Slob Ellen Potter,2020-02-25 *A sensitive, touching, and sometimes heartbreakingly funny picture of middle school life.--School Library Journal, starred review Outrageously funny and smart, this story of an obese boy who takes on his bullies is as heartwarming as it is clever. Twelve-year-old Owen Birnbaum is the fattest kid in school. But he also invents cool contraptions--like a TV that can show the past--because there is something that happened two years ago which he needs to see if he ever hopes to unravel a dreadful mystery. But inventor or not, there is a lot Owen can't figure out. Like how his Oreos keep disappearing from his lunch. Or why his sister suddenly wants to be called by a boy's name. Or why a diabolical, scar-faced bully at school seems to be on a mission to destroy him. He's sure that if only he can get the TV to work, things will start to make sense. But it will take a revelation, not a cool invention, for Owen to see that the answer is not in the past, but the present. That no matter how large he is on the outside, he doesn't have to feel small on the inside. With her trademark humor, Ellen Potter has created a larger-than-life character and story whose weight is immense when measured in heart. Praise for *Slob*: A Junior Library Guild Selection! Potter delicately and confidently delivers a pitch-perfect story

of self-worth This is a book for everyone: smart, devious, overweight, underweight, shy, courageous and everyone in between. --The Children's Book Review

In 1927, Zora Neale Hurston went to Plateau, Alabama, just outside Mobile, to interview eighty-six-year-old Cudjo Lewis. Of the millions of men, women, and children transported from Africa to America as slaves, Cudjo was then the only person alive to tell the story of this integral part of the nation's history. Hurston was there to record Cudjo's firsthand account of the raid that led to his capture and bondage fifty years after the Atlantic slave trade was outlawed in the United States. In 1931, Hurston returned to Plateau, the African-centric community three miles from Mobile founded by Cudjo and other former slaves from his ship. Spending more than three months there, she talked in depth with Cudjo about the details of his life. During those weeks, the young writer and the elderly formerly enslaved man ate peaches and watermelon that grew in the backyard and talked about Cudjo's past—memories from his childhood in Africa, the horrors of being captured and held in a barracoon for selection by American slavers, the harrowing experience of the Middle Passage packed with more than 100 other souls aboard the *Clotilda*, and the years he spent in slavery until the end of the Civil War. Based on those interviews, featuring Cudjo's unique vernacular, and written from Hurston's perspective with the compassion and singular style that have made her one of the preeminent American authors of the twentieth-century, *Barracoon* masterfully illustrates the tragedy of slavery and of one life forever defined by it. Offering insight into the pernicious legacy that continues to haunt us all, black and white, this poignant and powerful work is an invaluable contribution to our shared history and culture.
