocoa and early American east coast trade Blood, conflict, and faith: chocolate in the southeast and southwest borderlands of North America Chocolate in France: evolution of a luxury product Development of concept maps and the chocolate research portal Not only does this book offer careful documentation, it also features new and previously unpublished information and interpretations of chocolate history. Moreover, it offers a wealth of unusual and interesting facts and folklore about one of the world's favorite foods.

The Story of the Other America Richard Cochran Gill,Helen Hoke,1941 Short history of the discovery and development of South America.
